This is strictly a HOME LIFE COMPANY. Its Officers and Directors are citizens of

the State, of high character for business capacity, enterprise and probity, It offers Sentinel.

SUBSTANTIAL BENEFIT that Northern Companies do, with the great to build up and toster Home Institutions. Another importan flact to be considered is, that the Wilmington Live has thus far obtained a VERY MUCH LARGER INTEREST

their investments, according to their sworn statements before the commissioner of that These unquestionable facts should commend this company, above all others, to our people. Let it be born in mind that millions of dollars received for Life premiums have been sent North since the war, which at once drains the South and enriches the plethoric capitalists of the North, II there was no other consideration, safety, fairness and encapness being equal, why North Carolimans should INSURE AT HOME.

this were more than sufficient. THE WILMINGTON LIFE

has excellent special features. It places no restriction on Residence or Travel; it makes no extra charge for Femule risks; and its Policies are incontestable after Five Years. Its business is managed economically. Its risks are taken with equal caution. Its investments are made judiciously.

" ECONOMY, PROMPTNESS, FAIRNESS." AGENTS WANTED in every County in the State, with whom the most liberal terms clever representative in Mr. Day. will be made. Apply to James D. BROOKS,

General Supervising Agent, Wilmington, N. C., or, E. W. POU, Local Agent Kaleigh, N. C. Oct21-Daw 6m

This Company has steatily pursued two great practical ends:

FIRST. To place its policies beyond the power of

SECOND. To reduce the actual outlay of its members for their policies to the lowest possible and to retain from each subsequent premium that portion of the previous year's full premium actually proved to be surplus; so

that at no time does the Company take from him a higher actual premium than is needed to carry the risk for the year, and provide the reinsurance fund. It is strictly Mutual. Nothing is diverted to stockholders, and each member has his insurance at its exact cost to the Company. Its rate of expense has been from the beginning less than that of other companies. S. DOUGLAS WAIT, Gen. Agent,

Fish Culture in the South.

WASHINGTON, April 21 .- Prof. Baird. U. S. Commissioner of Fish and Fisheries, has just dispatched Seth Green and four attendants to Augusta. G ... for the purpose of there commincing the work of shad hatching, with a view of restocking the Southern and Western waters. After the season closes at Augus a Mr. Green will proceed northward and continue his labors, successively at Newbern, Weldon, Fredericksburg, Washington and other localities. A portion of the fish hatched out will be placed in the river at each particular station, and others will be transmitted by sail therto adjacent waters both on the Atlantic coast and in the Missis-

sippi valley. The Board of Supervising Steamboat Inspectors are still engaged on a revision of the general rates and expect to complete it by Wednesday.

Arrival of the New Captain-A Cold Greeting, Etc.

HAVANA, April 21 .- The new Can tain General Preltain has arrived. Not a cheer was uttered, not even for Spain, by the immense crowd which witnessed the debarcation. The new Captain General said he hoped he would soon be able to finish the rebellion. His first measure will probably be the ordering of an election of deputies to the Cortes.

New York Financial Market. NEW YORK, April 21st .- The Wall street markets are free of excitement and all apprehension of trouble seems The retreating Modocs killed Eugene to have passed away. The week opens that fellow Woodson. Never mind! warn settlers of the escape of the Mo- Steady prices and improved demand for
