AFTER JUSTICES DICK AND SETTLE.

Justice Reade was applied to for a warrant to arrest Governor Holden. The affidavit stated that certain named negroes and white men, armed, and acting under the order of one George W. Kirk and one W. W. Holden, had committed an assault and battery on Josiah Turner, Jr. &c. &c. Judge Reade made the following endorsement upon the affidavit:

"I am of the opinion that the application within does not justify the issuing of a bench warrant; and if it were sufficient in other respects, no reason is given for passing over the local authorities.

Signed R. G. READE, A. J. S. C."

If Judge Reade had wanted the law vindicated and a criminal arrested, he would have pointed out the defect in the affidavit, the local authorities, that is only worthy of poor Cannon, the "horse high, bull strong and pig tight" jurist, who sat down with a map on his lap to count how many counties "Jo Turner had skipped," to get to him.

Judge Reade knew that he was the nearest Judge to us, and only twenty-five miles distant. We are sorry that His Honor took such a circumscribed view of his Judicial duty. He seems to forget that he is a Supreme Court Judge instead of a Magistrate of Mocksain Gap.

Years ago, Judge Reade, then a Magistrate, issued a warrant against Judge Dick—(the old man, we mean,) for leaving Court before the business was through or the term ended, like Tourgee has often done in Orange and other counties. If we had applied to him then for a bench warrant in those days, he might properly have declined to grant it for want of jurisdiction, but, as Judge, his jurisdiction is enlarged over what it was as a J. P. The Judge takes a narrow view of his powers indeed, if he thinks they are confined to the corporate limits of Mocksain Gap, or even to the more extended area of Shakerag or Sodom—classic territorial divisions in the Judge's county.

A citizen of Currituck or Cherokee has the same right to call on Judge Reade for a warrant, as a citizen of the Gap has.

Judge Russell's opinion has just reached us. It is much after the style of Judge Reade's, but wants the force and wit of "pig tight" Riley Cannon, on the same subject.

As to Cannon, it is said that when he was elected it astonished even the owls in the mountains. An old negro, with whom he is a great favorite, prayed, "God bless the whole world and the surrounding country, and the *Judicials of North Carolina*, including Mas' Riley." And so say we.

JOB IN ORANGE.

We learn that Mr. Joseph W. Holden, "Dad's" candidate for Congress, could not scare up even one fifteenth amendment to speak to at Mangum's Store, in Orange. Joseph was on hand "according to previous notice," but did not speak for want of an audience. He seems to be getting on worse that his striker, Lamond, did at Brandfields in Granville, for *he* had a crowd of *four*, while Joe seems to be going "in a gang by himself."

What has the party come to, that after advertising for a month or so, the leader and standard bearer can't get a single man to hear him. At Hillsboro' it was little better. Twenty-five amendments sat inside the Bar of the Court room, and a few whites looked on, while Joe "morated" at that place.

Joe is as heavy on the market as unsalted mullets that have lain out five nights in the moonshine. He will fall at least two thousand below Judge Gilliam's vote in the district. All that is necessary is for the Conservatives to turn out next Saturday and vote. Joe don't seem a favorite with his party; and no wonder.

A strong Republican said to us soon after Joe's nomination, "Well, if you can't beat Joe you can't beat nothing." It only requires that our friends turn out promptly and there is no question as to the result.

TO THE VOTERS OF THE FOURTH CONGRESSIONAL DISTRICT.

On Saturday the 26th inst., you will be called upon to elect a delegate to the 41st Congress of the United States, to fill the vacancy created by the death of Hon. Robt. B. Gilliam.

At a Convention of the delegates from the several counties of the District, held at Franklinton on Friday, the 11th inst., the Hon. JOHN MANNING, Jr., of Chatham, was selected as the candidate of the Conservative Democratic party, to bear its banner in the present campaign.

The result of the last August election was most glorious to the Conservative people of our State, to all lovers of liberty and peace, and the advocates of retrenchment, low taxes, and economy in the administration of public affairs.

The people of this (4th) district have special cause for thankfulness for the triumphant election of their candidates for Congress, and for the justly severe rebuke which they visited upon those candidates who were the representatives and defenders of a State administration which had made itself an engine of oppression, tyranny and abuse of the people of the State,—which outraged liberty by the arbitrary arrest of hundreds of our best and most respectable citizens, and desecrated the sanctuaries of justice by converting them into tribunals of inquisition, through and by which partizan prejudice and personal malice could be inflicted upon an innocent people,—as expressed on the 4th day of August last, of the course of the Holden administration in making war upon the people of the State, and denying them the benefit of the great writ of *habeas corpus*, which we have been taught to regard as sacred and inviolate, that Holden's administration, for weeks after the election, kept a standing army of hired soldiers at the State Capital and other points, at the expense of the peace loving citizens of our State.

The acts of the Holden administration were earnestly endorsed and supported by Mr. Joseph W. Holden, the present candidate of the Holden Republican party and opponent of the Hon. John Manning, Jr.

Mr. Jos. W. Holden has been put forward as a candidate for your suffrages as the representative of that party which has made war upon you, and in many ways known to you all, insulted and injured you.

Mr. Jos. W. Holden was, while a member of the late Legislature, an earnest advocate of the infamous Shoffner Military Bill; vacating his seat as presiding officer of the House, taking the floor and making a long speech in its support—by authority of which Gov. Holden, in violation of the Constitution, placed two counties of our State under military law, thus subordinating the civil to military power, placed a lawless ruffians over the peaceable and peace-loving citizens of Alamance and Caswell, to abuse and insult them, deprived many of our fellow-citizens of their liberty, cast them into vile dungeons, and hung them up by the neck to make them *confess* to that which they knew nothing of.

As member of the Legislature, Mr. Jos. W. Holden was cognizant of, if not connected with, the corruption and swindling which characterized the actions of that body, by which millions of your bonds were appropriated and placed in the hands of notoriously corrupt men for manipulation—all of which Mr. Holden has never condemned nor has he taken steps towards exposing the guilty and saving to his State the fair name and fame which she has ever borne.

Mr. Jos. W. Holden has, as editor of the *Standard* newspaper, from the adjournment of the Legislature to within a few weeks ago, warmly defended the Legislature against the charges of corruption; has endeavored to palliate the enormous crimes it committed, and shown himself in every particular to be the warm friend and supporter of the Legislation of the past two years, the advocate and organ of the Holden-Radical administration, and, by presenting himself as the candidate of that party, declaring himself to be the representative of Governor Holden's administration and party.

People of the 4th District, can you vote for Mr. Jos. W. Holden, and thus endorse Gov. Holden's war upon the people, at the expense of the people, the corruption of the Legislature, the Penitentiary swindle, the waste of millions of your bonds, the failure of the Supreme Court to protect our citizens against wicked and unlawful arrests by a partizan Executive, and all those evils which the Holden-Radical party have imposed upon you—thus endorsing the party and administration which have forced unheard of taxes from you to fill the pockets of the myriads of office-holders which that party also gave you!

Mr. Holden is opposed to amending the constitution so as to remove the crying evils which it contains, and which you cannot longer, in justice to your private and material interests of your State, submit to.

Mr. Holden, in accepting the nomination declared himself to be opposed to general amnesty, and the removal of disabilities, "unless application be made in the proper spirit, and unless *I know him (the applicant) to be all right*," i. e., unless the applicant belongs to the Holden-Radical party. Mr. Holden declared last summer that he was in favor of general amnesty; now he is opposed to it. He wishes to prevent you, fellow citizens, from saying whom you prefer to be your representative in Congress by keeping in force an unjustly discriminating law.

Mr. Holden is in favor of taxing you upwards of ONE HUNDRED THOUSAND DOLLARS to pay the expense of Gov. Holden's unlawful war.

Mr. Holden is in favor of high taxes, in that he is for keeping up the present large number of high-salaried officeholders, for paying the interest and principle of the millions of debt created by the party of which he is the candidate, and by the Legislature of which he was a member, which money has been squandered by Gov. Holden's favorites and appointees. Mr. Holden advocates the continuance of features of a constitution which, to remain, will impose a tax upon you, *every year*, of upwards of FIVE MILLIONS of DOLLARS.

Will you vote for Mr. Holden, or for John Manning Jr., our Conservative candidate?

Mr. Manning is the advocate of low taxes, of retrenchment, of cutting down high salaries, and of the abolishment of the very numerous and unnecessary offices—created by Mr. Jos. Holden's party—which alone tax you quite as much as your entire State government cost a few years ago, under an honest administration.

Mr. Manning advocates the reduction of the present heavy tax upon the distillation of brandy, by which small distillers are prevented from saving their fruit. Also for reducing the heavy and onerous tax upon manufactured tobacco, which prevents the development of this, one of our chief resources, only to a limited extent, in the South.

Mr. Manning is opposed to the present rapid reduction of the national debt, as carried out by the national administration, which taxes, so heavily the energy and industry—the labor and the laboring man—of our country; but advocates lower taxes, and longer time for payment.

Mr. Manning is unequivocally opposed to disturbing the Homestead provision of the State Constitution, and those features of the Constitution, State and national, which guarantee to every class of our citizens their rights and privileges.

Upon these issues we present the claims of our candidate, the Hon. John Manning Jr. of Chatham to the suffrages of the people of the 4th Congressional District.

Remember, on NEXT SATURDAY THE 26TH inst. is the day of election. Every man in the district is expected to go to the polls on that day and cast a vote for John Manning, and thus place the seal of condemnation upon the glorious triumph of last August, and bury forever, our common enemy, the Radical-Holden—war party of North Carolina.

LOOK OUT FOR JO AND SAM.

These two Radicals are making speeches for each other. If you are to believe Martin and Ashley, who edit the *Standard*, the State will be ruined if they are not elected.

They are both the supporters and apologists of Holden and Kirk. We see no difference; for ourselves we had as soon vote for Kirk or Bergen as for the men who apologize for them. Remember, Mr. Phillips in a speech at Asheville, approved of Kirk's invasion of North Carolina. He has never recanted that speech nor condemned Holden, Kirk and Bergen, who hung by the neck three respectable men of Alamance. These three young men were, admirers of Mr. Phillips. We know that, twenty years ago, Mr. Phillips and ourself partook of the hospitality of their fathers, and yet to-day he dares not condemn the hanging of the children. Gracious! Sam, are you going to make yourself as low as Jo? You may give it up; you cant defend Holden before the next Legislature without making yourself infamous.

STATE FAIR—EVERYBODY
AS it is presumed that everybody is going to the State Fair, I have a word to say to everybody. If you fail to call on Pink C. Harder on your arrival in Raleigh, and supply yourself with some of his elegant Cigars and Tobacco, you will find that you won't enjoy yourself a bit. Everything will go wrong with you. And when you return home, you will feel ashamed with yourself, and everybody will be asking you, and I will be mad with you too.
