### THE RADICAL ORGAN'S ADVICE TO RADICAL CANVASSERS.

Here is the advice given by the Raleigh Standard to the canvassers of its party in North Carolina. Here is the PEACE to which we are invited by the election of GRANT and COLVER. Here are the processes requiring Holden's six thousand DETAILED MILITIA. Here or NORTH CAROLINA, read this letter to your mother, your wife and your daughters, and learn the purposes of the cowardly adventurers who are now governing your State. **Save the Standard!**

"BUT WHEREVER ELSE YOU WORK, DON'T FORGET TO WORK AMONG THE WOMEN. THE COVENANTERS ARE NOT THE ONLY PEOPLE WHO ARE IN HABITUAL TROUBLE. THIS GOOD REBEL MAY BE IN NORTH CAROLINA, BUT HE IS NOT THE ONLY ONE WHO IS IN TROUBLE. THESE WOMEN ARE THE WIVES OF GRANT AND COLVER'S MEN. THEY ARE THE WIVES OF THE RADICALS. THEY ARE THE WIVES OF THE WESTERN CONFEDERACY. THEY ARE THE WIVES OF THE MOST LOYAL CHEATERS IMAGINABLE. DOUGLAW AND GARDNER-SMITH DON'T WANT THEM. THEY SAY CANTON IS THE STATE TO LOOK AFTER THE WOMEN. THEY ARE NOT GOING TO DO IT. THEY ARE NOT GOING TO DO IT."

These women have no friends. They are the wives of men who are not worthy of mother, wife or daughter! In view and remember that their infant suggestion comes from the *radical organ of the Radical cause*, the *Radical organ of the Radical cause*.

These women are some of the fruits of a few months Radical rule in our good old State?

Will you not rise in your majesty and might, on the 3d day of November, to REBUKE this party, and put the stamp of indignant repudiation upon it? We believe that you will. We tell you that it is barely secondary in importance to the election of SEYMOUR and BLAIR, that you should show these men in North Carolina, at the ballot box, and "told Uncle Tom," at banks!

A young man, Hilditch, went to Pleasant Grove, a short time ago, to offer his services to the party. He said, "I want to be a member of the Democratic party, but I am not a member of the Radical party, and I do not belong to either." He said, "I am not a member of the Radical party, but I am not a member of the Democratic party, and I do not belong to either." This is a fact. And when he said, "I am not a member of the Radical party, but I am not a member of the Democratic party, and I do not belong to either." This is a fact.

GEN. McCLELLAN has arrived in New York from Europe. At the urgent solicitation of the McMechan Legion, he has acquiesced in their wish to don horne, and a grand demonstration of reception will take place in a few days. The members of the Legion will be dressed in uniform, blue blouse and pantaloons, white McClellan cap, and every man will bear a torch.

It is expected that Gen. McClellan will make a few speeches in Pennsylvania before the election.

The ELECTORATE—it is understood that the poll-holders in the State will be instructed to have but one box for the triflty-two Proatorial & E. F. Morris, members of Congress and to fill the vacancies of members of the Legislature. The arrangement is an unwise departure from the old plan, which was originated by Gen. Curtis. It seriously interferes with the independent choice of the people, and opens the door of deception and fraud.

WRITS OF ELECTION.—We learn that Gov. Holden has issued the necessary writs, directing an election to be held in Sampson County, on the 3d of November, for a member of the House of Representatives, viz. Nellie S. Stewart, Esq., declared ineligible, and, on the same day, in the Senatorial District of Cumberland, Hanover and Sampson, for a Senator, viz. L. D. Hall, deceased.

THE ASSASSINATION OF GEN. HICKMAN.—A short dispatch in regard to the death of Gen. C. H. Hickman states that he was assassinated on Sunday night, at his residence in Helena, Arkansas, while sitting in the midst of his family, smoking. He is left hand, which held the pipe, was carried away by a charge of buckshot, two of which entered his neck, inflicting a wound from which he died eight hours afterwards. It is believed that he was assassinated by a political enemy—probably a "Union League."

THE AWFUL SOUTH AMERICAN CALAMITY.—By the steamer Alaska, at New York from Aspinwall, additional details of the terrible scenes during the late earthquake are received. In Ecuador alone, it is now stated, the *list of killed amounts* to forty thousand. In Peru the dead are yet hid under the ruins of houses in many instances, and a streak infects the air which it is thought will produce a pestilence. A band of robbers are roaming through the mountains, robbing every one who has anything left.

There have been forty withdrawals from the treasuries of U. S. A., in Rutherford, within a week, and over one hundred within the last three weeks. Hurrah for S. J. Blair and the Constitution!

Our English, it is said, obtained leave of absence for three months from his post as minister to Chile, "to attend to imperative affairs." He has come home and gone into politics!—making Radical stamp speeches.

him and his mongrel party in politics, and he has persistently set up to that proscriptive legislation!

3. The Legislature and the Executive, together—the former at the last session of the "Governor"—having set on foot a plan for organizing a RADICAL ARMY, which in the nature of the case, must be a final arm to defend the State in its efforts to stop the rebellion of the South, and, doubtless, to resist it, if ever it returns to the purity of the constitution. This would cost a great amount of money. The negroes, too, have exacted a poll-tax, and that gives us a strong tie to the School fund, and to the education of our own children. We have already sufficiently outlined this outrage upon liberty and the people of the State. It need only to add, in addition, that this "Governor," to carry out this Radical scheme of War and Invasion, has appointed a carpet-bag Adjutant General, carpet-bag Major General, and carpet-bag Colonels by the score, men who have had no sympathy or interest in the Union under the Constitution.
