hat after all, we may misunderstand Mr. thin Part. He may mean only to embarto the Radicals. Dut be not hold office miler the Contederary, and did he not take statution of the Louisederate States, and did be not authorise Mr. Doolittle to say that be held office to emburgos, the rebellion t-It bescalld take a solemn oath to support the Confederate government, for the pure-pud propriety, join the Radicals for the purpose of embarrassing them I. Of course term Mr. Semilar John Poot, until his maon to send him to the U.S. Senate. OI | TAIN THEIR RIGHTS.

the great Radical Mass Meeting, which has been be calded for weeks to come off on yesterriber was a most violantique failure. A' procession paradial the streets in the morning, numbering probably two hundred the grees in translate more being seen in the was I Three a little strange. Were they a leased of their negro brethren? Or were their negro brethren so ashamed of them, that they would not permit them a place in the engineed regenment?

The barbecue took place at the Baptist Grove. We are unable to tell what was and or done there. A large number of negra women and children, we understand, were there added to the crowd. They came to get rations. Little field, and Hood (the muco. Convenshumer and preachers who charged \$194.50 for traveling 120 miles, when he should only have charged \$24,) mark speeches -possibly some others. Bad tunce, worse speeches and werser temper previated, and so passed off the great jufalse, which cost the Union Congressional Republican Committee ever so much. A few more such exhibitions would be of invalculable service to the Conservatives.

We understand that in three minutes after the provisions were cut up, there was hardly a grease spot left. Such scrambling and cawing as were seen beggers all descrip tion and many of the darkeys did'nt get a which to their great disgust and disanpositional. They swear they won't vote for folks that don't "perwide" better than

They (colored voters) are counselled to orderly manner, giving offence to no one, LUNGER about the polling places, but to State. militi quietly to their homes and to their customary avocations.

Commanding Officers will give as wide a circulation as possible to this order within the limits of their commands,"-Gen. Canby's Gen, Order No. 61.

"We again advise the colored mee, and all loyal white men, to Meek to the polls in crouds." This is the very thing we want, After they get there we want them to vote. and THEN TO REMAIN as long as they can space the time, and aid in getting others to rate the Regulitican ticket."- Holden's rebel-Badical Standard

Little and Correspondence of the Mobile Big later WHAT IS EXPECTED OF SOUTHERN DELEGATES IN THE DEMOCRATIC NATIONAL CON VENTION - PENTIL BYON AND EME PRESIDENCY.

Washington, April 1. tains of the D morney of the United the wint work the South shall represented by delegates in the National points in learn what are the continuents of the November contest the reference to/Fedwhether, should the Democracy come into private, it would be so the white of the South to struggle as less they could out of the mire of Radical resonaringston, or the Democracy will be swift to some prirous the statute back the whole system of military and African recognitive too as atterly null and void, and of no effect, and at one to renognize the saiding white Constituthe latter to their full toquality into the Union. I must confess that I did not personally need such assurances, for when poli-cy and good faith both point to one course, the result is seldom denotion. But some think that, before Congress adjusting the Democrats in that body will make further Influentially, the Southern: delegates will

have to play a very important part in the July National Convention. Lam sure the teeling of the men of the Bouth is to bear themselves with moderate reticence in that body, upon whose action so much dewill be forced upon them, as to advice upon, if not absolute determination ot, a very important and delicate question. This relates, not to the platform for happily there will not be numanageable diversity of opinion here-but to the choice of the available candidate. General Grant being the opposing candidate; the sordier vote of the late great armies, now restered in every State, will be a large cloment in acttling the result. And the question is, can that be counted on for a Democratic can didate, taken from the wing of the "Penco Democracy?" To take an ext. me case hardly any will be found to deay that it would be extremely hazardous to make Mr Vallanding ham the standard beater, for not only would his peace principles and his copperheadism be vocalized from every It won't do to andertake a million of men who were in arms in that war, even by implication, that they fought and risked life and limb on the wrong side. No one knows this better than Mr. Vallandingham, himself. He felt and patriotically acted upon it at the (August, 1866) Philadelphia Convention, when, to avoid a conflict of opin on, he refrained from pressing his audonto done so, no conscientious Southern man have voted against his right to sit, and set the political effect of an just a vote , wobile have been majortagento at the time ! Mr. V. yielded his rights to the cause of harmony, Mr. Pendleton, of Ohio, will go into the New York Convention with a greater num ber of, and more enthusiastic friends, than high conditions for the Presidential office. Independent in private fortune, be has turned his letter for years past to account in studying the misnep of politics and government, and he stands before the connective a ripe statesment, equal to the duties of the highest offices of statesmenship. Added to this, his obseractor is a man and a gentleman is hifty, unimpeachable and spotless. If he could be operful, say even those who question the expediency of his nomination, he is all that the party could want and the country demand in a Presilent of the Limited States, offer Ifagainst Vallandinghom, it is argued, would be raised in a lower key against lendletor. The liter of this class of Democrats is that the Democratic capitalans raint go up the and her vote with an unstained war record; or Grant will who in a 10 h sold or. States an Illinois and others in the W.s., hich we cannot affer I to lose. And what is a little singular, this class of D morrats look to the Southern influence in the Convention to title the question of expediency and police. cide the question with the and trest coni teranoo, and under the gravest sesponsi-

bilities of a sourt judgment. A submit the case for it diction to our people at home.

Hy own testing about it needs no conceament. While I believe Pendicton is the trained state-man won would best fill the relice, and white he is me, first choice, the fact that the men, who has lately made his make so friendly to freedom, as command r of the Fifth Military-District, was the best figuring corps communder in the Federal army, would not cause me to licitate one instant in giving him my most cordial sup-port. So, too, of President Lahnson, it is caping impractiment, and he should be engible, and by shence tim Democratic should nomicate bim. This is a great question, bevolving architection the district ance and liberty" of ten States, and to be most carefully pondered.

THE "BOY ORATOR."-We had the pileaa lecture from Mr. Josephus Cheaney, to-a lecture from Mr. Josephus Cheaney, the young Kentucky orator, who has just made his advect into North Carollina to allowate the cause of Temperance. Mr. Cheaney, as a young man of fine stillty and aplanting orabrical powers, and comes up fully to the reputation which he has went in other fletch. His discousing of the question of temperance is based solely apon the filtion he proving therefrom that Temperance is a great Christian virtue. He argiment are sound and conclusive, and we don't it that his efforts will breaken a new in-Holfen) tes and carpet buggers beyond the power of resurrection. Reep the ball in mutton.—Norfolk Journal, 1808.

It is reported in the newspapers that there are en. New York gambiling supons for ball.

North Carolina and the essential of the people of brighten of the press. Walking the press. torest in the caper throughout the Scare, an
