PRESENT.—We had the pleasure of a yesterday, from our friend, M. J. Esq., of the Fayetteville *Eagle* gratified to learn that his valuable is flourishing.

WE RETURN our thanks to Mr. Jerome for an invitation to a private his new painting, "Home, Sweet companion picture to "The Old at the parlors of the Fifth Art Gallery, corner Fourteenth New York, on the evening of Octo-

DECORATION AT DURHAM'S.—The Radicals Durham's on Saturday Every effort was made to get a large in order to offset the effect of the Democratic demonstrations at that Only about forty or fifty negroes were present,—no white men, except a few tubes. The Democrats have left no stone unturned, and, unless the grossest frauds are perpetrated upon the people, have no fear of the result. All that is consistent with a great triumph in Ohio, will be chalked out. So good news from the Buckeye State.

The New York *World*, of the 3d instant, says:

"Mr. S. M. McCord, of Springfield, Ohio, called at the *World* office, and two days ago, in conversation with General George M. Morgan, was informed by the latter that in his opinion (and a most judicious observer is the General) Ohio was certain to go Dem ocratic on the 13th. He also stated that the majority will be greatly increased in November; that Indiana indicates the same way. Mr. McCord feels assured of the defeat of Ashley, Schenck, Bingham, and of the obscure Radical running in Mr. Shellabarger's district, in fact, that out of nineteen Congressmen the Democracy will elect fifteen."

A Dispatch from Columbus, Ohio, says: "Republicans in the Third District are beginning to consider that Wadsworth will beat Schenck."

OTHER STATES.

From Indiana, Missouri, Wisconsin and Western Virginia the accounts are cheering. The election of Gov. Hendricks, in Indiana, is claimed with confidence.

An exchange says: "The Radicals give up Missouri. The Registers swear everybody who take the oath, and the Democrats register more votes this year than ever before. The Radicals are incensed because the Registers do their duty. The Hannibal *Courier* (Radical) gives up the State to the Democrats by 20,000."

The *National Intelligencer*, of the 1st inst., speaking of Gen. Blair, says: "General Blair spent yesterday at Silver Springs, on a visit to his parents, and passed through this city last evening on his way to Bedford, Penn., where he speaks to-day. General Blair is fresh from the canvass in Ohio, Indiana, and Pennsylvania, of which he gives the most gratifying accounts. The enthusiasm, energy and determination of the Democracy are aroused to the very highest pitch, while their opponents, conscious, many of them, in their hearts, that the policy of their Congress has been harsh, cruel, and violent, have little heart in a cause which proposes to obstinate this policy. From these and other reasons General Blair entertains the strongest confidence of a brilliant victory for the Conservatives. The General looks well, and will probably continue to address the people during the remainder of the canvass."

THE SUMAC TRADE.—There is scarcely anything that is so valuable, to be found in North Carolina, which grows more abundantly and spontaneously, than the Sumac. It can be obtained almost anywhere, on old lands, in the locks of the fences, and on hedge rows, just for the gathering.

The leaves of Sumac enter largely into trade, and it is growing. This is the season for gathering the leaves. The American Sumac contains a larger amount of *tannin* than any other, which is the source of its value. Whether the *berries* are valuable, we are not now prepared to say. If they are as valuable as the leaves, they can be obtained in large quantities. The leaves sell in Liverpool at about $75 per ton.

An unknown friend has called our attention to this subject. If he is in possession of any facts, which will be valuable to our people, on the subject of the Sumac, we shall be obliged to him for the information.

THE Mass meeting at Salisbury, to-morrow, will be a most imposing affair. We hope that some friend will furnish us an account of it.

ONE of the largest Mass Meetings of the campaign is to be held at Newton, on Friday, Oct. 30th.

GRAND Mass Meeting and Barbecue at Statesville, on Thursday, Oct. 29th.

THE SOLDIERS IN PHILADELPHIA.—The *National Intelligencer* says: that the Philadelphia demonstration has been simply what is universally called a "humbug." It would seem so. The small number of letters received from military men was not at all encouraging to the Radicals. Perpont was one of the speakers.

HERE'S YOUR FREEDOM!—A correspondent of the New York *Herald*, writing from Nashville, Tenn., gives an account of a recent Radical celebration in that city. He says:

"There were in the procession fully one thousand colored men, nearly every one of whom had been so plentifully supplied with whiskey that he could hardly see which was the lightest end of his torch. They marched by twos through the principal streets, and amused themselves by yelling and screeching as though every brain in existence had fallen victim to the bottle. Whenever a colored man was met who was known to be adverse to the Radicals, and who was unfortunate enough to be without Loyalty protection, he was at once pelted with burnt-out torches and made to flutter his very life. They met a man one colored man whom they met in Vine Street, on down back, and on the man opposite that he was a Conservative, threw torches in his face and placed several under the horse, all of which frightened the animal so much that he reared and plunged, and would probably have thrown his rider to the ground had not the latter succeeded in getting his feet out of the stirrups and jumping off. The negro landed on his head, and was picked up senseless. He was taken to the hospital, where it was found that his skull was fractured, and he died in a few hours afterwards. The murderer escaped."

DEMOCRATIC MEETING IN CHAPEL HILL.

The Seymour and Blair Club of this place met at Union Hall, on the evening of the 2d October, when,

On motion, the following preamble and resolutions were unanimously adopted:

WHEREAS, An article recently appeared in the Raleigh *Standard*, the organ of the Radical party in this State, supposed to be [illegible] Governor, at Graham, now in office, Holden, acting Governor, and W. M. Coleman, Attorney General, making a wholesale charge of impurity, corruption and prostitution in the grossest and most obscene language against the women of North Carolina. Now, therefore, be it

Resolved, By the Seymour and Blair Club of Chatham, That we denounce the said charge as false and monstrous beyond any thing known in the history of calumny. That it is a disgrace to civilization, an outrage upon the common decencies of life, a slander so foul, comprehensive and maddening that it shocks the moral sense of every decent man, white or black, wherever it may be known.

Resolved, 2d. That we execrate and despise as authors, sympathizers and [illegible] as wretches too vile and abandoned to be worthy the association of any man or woman who respects the sanctities of life or the refinements of civilization; and we therefore earnestly urge upon our noble countrymen to refuse their society and association, not only as to the authors of this slander, who never had admittance into decent circles in this State, but to all who approve or sustain with their patronage, countenance or support; this vile slur which emits such damning brand upon their purity and fair fame; holding, as we do, that those who sustain and defend a black guard and a liar, are responsible for his words and acts.

Resolved, further, That we recommend the decent citizens of North Carolina, of whatever party or color, to denounce such conduct, by indignation meetings or otherwise.

The meeting of the Club was stimulated by speeches from Gov. Z. B. Vance, Col. H. C. Jones, and Col. E. A. Osborne.

On motion of Wm Boyd, Esq., it was resolved that the Raleigh *Sentinel* and the Charlotte city papers be furnished by the Secretary of this Club with the proceedings of this meeting, and every paper in the State approving the resolutions to copy.

Boon Hill All Right!

BOON HILL, JOHNSTON Co., Sept. 29.

On Saturday evening last, 26th inst., according to previous announcement, quite a number of the citizens of Boon Hill District assembled at Boon Hill, Johnston county, for the purpose of hearing an address from Dr. Roscoe Hooker, on the issues of the day, and to organize a Seymour and Blair Club.

Dr. Hay, who has assumed to be one of the leaders of Radicalism in this District, for some time past, hearing of the appointment, and becoming uneasy as to the results, came up to look after the interest of his party.

Dr. Hooker had not proceeded far in his address, before (being continually and unceremoniously interrupted by Dr. Hay, he changed his original plan, and entered into a regular "pitched battle" or discussion with Dr. Hay, which, it is needless to say, resulted in Hay and his party, and their principles, being *"worn out to a frazzle."* It was the general opinion that Hay had "caught his Tartar," and that he would return to Goldsboro "a sadder but a wiser man."

It was very evident, that much good was done for the cause of Democracy, and our afflicted country. This District, it is almost confidently believed, by those who are competent to judge, will be all right in the coming Presidential election.

At the close of the discussion, a Seymour and Blair Club was organized, of which Dr. Hooker was chosen President.

Yours, &c.,
SPECTATOR.

THE BEST REMEDY.—The people, irrespective of party, are holding indignation meetings all over the State, to rebuke the infamous attack of the *Standard* upon the women of the State, which appeared recently in that sheet. The best way to rebuke the insult will be, on the 3rd. of November, for all the men of the State to vote for Seymour and Blair. Rebuke the party rebuke the Head! The tail is a small matter.—*Statesville American.*

THE GRANDEST Political Demonstration of THE AGE!

GEN. McCLELLAN SPEAKS.

HALF A MILLION PEOPLE PRESENT!!

NEW YORK, Oct 6 M.

The meeting, last night, was the greatest ever held in this City. An experienced Police Captain estimated that there were NINETY THOUSAND persons in the torch light procession, which was joined by delegations from the adjoining counties extended ten miles.

The scene in Union Square was grand. The main stand represented the "Temple of Liberty," and was brilliantly illuminated by strings of lights, which stretched to Tammany Hall. The streets in the vicinity opened literally on fire with calcium lights, fire paintings and rockets. The main stand facing Broadway was the centre of attraction, outside of Tammany Hall, although there were six other stands, at which speeches were made to an immense throng, roughly estimated at HALF A MILLION of men, women and children. The crowd stretched compactly down Broadway to Eleventh streets, while the cross streets were alive with citizens.

Gen. Sully Smith who President. He said the procession had the best thousands of soldiers, who thought that the results of the war would be lost, without an entire change of policy.

A letter from Gen. McClellan was read, emphatically endorsing the Democratic candidates.

ASSURANCES OF DEMOCRATIC SUCCESS IN PENNSYLVANIA AND OHIO.

WASHINGTON, Oct. 5, P. M.

Hon. Montgomery Blair has just returned here from an extended trip to Pennsylvania and Ohio, and expresses the most sanguine expectations of an overwhelming Democratic victory in those States in the October elections.

A letter just received from Gen. Tom Ewing of Columbus, Ohio, expresses the opinion that the Democrats will carry that State.

FROM WASHINGTON.

WASHINGTON, Oct. 6, P. M.

Mr. Seward recognizes, and will continue to recognize, the present representative of Spain, until Spain names a successor.

Sibley telegraphs from Atlanta that the Camilla report will be mailed to-morrow. Many parties proclaim that there has been juggling.

FROM RICHMOND.

RICHMOND, Oct. 6, P. M.

To-day, a forty negro penitentiary convicts, hired out to work on the Chesapeake and Ohio Railroad, were going on the Central Railroad to Covington, they overpowered the guard, four miles from Covington, and leaped four leaped off, while the train was going full speed. Two were instantly killed by the leap, and three mortally wounded. The rest of those who leaped off escaped.

Hon. Jno. Quincy Adams, of Massachusetts, arrived here to-day, on his way to Georgia, to address the people.

LET US HAVE PEACE!—ARMING NEGROES.

MEMPHIS, Oct. 6, P. M.

Four thousand stands of arms have arrived here, consigned to Little Rock. It is supposed that they are to arm the negroes. No Steamboat would take them as freight to Little Rock, on any terms.

FROM GEORGIA—THE LEGISLATURE ADJOURNED.

ATLANTA, Oct. 6, P. M.

The House Committee to examine into the eligibility of Beard, Belcher and Davis, reported that they, after full investigation, found Beard to have in his veins more than one eighth of negro blood. The report was adopted; whereupon a resolution was offered, that Beard be declared ineligible to a seat,—which was adopted.

After passing bills of local interest only, the General Assembly adjourned. The Speaker of the House said:

"We met as strangers personally,—politically, our feelings were fully embittered by the extraordinary teachings of those who should have known better. We separate to-day, almost as one people in sentiment and common interest. Listen not to the teachings of political slander. *This is our Government.* Let us correct evils that may exist, by appealing to intelligence and wisdom of the nation, not to passions of the mob. Let our motto be: Wisdom, Justice and Moderation—and all will be well."

The Assembly will reassemble in January. The members separate with fraternal feelings towards each other.

Good News from the Mountains!

LENOIR, N. C., Oct. 2, 1868.

MESSRS. EDITORS:—To-day we had splendid efforts from Capt. Durham and Col. McAfee. They held the large crowd almost spell-bound for four hours.

Col. McAfee is winning golden opinions as Elector in this District. His exposé of the *extravagance* of the Radical party is a complete success. At the conclusion of his speech, a citizen remarked: "*Great God! this miserable party is much worse than I thought it was!*"

Capt. Plato Durham is too well known to require commendation from your correspondent. He is making a bold, vigorous and effective canvass. His opponent, A. H. Jones, refuses to "face the music" in open debate, but *seeks the rear*, and, I am told, follows the Radical policy of working on its miserable dupes in the *dark*, and in the *secluded corners* of the county, far from the *lights of forbid by reading and discussion.*

We look confident of the election of Durham and Boone. We will gain largely in Caldwell County.

Our people are active and zealous. Push on the good work! Yours, M.

THE TRUSTEES OF THIS WELL KNOWN Institution have completed its organization by creating and adding to the Literary, Law and Theological Departments, a MEDICAL SCHOOL, and electing a Faculty whose members have accepted their respective chairs. For obvious reasons, the exercises of the Medical School will be conducted at Nashville, instead of Lebanon.

The Faculty will consist of

DANIEL DEVOR, M. D., Professor of Anatomy.
N. P. COWLES, M. D., Professor of Chemistry and Mineralogy.
THOS. MADDIN, M. D., Professor of Materia Medica and Therapeutics.
E. S. GAILLARD, M. D., Professor of Physiology and Pathology.
J. D. PLUNKETT, M. D., Professor of Surgical Anatomy.
SAML. H. STOUT, M. D., Professor of Obstetrics and Diseases of Women and Children.

R. B. MAYFIELD, M. D., Professor of Clinical Medicine.
PAUL F. EVE, M. D., Professor of Surgery.
