CASWELL COUNTY.—Caswell before the war was the wealthiest county in the State according to population, and contained more slaves than any other of its size. It is exclusively a tobacco county and noted for the superior article of the plant raised. In New Orleans, Mobile, Galveston, Memphis and other Southern cities, Caswell tobacco has a reputation fully equal to "Nash" brandy.

The evidence introduced by the defendant's counsel but strengthened that of the State. The argument was opened for the State by Mr. Solicitor Bulla, who briefly summed up the evidence before the jury, and commented upon the enormity of the offense as being unparalleled in the history of crime; he said he was willing, without further remarks to rest the case exactly where it was.

THE CHARGE OF THE JUDGE was brief and to the point, stating that the duty of the Court was light, as the able counsel on both sides had so well elucidated the entire matter. He would therefore charge them only upon what constituted the crime upon which they were charged; recent decisions of the Supreme Court had given it.

DR. TUTT'S LIVER PILLS.—As a purgative medicine stands unrivalled in their action in all cases of biliousness, indigestion, etc., and does not cause those griping pains that most pills do.

Dr. Tuttle's Hair Dye leaves no ridiculous tints. Dear Sir—I have long been a sufferer of torpor of the Liver and Dyspepsia, and in search of relief have tried almost every medicine recommended for those diseases, but have never derived but the benefit from any of them as I have from your Vegetable Liver Pills.
