LOCAL BRIEFS.
The hydrophobia panic is about to die out here.

Judge Henry is at the National.
We understand that a number of gardens in this city have recently been despoiled by thieves.

We hear that the work of making temporary repairs upon the Court House will soon commence.

The City Hotel is receiving a new dress of paint and being otherwise renovated for the summer season.

T. H. Hill, Esq., local editor of the Daily Sentinel, had been confined to his bed by sickness for several days.

Though yesterday was a juicy day as far as the weather was concerned, yet in a local point of view it was a dry time.

The performances of a drunken negro on mule-back was the excitement on Fayetteville street, in front of the Court House, yesterday afternoon.

A small white boy, living in the Western Ward, on yesterday morning, came near being seriously injured by a vicious cow which made several attempts to hook him.

The turtle soup at Tommy Harrison's yesterday was the finest we ever ate. Those wishing some of the same sort can get it to-day at 11:30 o'clock at his saloon on Hargett street.

For the millionth time the attention of the police is directed to the dangerous practice which the boys have of hurling stones at each other in the streets. The nuisance should be abated at once.

We received yesterday from our old friend, W. B. Pepper, of Beaufort, a bunch of fine pig-iron, and a mass of tomatoes, the first we have seen this season. Mr. Pepper will please accept our thanks for the same.

A special meeting of Raleigh Hook and Ladder Company No. 1 will be held this (Friday) evening at 8 o'clock, to decide if the Company will accept the invitation of the Rescue Company to visit Fayetteville with them on the coming 4th of July.

Prof. Blair, the horse tamer, who created such a sensation last week in Charlotte, has just arrived in Raleigh. The State papers have noticed the Professor in a way very complimentary, and we advise him to change his habits or change his base.

THE DAILY NEWS.

RUTHERFORD COLLEGE COMMENCEMENT.—The annual commencement of this College took place May 28th. During commencement week, very able and interesting addresses were delivered before the various literary bodies by Hon. W. M. Robbins, Rev. T. Page Ricard, and C. F. McKesson, Esq.

The graduation class was one of very decided promise. The honorary degree of L. L. D., was very judiciously and properly bestowed upon Dr. E. S. Gaillard, Editor of the Richmond and Louisville Medical Journal, and Professor of the Principles and Practice of Medicine in Louisville Medical College. He will be remembered as the able and zealous Medical Director of Gen. J. E. Johnston's army, down to the battle of Seven Pines, where he lost his right arm. Dr. Gaillard stands deservedly high as a teacher of medicine. The degree of A. M., was conferred on Captain C. F. Siler, the scholarly and accomplished Principal of Mt. Vernon Academy in Chatham.

Two hundred and thirty students were in attendance during the past collegiate year, and the vacant Professorships will be filled by competent instructors by the opening of next session.

EDUCATIONAL CONVENTION.—A Convention of the friends of education will be held in the city of Raleigh, on the 9th and 10th days of July, 1873. An effort will be made to secure a free return ticket on all Railroads in the State. The Mayor and Commissioners of the city have offered the use of the Metropolitan Hall for the Convention, and the citizens of Raleigh have tendered their hospitalities, and a cordial welcome to all teachers, examiners and other friends of education to hold their Convention in the city of Raleigh.

The Convention will be organized at 10 a. m. Wednesday. To give time for the thorough discussion of the several topics presented, the papers introducing them should be short, not occupying more than thirty minutes.

M. H. Selby, W. E. Anderson, A. M. McPeeters and J. H. Mills, Committee of Arrangements.

AN EDITOR ATTACKED BY A SIR WILLIAM GOAT.—A DRAWN BATTLE.—Our friend Harrell, of the Henderson Tribune, though a man of spirit and indomitable courage, as well as a successful journalist, is nevertheless a quiet, peaceful and well ordered citizen. He is at peace with all the world, has no animosities towards his fellow man, and no enemies to punish or friends to reward. He can, therefore, retire to his couch at night with a conscience so clear that blisful repose must necessarily follow. But the most placid stream that ever flowed its way through a mountain valley is sometimes ruffled by adverse winds, and in the same manner Brother Harrell could reasonably expect that his life should pass off as a summer's day dream.

A few nights ago, about the hour of 10 o'clock, Brother Harrell, having concluded his labors of the day, left his office in the town of Henderson, to seek that repose necessary for an overtasked mind, in the quietude of his boarding house. Ascending the stair case, he entered his room and, striking a light, observed in the corner, near his bed, what he might term a caprip capripus. The editor being a Good Templar, the goat had the advantage of two horns, which, with the editor's weight, made the chances about even. A lively scuffle ensued for a few moments, when it came to a "roll and tumble" fight. Both came down the steps together, landing about ten feet from the door in the yard. The tumble down the steps aroused the house and all the neighbors around, who came out to see "what was to pay."

After much effort, the combatants were separated and the battle declared to be a "drawn one."

M. V. B. Gilbert, Esq., arrived yesterday afternoon from Montreal, Canada. He is looking well and gives a good account of the reception of delegates by their Canadian fellow craftsmen.

Messrs. Venable and McKay, the counsel for Abner Kelly, convicted a few days ago for Ku-kluxing, made a motion in arrest of judgment on account of gross irregularities in the bill of indictment.

A LITTLE BOY'S EPISTLE TO HIS FATHER.—The following letter was received by a gentleman visiting this city from his little boy in Baltimore, which is so characteristic of little boys that we publish it exactly as it was written:

"Papa, come home. I me got a base ball bat and a ball too. Mama gave me two ten cents—one one day and one the next. One boy has got a ball and one has got a bat but I me got both. I promise Mama to be good for twenty five weeks and would you believe I got a little bit bad that same night but Mama was going to take the bat away and I got good again. Papa, we've got a pussy cat too, and Nellie takes it up by the neck. I take it up right ceph sometimes by the tail. Please come home soon to your little boy."

AN IMPORTANT DECISION.—An important decision to our planting community was rendered in the Federal Court Wednesday evening. We refer to the Guano case, in which a firm known as Merrimon & Co., sold to W. C. Stronach, of this city, 17 tons of a guano, manufactured by them, Stronach in turn selling to one of our prominent farmers. This planter, above spoken of, refused payment on the ground that the guano was entirely worthless. He also had the guano subjected to test to prove its value.

Both Prof. Liebig, of Baltimore, and Prof. Kerr, of this city, decided it to be worthless as a manure. Prof. Kerr finding 68 per cent. of sand in the article. The manufacturers, in the statement of formula used by them, acknowledge to 950 pounds of street dirt, and yet in the face of all this, Mr. Stronach is obliged to pay the claim with interest. We should think this would be sufficient to open the eyes of all to the importance of subscribing at once to the Guano Company to be located in this city, and thus put an end to these swindles practiced on our people.

BIBLE MEETING IN CURRITUCK COUNTY.—A meeting in the interest of the Bible cause was held in Providence Baptist Church, on Indian Ridge, Currituck county, on Sunday, June 8th, at 11 A. M. Religious services were conducted by the Rev. P. A. Strobel, District Superintendent of the American Bible Society; who also addressed the meeting, setting forth the objects of the American Bible Society, and the duty of all Christians to co-operate with it in its great work. It was resolved to organize a Bible Society for Currituck county, and the following gentlemen were chosen officers:

President—Joseph Morgan.
Corresponding Secretary—A. C. De. Treasurer and Depository—H. E. Executive Committee—Dr. Joseph J. Baxter, W. S. Mercer and George Snowden.

This is the first Bible Society ever organized in Currituck county. The friends present seemed much gratified at the result, and have taken hold of the work with much earnestness. The Executive Committee ordered through the Superintendent \$85 worth of books and measures will be taken to supply all the destitute families in the county.

DAVIDSON COLLEGE COMMENCEMENT.—Commencement week at Davidson College begins June 22. At 11 a. m., of that day the Rev. Dr. Irvine, of Augusta, Ga., will preach the Baccalaureate Sermon. At 8 p. m. the Rev. Dr. Craven, of Trinity College, will preach the Missionary Sermon before the Williams' Association.

On Monday the Executive Committee of the Board of Trustees will hold its session, preparatory to the annual meeting of the Board itself on Tuesday. On Wednesday morning the Hon. T. L. Clingman will deliver the annual address before the Philanthropic and Eudemonian, the two literary societies of the College, and in the afternoon Mr. Bravard McDowell will appear as the orator of the Alumni. On Wednesday night the representatives of the two societies will contend for "first honor" in behalf of those whom they represent.

Thursday is graduation day, when the Seniors will engross public attention. Visitors by the North Carolina Railroad can obtain tickets for a trip to Davidson College, during Commencement week, through Salisbury and Statesville or through Charlotte, by paying the usual fare in one direction only.

BIBLE MEETING IN CAMDEN COUNTY.—The Rev. P. A. Strobel, District Superintendent for North Carolina, addressed the citizens of Camden county, Sawyer's Creek Baptist Church on Sunday, June 8th, at 4 P. M.

The county Society was re-organized and the following officers chosen. President—T. B. Boshall. Cor. Secy.—W. W. Morrisette. Treasurer and Depository—J. T. Ethridge.

Executive Committee—G. D. Pritchard, H. W. Scott and C. L. Grandy. The Executive Committee ordered a supply of books for their Depository, which is the first order sent in since the war.

The Camden County Bible Society is one of the oldest in the State, having been organized in June 1818. During the early part of its history it displayed a good deal of activity, as it appears from the records of the parent society that it had sent to the Bible House \$235 in the way of donations, and nearly \$700 from the sale of Bibles.

The first President of the Society was Mr. Enoch Sawyer, who, though living in Camden County, held the office of Collector of Customs for Elizabeth City. Mr. S. was President from 1818 to 1824. During this time the venerable Bishop Asbury visited the counties around Albemarle Sound, and made so favorable an impression that many children were named after the Bishop. This fact being made known to the Bishop, he ordered a box of Bibles from New York, to the care of Mr. Sawyer, with instructions that each of his little naves should receive a copy of the sacred Scriptures as a gift from him.

APPOINTED.—His Excellency, Governor Caldwell, has appointed J. V. McCracken, of Pine Bluff, Arkansas, Commissioner of Deeds for North Carolina in that State.

LUNATIC ARRIVED.—Sheriff McCall, of Caldwell county, brought to the city yesterday, Robt. Miller, Esq., a lunatic from that county, and placed him in the Asylum. Mr. Miller was quite a prominent citizen of that county, and before the war very wealthy. The loss of his property by the sad termination of the war is supposed to be the cause of his lunacy.

M. B. & L. A.—The money on hand having been disposed of in the cancellation of stock, no meeting of the Association will be held to-night. Members can pay their dues to the Secretary at his store, 33 Fayetteville street. Fines will be strictly enforced against delinquents.

CLASSICAL AND MATHEMATICAL SCHOOL.—We invite the attention of parents and guardians to the advertisement of Messrs. T. J. and W. D. Horner of their School at Henderson in this issue of our paper. Pupils entrusted to their training will not only be prepared for College, but fitted for honorable and useful stations in life. These gentlemen are thorough scholars and are in every way fitted for the vocation in which they are engaged.

SPECIAL COURTS.—Governor Caldwell has issued orders for special terms of the Courts of the following counties:

Rowan, commencing on the second Monday in August, Judge Albertson, presiding.
Mecklenburg, commencing on the third Monday in July.

The name of the Judge to hold this last named term will be announced hereafter.

CAPT. BRAIN.—We were pleased to meet in our sanctuary yesterday evening Capt. Jno. C. Brain, who was one of the most distinguished officers in the late C. S. Navy. Capt. Brain is visiting our city in the interest of the "Mull Patent Ice Machine," of which he is the manufacturer and the sole proprietor of the patent for the States of Virginia and North Carolina. By the use of this machine, which has proven itself a success, ice can be delivered in the city at one cent a pound, to say nothing of the advantage of keeping the money at home. We wish the Captain success in his enterprise.

SUPREME COURT.—The Court met yesterday at the usual hour. Justices present. The following cases were argued:

Geo. D. Black, Adm'r, vs. John Dawson et al., New Hanover. W. S. & D. J. Devane for the plaintiff and Robt. Strange for defendants.
Sinclair, Owen & Brown vs. State of North Carolina, Cumberland. J. W. Hunsdale for plaintiffs, and Attorney General Hargrove for the State.

B. A. Greene et al. vs. G. F. Greene, Union. J. H. Wilson for plaintiffs, no counsel for defendant.
Thomas J. Jones vs. Commissioners of Bladen County, B. & T. C. Fuller for plaintiff and T. H. Sutton, N. McKay and Robt. Strange for defendants.

The Court adjourned to meet to-day at 9 a. m. Argument of appeals from the 5th District will be continued.

BINGHAM SCHOOL.—On the 25th prox. this popular school opens its Fall session, and the prospect for a large attendance is most flattering. Notwithstanding the difficulties under which the present session opened, on account of the sickness and subsequent demise of the late Superintendent, Col. Wm. Bingham, it has been one of the most successful sessions in the history of school. The school in point of reputation is behind none in the South, and its present corps of instructors, Maj. Robert Bingham, Superintendent, Major W. B. Lynch and Capt. T. L. Norwood, is a most efficient one, and the gentlemen composing it are finished scholars and teachers of large experience. We wish the school a continuance of the large patronage which it has deservedly enjoyed since its establishment.

UNITED STATES CIRCUIT COURT.—In our report of the proceedings of the Circuit Court Wednesday, we were guilty of the grave error of using the term District Court. We therefore make the necessary apology to the officers:

The entire morning session was consumed in the argument of the case of L. Davis & Co., vs. James W. Schenck, Geo. W. Williams, Eli Murray and Benj. F. Grady, on the civil docket. Messrs. Smith & Strong, and Devane for the plaintiffs, and Col. Robt. Strange and Manger London for the defendants. The Jury returned a verdict for the plaintiffs for \$3,385.88, full amount of debt and damages.

The main points in this case was a suit on the indemnifying bond of the Sheriff of New Hanover county, James W. Schenck, who had executed a levy on one Fishback, who was the agent of Louis Davis & Co., in favor of another mercantile firm. Messrs. Louis Davis & Co., as the owners of Fishback's stock secured not only the amount levied upon by the Sheriff, but also the damages claimed at \$500.

EVENING SESSION.
Messrs. Venable and McKay, the counsel for Abner Kelly, convicted a few days ago for Ku-kluxing, made a motion in arrest of judgment on account of gross irregularities in the bill of indictment.

Mr. Badger, the District Attorney, said: "May it please your Honor, this indictment is not of my own drawing; it came down to me from a former generation."

RADICAL NOMINATING CONVENTION.—The Radicals of this county held a Convention in this city on Tuesday, the 23rd inst., for the purpose of nominating a candidate to fill the vacancy in the delegation from this county in the House of Representatives, occasioned by the resignation of R. C. Badger, Esq. There seems to be quite a scramble among the names for the nomination. We hear the names of T. M. Argo, R. W. Wynne, R. T. Basher, C. L. Harris, M. V. B. Gilbert and James H. Jones, col., prominently mentioned in connection with the nomination. The winning man will be we cannot say, but are inclined to think that the contest will be between Argo and Jones.

ERROR.—The following which we take from the Richmond Enquirer is erroneous in two particulars. First: It was not in the News office that the stabbings case occurred, and secondly, the parties engaged in the stabbings in another office in the city are not seriously injured.

"It seems we can't have a crime in the South but immediately the North imitates us. We had a party in Georgia a week ago, and New York followed suit. Day before yesterday two printers stabbed each other nearly to death in the News office at Raleigh, and Boston offsets this by a stabbings affray between two of the employes of the Herald office. Let this generous rivalry continue until the bloody combat be closed."

SPECIAL CITY ITEMS.
PARTIES desiring Clerks, Salesmen, Travelling Nurses, Seamstresses, Coachmen and General Travelling Servants, can be supplied by applying at Intelligence Office.

A. G. BENNETT, JR., Proprietor.

JOB PRINTING.—We call the attention of merchants, Clerks of Courts, Sheriffs, Lawyers, Railroad officers and Agents, and all others having orders for printing, to the facilities offered at the DAILY NEWS PRINTING ESTABLISHMENT for the prompt and faithful execution of all kinds of Job PRINTING. We can furnish at short notice Cards, Bill-Heads, Letter-Heads, Programs, Ball tickets, Blank, Pamphlets, Hand-Bills, Catalogues, Bills of Fare, Show-Bills, &c., &c. Satisfaction guaranteed.

T. J. HORNER, W. D. HORNER, PRINCIPALS.
Will open the Fall Session on the third MONDAY in July.

The price of Board and Tuition per session of twenty weeks is \$100, without extra charges.

The school is designed not only to prepare young gentlemen for the best stations in life, but to fit them for the various professions of the Law, Medicine, Divinity, &c., &c.

For particulars, address the Principals at Raleigh, N. C., or at the residence of Mr. Henderson, until the school opens, afterwards at Henderson, N. C. jels-wfr

NOON DISPATCHES.

A Crisis in Spanish Affairs—Serious Outbreaks Expected in Madrid.
LONDON, June 12.—A special to the Times, from Madrid, reports that the crisis in the Government of Spain continues, and fears of a serious outbreak in the Capital are entertained. The Cortes remained in secret session most of the day yesterday. During its deliberations a party of armed volunteers surrounded the Palace of the Cortes. A large body of armed police was concentrated at the column of Dos De Mayo, and detachments of troops were posted at other places in the city in anticipation of an outbreak, but their services were not called into execution. The Irreconcilables press only advocate an army reversion. The situation is very difficult.

LONDON, June 12.—A Madrid special sent from that city last evening says that the Irreconcilables are opposed to the formation of a Ministry from the Right. Bodies of armed Irreconcilables and armed partisans of the majority of the Cortes respectively, occupy strategic positions in the city, and a conflict between the opposing factions is feared.

NEW YORK ITEMS.

The Popularity of Stokes—Charges Against the Japanese Minister—Counterfeit Currency, &c., &c.
NEW YORK, June 12.—Fully 15,000 persons have visited Stokes since his confinement in the Tombs. Between two and three hundred called yesterday. The occupants of Murderer's Row continue much elated over the granting of a new trial to Stokes.

Counterfeit currency, of ten cent denomination, was discovered in circulation yesterday. The counterfeit is unusually well engraved and printed. Mori, the Japanese Minister to the United States, according to a letter in the Tribune from Yedda, rests under grave accusations, preferred by his countrymen. His management of funds entrusted to his care is said to be suspiciously loose, and his conduct towards his own government is characterized as perverse willfulness. Mori has been granted leave of absence.
