WEDNESDAY, MAY 13, 1868

THE PROGRESS OF CRIME.

With pewspaper of this country faithfully daguerrootype the character, condition Afridand origin as well as organized corruption and viciousness, than at present-Nor is this only true of any particular section. North, South, East and West, everywhere, and perhaps in every locality, erime is rampant. It is possible, indeed highly probable, if the newspapers are correct, that erime is more common at the North, where the population is more dense.

circumstance,

in these matters,

revolting, so seriously affects society and stirs the blood of individuals and of the community, that, while it is necessary to the community. That the moints of the community of the community of the community of the community. law shall be vindicated, there is from, and Exorten Views or the South. We call Union, provided you meet them in a spirit mingled with mercy.

believe, been adjudicated by the nulitary, people : and not by the civil arm, where regrees have been concerned, we do not discover the element of mercy in regard to white Against the excitements of politics he warn to fusion, as well as the vindication of the quence he admonished all to resist that deslaw, which seems to us to have been demanded. Look at the following case, which prevails so extensively among the said, to dwell upon; but the fact war, which we take from the Solma (Ala.) Times had suffered terribly in the loss of friends accounts, the two colored brothers had

in the convection of these men. Conceding find in the measures he recommended am- under consideration. A conference of colto all the disposition to do their duty ple and adequate remedies for all the social, ored people connected with the Methodist and to do justly, yet, when we consider that afflict us. They were but the troubles of an with a view to the final organization of a the verdict was palpably against the con-flour, and would, if we were wise, be suc-general conference of the colored preachers of the chiral preachers of the Church in the South, everything which Capt. Polar and his follow-convicts which Capt. Folar and his fellow-convicts hived and where the offence occurred, as A Sixoulan Story.—General Halpine Methodiat Episcopal Church, South, yet distinct from the whites in all their associations. to the actual willing, it does seem to us, that writes to his paper from Washington distinct from the white to the actual willing, it does seem to us, that all was tild me this sporting by a gentions and operations. these unfortunate men have fully stoned for any lawlessness committed by them. There is a deep facility in the hearts of the people of North Carolina, that these men are made not only to atope for a very natural feeling of not only to atope for a very natural feeling of a gent of the new of the new of the new of the people of North Carolina, that these men are made not only to atope for a very natural feeling of the new of th resentment against the author of a great would not permit them to vote for conviction, and if you tion, and begged of him to prepare, in his last he was persuaded that some of the sigar please, for their crime, but that their conviction, and begged of him to prepare, in his last he was persuaded that some of the sigar please, for their crime, but that their convictions and condensed came from a Conservative store. Said used.

munity of an impression that a great wrong fine been done to set sty, by the idea which

electing a class of officers, not only entirely. It will be observed, also, that the House, We have been impressed with the evi- tendencies of universal suffrage of the and otherwise in the State with a fine tooth. The gentlemen referred to were Conservation dences of demoralization and of the loss of blacks, (a thing which he seems never to comb. wirtue, more from the frequency of that foul have tayored, but which he accepts as the

ful, in the investigation of particular incomplishing any thing by an appeal to the
stances of crime, to ascertain the truth, as it
revolutionary party with which he acts stances of crime, to ascertain the truth, as it revolutionary party with which he acts should be. It is had enough, and sufficient. The truth is, that the entire programme of adopted at the Reconstruction Convention. ly prejudicial to society, when easy the the so-called Republican party is revolution. To day the committee appeared before the helinous offences, but we fear that the desire for news, for sensational paragraphs, incipiency, when Garrison and Phillips, with courtesy. Col. Thomas, Chairman of prompts those, who would cater to the Garris Smith and Birney manipulated it. prompts those, who would cater to the Gerrit Smith and Birney manipulated it. Central Executive Committee, remarked morbid and putrid appetite of the public A momentum was given to it, when Sum that in analyzing the propositions of the to hear bad news, to go beyond the truth ner, and Chase, and Seward, and the politic Constitution for South Carolina, there were two objections which stood out in hold re-We have been struck with the avidity every stage that momentum has been in ation power. He argued to show their disastion power. He argued to show their disastrons effects upon both races. The Conhorrid and degrading account of the acducthe government that forced the Southern stitution established taxation without rep tion, by a negro, of a young and interesting daughter of Gen. Mower, lately second in crease the power and velocity of the revolucommand to Gen, Sheridan, at New Orleans, tion, which commenced in New England be raised in the way of taxes, \$1,000,000 of and of the feeling and exasperation excited, forty years ago, and which has not yet which is for educational purposes, and yet and of the subsequent killing of the negrowe did not publish it, because we doubted
its truth, and, moreover, because we are not
disposed to contribute, in any way, to the
tion, as it was before the war. It was begun
