MESTING AT MORRISVILLE, planting. For this reason we anticipated a small turnout at Morrisville, where we had been invited to make a speech to the people of Wake. We were as much surprised at the number as pleased at the seal which animated the people in that por ion of the county. There were from tross Orange, Chatham and Wake counties present. To speak of the shorting as one full of

nation and securiment system the corrupt administration, which has brought shame, loss, want and degradation upon the

corruptions as developed by the sale of they will do 300,000 sores of the richest lands of the Jury and the people were pained to know the Court "had been tampered with."

was sent to overtake him and get his name, that his vote might be counted. We told the people how one of the Gov-ernor's Reilroad Presidents gave Dr. Siosn

ora Balland Paridate And Andrews

Conservatives were like a caged lion; they dld not know their strength, and as soon as they found it out, they would beat his party 30,000 votes.

We told them the Wake lions were a'l eaged in Raleigh; outside of that city the Wake lions knew their strength and would show it and make it felt in August next. Captain DeCarteret, Col. William H. High and B. Y. Rogers, E.q., made speeches which were well received and much ap-

We never attended a more pleasant and agreeable meeting of the people, Lorenzo Dow would have called it a "refresh-

ing meeting." At evening all quietly dispersed, up one drunk, no one cursed, as did the G vernor before the Chief Justice, no one cried "Hall ! Order!" as did one of our members in Congress. It Morrisville could inters some of its manly spirit in this street working, marhe many spirit in this freet-working, market-building city, Wake would so longer send to B ston to import a Sheuff or to Buzzard's Bey for a Superintendent of Public Instruction. Oh that the eaged lions may soon find out their strength.

In a Washington telegram of Friday, we read, "In the Senate, Abboit, of North Carolina, made a speech on the Georgia Bill, a little out of the usual line, by favore ing a national military police for the South to preserve law and order. He appeared to layor the new Radical policy, which is gradually developing for policing the South with an armed force."

The following from the New York Herald shows the result of such lying slanders as those set affort by such polanious blackhearted villains as Abbott and others, now

Ay man's It is conjected that these demonstralaw, that mischlevous persons will red themselves at liberty to supinto any man's premises they please, and that might create The Standard casually observes that "the

meeting was then addressed by Mr. Post Master Rogers," which means our Calvin. We happened to seep into the Court House just as "Mr. Post Master Rogers" was in what tenned in its a sermen out he tent of the Courter House just as "Mr. Post Master Rogers" was in what tenned in its a sermen out he tent of the Courter address. He had read and skipped) slong, trying to find something be thought would do to find the "Executive Central Committee," where he halted and asked the question, "Who are the men whose names are on this committee?" Just at this point the "committee or "just at this point the profession and this point the head of his Profession stands the head of his Profession mattee?" Just at this point the "committee on delegates" came is an cut sing short lefter anybody had a chance to answer his interrogatory. We shall not attempt to enlightened the gentleman in regard to this matter, on which he felt or reigned so much ignorance, but we will wenture the that Committee was ever accused by Billy to-day that Committee was ever accused by Silly Smith or my body else, of stealing 43,000 from a Railroad, nor has one of them ever been indicted for swearing to too much mileage as a public officer. It is unpleasant to have to allude to such things, but—when a man lives in a glass house its ought to be careful how he begins to throw stones.

RALEION, April 18, 1870.

Hon, Josiah Turner, Editor Sentinel? My Dean Sin:—In your issue of to-day, there appears an editorial, criticising the opinion of His Honos, Judge Watts, in the case recently tried in our Superior Court, of the State es. Jo Hardee. It is stated that the facts in the case were gathered from a member of the Bar and that I appeared as North Carolina, Tennessee and other Southern States, resulting from the foolish courses of unreconstructed rebels, General Grant has concluded to wait a little longer. He does not think that the Southern people are in the proper frame of uninf for universal absolution just yet, and that when they are they will show their faith by their deeds. The leading spirits among the Southern people, therefore, will do well to turn their attention to the restoration of law and order."

Southern people, therefore, will do well to turn their attention to the restoration of law and order."

Court, especially as I was interested as Court, especially as I was interested as Anoruca Eu Kanz Ournage For the counsel to the sause.
