NEW ADVERTISEMENTS — Improve your sight—embrace this opportunity to consult Dr. Rosentrans, Yarboro House.

Valuable Mills and Real Estate for sale: E M. Stevenson.

Blind Mule Wanted: First door East of *Sentinel* office.

FOUND.—A note of hand, drawn by John G Clark, in favor of Jonathan Walker, and assigned to David Walker, for one hundred dollars, bearing date 11th Dec., 1867 The note has been left with us, awaiting the orders of Jonathan Walker.

CATHOLIC CHURCH.—We are requested to announce to our Catholic friends that there will be Mass in their Church to-morrow at 10½ A. M.—Father H. P. Northrup, the pastor, officiating.

THE North Carolina Land Company of this city, effected a sale of land, in the Eastern part of the State, yesterday, for the snug sum of $30,000. This land has been in the market for twenty years. The sale was made to a Northern gentleman. This Company is, we are glad to say, doing a heavy business in the sale of real estate.

ANOTHER ROBBERY.—Some unknown villain, or villains, invaded the premises of Mr. A. G. Jones, of this County, on Thursday night last, and took a fine horse. Not content with their booty, they broke into his smoke-house and carried off about 300 lbs. bacon. The horse has been recovered. He was found in the vicinity of this city, leisurely feeding by the wayside.

We learn that a few days since as one of the leading members of the Legislature was coming down Fayetteville Street just after the adjournment, and meeting a lady of his acquaintance he gallantly lifted his hat to salute her when, horror of horrors, out rolled a sand box, an ink stand, three balls of tape, two boxes of *steel* pens, and other petty larceny articles too numerous to mention!" Of course, mortification set in at once, and the lady passed with her hand kerchief to her mouth, and her face crimson with suppressed laughter.—*Greensboro' Topic (Rad)*

The above is an out-and-out charge, from Radical quarters, of theft; and it is due the Legislature that the matter should be investigated. The character of the hands is suffering. They have been called, according to Senator Wynne, "a nest of buzzards." Now, one of their number, at least, is charged with the petty larceny of stationery. Let a Joint Committee of investigation be appointed, forthwith. Justice to the Secretary of State demands it. He has been required to give an account of his stewardship, and Senator Wynne says, for himself, that *he* has not used four dollars worth of stationery.

HURRAH FOR THE LADIES!—Our brother of the Morganton *Press*, is responsible for the following. It is suggestive; and we call the special attention of Representative Vest to it:

"We are informed that there is quite a spunky specimen of the "female kind," living in a section of the country not a thousand miles from here. Her husband being in debt, and not having the "where-with" to pay up, three officers went to his house to obtain possession of property for the satisfaction of said debt. On their arrival at the home they found the "head of the family," but his wife was absent. They having examined the premises, concluded to take an old horse, and accordingly started off with him. When they had gone about a mile they met the "better half," who at once recognized the horse, claimed it as her own property, and demanded its delivery into her keeping. This gentle request was of course refused, and the "better half" finding entreaties were in vain concluded to try what virtue there was in stones. Accordingly she pulled off her bonnet and shawl, and let into the officers with a "vim," using stones, sticks, and anything else she could lay her hands on with such good will that they were compelled to relinquish their prize and fly to the woods for safety. The woman then jumped astride her "animule" and rode triumphantly home, exclaiming, as she alighted, that she could whip a regiment of such men!

THE CABINET SLATE.—The following "slate" for the Cabinet comes from a source regarded as worthy of an unusual degree of credit. As it is, the slate may be given as the guess of an individual who has means of being well informed, and who, by the process of putting this and that together, may have hit the thing exactly:

For Secretary of State.—Charles Francis Adams.

Secretary of the Treasury.—Senator Morton.

Secretary of War.—John M. Schofield.

Secretary of the Navy.—D. D. Porter.

Secretary of the Interior.—Benjamin F. Wade.

Attorney General.—William M. Evarts.

Postmaster General.—James F. Wilson, of Iowa.

FIRE.—Last night the rear of the building on Grace, between First and Poushee streets, occupied by Colonel D. Lee Powell as a boarding school, caught from the kitchen and was partially consumed. Some of the furniture was burned and a portion injured by the water. The loss is variously estimated. The Rev. Mr. Earle was preaching at the Third Baptist Church near by, when the alarm was given, and several of the congregation were seriously injured in endeavoring to get out.—*Richmond Whig.*

STATE ITEMS.

ROGUERY.—Miss Fanny Thompson, an aged maiden lady just outside of town—was administered upon last Friday night by some scoundrels who stole all the meat, chickens, eggs, flour and lard, and left her hardly anything but her bedding and furniture.

Sidney D. Strayhorn lost his axe, last Saturday; Col. McCauley recovered it.—Can't fool McCauley.

T. D Tinnin, Grocer of this town was relieved of a bolt of cloth 40 yards, valued at 65 cents per yard, last Saturday evening while he was engaged drawing molasses in his back room.—*Hillsboro Recorder.*

A WOMAN HANGS HERSELF.—Delila Davis, residing in "Scullion" P's basement, buried the troubles and cares of life on last Saturday night by fastening a skein of yarn to her neck and hanging herself. Delila smoked her pipe about bed time, and lounged on the bed until her sisters that lived with her went to sleep—awaking in the morning there was Delila hanging by the neck to the joice in the room. Supposed demented.—*Milton Chronicle.*

SLIGHT FIRE.—Yesterday afternoon a number of barrels of rosin, lying on the wharf opposite to the store lately occupied by Edwards & Smith, caught fire from the sparks emitted from the smoke stack of the steamer *Halcyon*. Through the prompt and vigorous exertions of a few young gentlemen standing near by, the fire was extinguished ere it did much damage. Had the flames once gained an ascendancy, they would, in all probability, have communicated to the viernal buildings and attempts to quell them would have proved futile, so high was the wind.—*Wil. Star.*

CORRECTION.—The following, as received verbally from Mr. Lego appeared in our paper yesterday: "Born at Dover N. C., Feb 15th a daughter to F. W. Lego."—Later in the day Mr. Lego called upon us, and desired a correction to be made—informing us that there was also a son born at the same time, and that both twins, and mother, are doing well. We cheerfully make the correction, and wish him much success.—*Newbern Times*

A DEAD DOG.—At the approach of the engine, "Gov. Holden," last Thursday with the Governor and his friends aboard—a foolish dog ran out upon the track and there stood in bold defiance. The friends of Gov. Holden upon the engine did not dismay him; he barked—and the resounding bills sent back the fierce echo. The engine rolled on; the flying flags flapped "Columbia forever," the breakman shouted "epluribus unum;" but still that dog stood fast, nor did he move until the spots were mashed out of his lifeless form in place as bigger than a duck pond.—*Hillsboro' Recorder.*

THE NEW COUNTY.—A new bill is now before the Legislature praying for the formation of a new county to be composed of portions of Edgecombe, Nash and Wilson, with Rocky Mount as the county seat. It is proposed to take from Edgecombe one of the richest sections of her territory, running seven miles from Rocky Mount in the direction of Tarboro and thence North and South parallel with the Wilmington & Weldon Railroad. To this proposition the *people* of Edgecombe can never willingly consent, and while they are willing to accord all just advantages to the citizens of Rocky Mount (for whose especial benefit the new county is to be formed) they can never agree to surrender what all must concede to be the finest region in our county.

The proposition is universally condemned in all localities except those immediately concerned, and even there by many of the most influential and leading citizens, as from none can we hear any plausible or just reason for the proposed change.

But in order to prevent any action by the General Assembly it is necessary to send up a counter memorial from the people of the county showing what are their true sentiments on this question, and to the importance of this matter we call public attention. But few in the county have heard anything of it and it is now necessary that some decided action should be taken. Let our public men take the matter in hand and quash the whole thing, which can be easily done. We shall have more to say about it hereafter.—*Tarboro Southerner.*

THEY ARE COMING.—We learn that that valuable real estate, known as "The Rowan Mills Place," formerly the property of O G Ford, Esq., has been purchased by Mr S. F. Clark, of Alleghany county, Md., who intends to settle on the same. We have the pleasure of Mr. Clarke' acquaintance and know him to be a very intelligent and enterprising gentleman. We welcome him to our State and our country with great pleasure, and sincerely hope that he will be followed by many more such.—*Old North State.*

THE MILTON CHRONICLE.—C. N. B Evans, Esq., Editor. The *Chronicle* commences a new volume, and we are pleased to hear our friend Evans speak hopefully of its future. The Editor, after speaking of his residence in Danville, as editor of the *Times*, for two years, he speaks of his return to Milton, thus:

"We returned here *minus* a subscription list—save a few names that had been tendered us after we quit the *Times*. With these we resumed the publication of the *Chronicle*—and, thank God, we are to day prepared to show subscription lists with any paper published in the up-country. Although but a year has elapsed, our list almost equals the largest list we ever had "under the *old* dispensation," and, if God spares us, we expect to exceed it by several hundred, another year. Nearly all of our old patrons have returned to us, [and may God abundantly bless them!] while we have booked many who were never subscribers before.

The *Chronicle* may now be regarded an established institution. Its foundation, to-day, may be said to stand upon a rock, 'used up' by the war—and completely 'cut out' of business by the force of circumstances in Danville, beyond our control, we returned here to try the experiment of re-establishing the *Chronicle*, and we have succeeded far beyond our expectations.—Again we begin to 'feel at home,' and there's no question but that we sleep in the United States!"

The *Chronicle* is a fearless, open, free-spoken Conservative journal, edited with ability, and deserves an extended patronage. We cheerfully recommend it to our readers. Terms, $3 per annum.

KING OF SPAIN.—The cable announces that Don Ferdinand, father of the King of Portugal, has consented to be a candidate for the Spanish throne. This is one of the Coburgs—a wise and prudent man, very fond of Art, and devoted to his gallery of fine paintings. Heretofore he steadily refused to have anything to do with Spanish affairs—preferring the pictures to a throne, and taking great pleasure in lugging about the streets of Lisbon and cracking jokes with all comers. His change of purpose indicates his election—and a union in the future between Spain and Portugal under the same government. This would perhaps be the best solution of the Spanish difficulty.

RAILROAD MEETING IN BEAUFORT.

At a meeting of the citizens of Beaufort country, held at the Court House, in Washington, on Saturday, the 6th of Feb. 1869, to express their sentiments in regard to the construction of the proposed Railroad through this town,

On motion, James J. Whitehurst was called to the Chair, and E. S. Hoyt was appointed Secretary.

The object of the meeting was briefly stated by the Chairman, when Col. Carrow being called upon, responded, and in a few pertinent remarks more fully stated the same.

On motion it was resolved that a Committee of five be appointed to prepare resolutions for the action of the meeting, and O W Telfair, W R S Barbank, F. B. Satterthwaite, Josiah Respess and Henry Hodges were appointed on said Committee.

During the absence of the Committee, Col. Carrow being again called upon, responded in a most emphatic and earnest manner.

The Committee reported the following resolutions, which were adopted by a unanimous vote.

Resolved, That we the people of Beaufort county, and especially of the town of Washington, are very greatly delighted to hear of the passage by the General Assembly of a bill for the construction of a railroad from Plymouth to this town to Wilmington, and desire to express our sincere thanks to the General Assembly for the passage of the same, and pledge ourselves to use our means and influence to aid in the building of said road.

Resolved, That we consider the town of Washington the most eligible site for the location of the Machine Shops for said road, as it has good navigation, a good harbor, and is in a good county, and the citizens of Washington will take pleasure in proceeding to the Company's most advantageous site for the Shops.

The meeting was then addressed by F. B Satterthwaite.

Resolved, That the papers in Raleigh be requested to publish the proceedings.

The meeting then adjourned

J. J. WHITEHURST, Chm'n.

EDMD. S. HOYT, Sec'y.

MISSISSIPPI AND HER MEAN MEN.—Ex Gov. Brown, in his letter to the Committee on Reconstruction, states that the greatest danger to his State is from—

"Those men who were false to both sides during the war, who were first secessionists with secession was popular, but apostatized when the South fell, and the unworthy adventurers who rushed in after the fight was over to seize the fruits of a victory won by the valor and brave sacrifices of better men than themselves. These miscreatures, one and all, labor night and day to stir up strife between blacks and whites, in the vain hope that whatever of evil may befall the good sense or sense of both races, they at least will get the offices; and fatten on the little sums it costs that a poll to be improvised South."

FUNERAL.—The funeral of the Hon John N. Washington took place at the Catholic Church, in this city at 11 o'clock yesterday and was attended by a large concourse of people, who assembled to pay the last sad tribute of respect to their honored citizen. The services were quite lengthy and the church crowded to overflowing. There were many persons about the city and in the district who were unable to gain admittance.—*Newbern Times.*

CHARLES' LONDON CORDIAL GIN,
Or Pure Liquor of Juniper Berries.

This favorite brand of Pure London Cordial Gin has stood the test of time, imitators, piracy, high tariffs and unfair competition, and still exists constantly increasing, as a meeting that true merit does not always go unappreciated.

CHARLES' LONDON CORDIAL GIN

is offered to the public as a perfectly reliable specific in all cases of DISEASED BLADDER and KIDNEYS. It acts directly on these organs, with a few doses and specimens which render it invaluable to persons suffering from GRAVEL, DIABETES DECLARED ALCOHOLIC, scanty and highly colored urine, also in all cases where, from whatever cause, a healthful diuretic is required.

Ladies subject to painful menstruation, can by the use of Cordial Gin a few days previous to and during illness, obtain great relief. In such instances it should be taken with sugar and warm water.

As a tonic and beverage this Gin is unequaled as it possesses none of the headache properties to be found in those possessing more frequently sold under the names of Gin, Brandy, Whiskey, &c

WASHINGTON, Feb. 19, P. M.

Amendments to the Army Appropriation Bill authorizes the President, after March 1st, to consolidate Infantry regiments to thirty; to consolidate Artillery and Ordnance corps; to consolidate Quarters, Subsistence and Pay Departments and to reduce Staff Posts as a reduction of the Army permits.

An amendment by Butler disqualifying Generals, but continuing Lt. Generals of the army, was adopted by a vote of 37 to 36.

Opposing the reduction, Garfield said not a day passes but petitions are presented from the Southern States for more troops.

In the Supreme Court on motion of Mr. Evarts, a certificate of division in the District Court of Virginia, regarding the Davis case, was dismissed on account of no prosecution in the Court below.

FROM WASHINGTON.

WASHINGTON, Feb. 19, P. M.

Gen. Imboden is here.

A full Cabinet to-day.

Mr. Thornton handed Mr. Seward the following dispatch from the British Government:

"Inform Seward that orders have been given for the release of Castello and Warren."

Seward, replying to a letter urging the protection of persons and property in Cuba, says that at least half of Hoff's fleet are in Cuban waters. He has been frequently and fully instructed to be vigilant and active in extending every protection to American interests.

Sherman's friends have purchased Grant's house including the furniture. Possession will be given on the fifth of March.

The Reconstruction Committee was engaged to-day, in considering the removing of disabilities.

Dahlgreen visited Gen Grant to-day.

The new tax bill covers six hundred pages.

CONGRESS.

WASHINGTON, Feb. 19, P. M.

The House considered the Army Appropriation Bill. All of the amendments reducing ordinary appropriations were agreed to.

The following was adopted as a substitute for the amendments reducing the Army.

"Until the Army was reduced to twenty regiments of Infantry, five of Cavalry, and five of Artillery, no new Commissions shall be issued,—regiments to be consolidated as rapidly as the reduction of officers permits. No appointments or promotions to be allowed in any department of the Army," and the bill passed.

This action defeats Butler's amendment, discontinuing the General's of the Army.

The Conference report on Naval Affairs was adopted. It forbids promotions or appointments until the officers are reduced to the required number.

HOUSE. C

HOUSE.—A bill was introduced repealing the law fixing the General's Headquarters at Washington, and compelling the President to issue military orders through him.

The Senate after considering the Indian appropriation bill adjourned.

FROM WILMINGTON.

WILMINGTON, Feb. 19 P. M.

A Mass Meeting was held at the Theatre this evening, and ably addressed by Mr. Richard Freeman on the rights of labor. The views of the National Labor Union, as set forth by Mr Fremlick will meet with great success in this section.

FROM NEW ORLEANS.

NEW ORLEANS, Feb. 19, P. M.

The trouble brewing between the Cuban refugees and Spanish residents, in this city, has led to a communication from the Spanish Consul to the Governor, asking interference for the prevention of difficulties which are likely to occur at any moment, pledging his own efforts for the prevention of disturbance of the peace. The matter was referred to the Chief of Police.

The civil equality bill hangs fire in the Senate on the House amendments.

LIFE INSURANCE.

NATIONAL LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

BRANCH OFFICE:

FIRST NATIONAL BANK BUILDING,

PHILADELPHIA,

where the general business of the Company is transacted, and to which all general correspondence should be addressed.

OFFICERS.

CLARENCE H. CLARK, President.

JAY COOKE, Chairman Finance and Executive Committee.

HENRY D. COOKE, Vice President.

EMERSON W. PEET, Secretary and Actuary.

This Company, National in its character, offers, by reason of its large capital, low rates of Premium, and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the contingencies and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-holder.

Several new and attractive tables are now presented, which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an ANNUAL INCOME equal to ten per cent. (10 per cent.) of the par of his policy. In the latter the Company agrees to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.

The organization of this Company on the LOW RATES CASH PLAN, with new features and unquestioned security, has evoked the most remarkable opposition from older and rival Companies. By means, fair and unfair, they have sought to injure the new system, and have attacked it with a course of virulence unknown in the history of Life Insurance.

Not satisfied with the immense sums of money paid insurance and other journals, to try and check the rapid progress of the National, an unsuccessful motion was made in Congress to repeal its charter, all of which but accelerated its speed for since then, the largest policies issued have been to members of Congress, whose attention has been thus attracted to the unsurpassed advantages. In the face of this opposition, the work of the Company has gone steadily forward, and it is with no little satisfaction that the GENERAL AGENTS are able to state that the business to date is far in advance of anything hitherto accomplished.

In Six Months 3,000 Policies have Been Issued.

INSURING, IN ROUND NUMBERS,

$10,000,000.

The attention of persons contemplating insuring their lives, or increasing the amount of insurance they already have is called to the special advantages offered by the National Life Insurance Co.
