It is confidently hoped that the friends of a Constitutional Union and civil liberty will be active in the effort to make the Convention the largest and most respectable that ever assembled in the State.

Let the Conservative people in every County of the State, where meetings have not been held, hold meetings at once, pass appropriate resolutions, appoint delegates and see that they attend the Convention .-The condition of public affairs demands the patriotic effort and co-operation of every good citizen, to save the country from impending danger.

By owler of the State Executive Commit R. C. BADGER, Secretary.
