WM. E. PELL, PROPRIETOR.

SWIFT CREEK MASS MEETING. We remarked, on yesterday, that the Muss Meeting and Barbetue at Martin Jones, on out the instructions contained in the 'Cir Saturday, gotten up under the auspices of the carnest and patriotic men of the Swift Creek Seymour and Blair Club, was a glorious affair. It was so, in every respect, and our triands of Smitt Cronk deserve nit pening for the completeness of their arrangements and the spirit and efficiency with which they were carried out. We should estimate the growd present on the occasion at between eight and nine hundred-of which number over two hundred were ladies.

At an early hour, the Panther Branch Club arrived, and was welcomed, in a spirited manner, by that gallant young Demoerat, Col. L. D. Stephenson, who was very handsomely replied to by Dr. A. E. Smith S. on after, the Buckhorn Club reached the ground, and were welcomed, fir a chaste and well conceived address, by Capt. Wm. E. Pierce. On the part of the Club, Wm. B. Jones, Esq., happily acknowledged the reception. And yet again, the Middle Creek Club a me dashing up, and were very felica tously received by N. J. Whitaker, Esq. wno was replied to, in a hearty, earnest manner, by G. H. Alford, Esq. Each delegation was accompanied by a number of ladies in carriages.

The first speech, and it has never been our good fortune to hear a more powerful and masterly effort, - was made by the Hon. Thomas Bragg. For nearly two hours, he exposition of Radicalism, in all its phases, others. State and National, and occasional thrilling bursts of eloquence.

Maj G. H. Wilder, in his practical, earnest way, next addressed the people. His remarks were forcible, pointed and wellreceived.

After dinner, M. A. Biedsoe, E q., spoke in his usual vigorous, trenchant and stirring style, dealing terrible blows upon the mougrels. His remarks were received with great

enthusiasm. Seaton Gales, E q., followed, in an invocation to duty, - active, unremitting exertion, -on the part of the good and true men who were present,

Stephen Rand (c slored) next made a sensible and teiling speech to the men of his own color present.

Three hearty cheers for Seymour, Blair and Rogers alosed the enjoyment and exercises of the day.

SLAYERY KESTORED!

The paper which wages war on the virtue of Southern women paraded a device, on yesterday, which heads the Radical ticket. It is a cut of a Cotton-screw, with negroes (hard-looking carrestures of Cuffer, at. that.) "toting" up baskets of cotton, white an overseer looks on to see the work will done. Fie, Woman Insulter; this is suggestive of the days of slavery, which you are in the halut of "thanking God" are gone forever.

BRAST BUTCHE OUTDONN !- The question and destardly: Beast Butler's infamous General Order No. 10, issued when he was in New Orieans, or the libel of the Radical organ on the ladies of North Carolina and of the South ! We answer unbesitatingly that Beast Butler was beaten for once; and that the Radical organ in this State reached. in this matter, a depth of depravity, which would make even the Beast blush!

"Tens of thousands of men in this State, who were true to the Union during the darkest days of the war, have since declared that they never will vote for a seessaronist.

Then those of them, who voted for Holden, and who will now vote for Badham and Bu us Ba rioger, as Electors, have done, will do, so, with a falsehood on their lips. Holden was the first man in North Carolina, who advocated the doctrine of secession publicly, as the Standard files will show. The statement that Ston H. Rogers was a secessionist, the people of Wake know

to be a lie.

The whole question is brought down to this clear point: shall we use our money to pay our debts, relieve the tax payer, make our money good in the hand of the laborer or pensioner, and help the hondholder; or shall we use it to keep up military despotism, feed idle negroes, break down the judicia ry, shackle the executive, and destroy all constitutional rights ? -- Ibid.

POWER.

It has been the minfortune of the Republican party that the events of the past few years have given it so much power that it has been able to shackle the executive, to trammel the judiciary, and to carry out the views of the most unwise and violent of its members. When this stime of things exists in any party it has ever been found that the sober judgmen's of its ablest leaders do not control. There is hardly an able man who helped to build up the Republican organization, who has not within the past three years, warned it, against its excesses, who has not been borne down and forced to give up his convictions of what the interests of the country called for, or, if too patriotic to do this, who has not been driven from its ranks.-Letter governing Presidential nomination, August 4th, 1868.
