broke up the find trade awreed upon, and

We know the earmarks of the letter published in Friday's Telegram, the authordap of which is attributed by that paper to "an old democratic statesman. He is well and most unfavorably known from the acaboard to the mountains as disorganizer, and whatever may be his per sition about the convention now or here after his conduct has been in the interests of the radicals for two years and more Much as he prates about democrats and justice to them in the way of office, he "dead duck" in their esteem. There is to man in the state of his age would be now am old man) and experience in public matters, who could not command a larger vote and share of public confidence than himself. If he is a democret, nebody knows it but himself and if all democrats had been and were like himself then there were no democratic party now, We would to day, in such a case, have a third party. composed of Ishmaette politicians.

It is scarrely worth while to mentio the old gentleman a name. Let min pass dent escurred at the quarry of the Penitenquelly me few remaining years, he can't tiary, the circumstances of which are about burt anybody much, and scarcely worth this notice of it.

A PRIESO at Boon Hill, corrects an erro Li a correspondence from that place relative to the temperance pic nic, which gave all the credit of the cood dinner served or the occasion to the wrong parties. On friend says while the two indies mentioned deserve much credit, a committee appoint ed by the council to superintend the of fur are enmently worthy of mention. They are Mrs. Dr. Robbers, Misses, App. and Punny Whitley, Z. J. Joyner and Annie Rastard We make the correction to publish his communication.

We are glad to observe that the Nationof Democratic Executive Committee, in

vestigate the condition of the Sould We hope it will not only be unusted usua or the democrate at the morth but that the present the south and our prominent cross-should do so also. The peace and quiet of the whole country is concern d in the investigation. There are those, he prime authors of this committee, who re auxious that anything but the truth should be known. They have a purpose getting up the investigation, and are betermined to accomplish that purpose. It is not a good one. It tends as it is its diject, to keep alive the projudices en endered by the war in order to keep to other the people of the north, in one sold phalaux, in the interest of themselves and their wicked ambition. There are those whose duties, whose every obligation which could control the actions of omest men, are to defend their particular ection from such unjust, wicked and will their proclamations of outrages and viola-

THE 20 TH OF MAY AT CHARLOTTE | From the Warrenton Gazette of the 20th inst. CELEBRATION OF THE MECK THE MASS MEETING ON SATUR DAY LAST

Notatibusanding the inclement weather, quite a gathering from every section of the county responded to the call for a gen-eral Mass Moeling in Warrenton on S. Idi-

the objects of the meeting. He endorsed the constitutionality of the Convention bill which was ratified on the third of April last, although it was not passed by a two-third vote. He also contended that there may be a limited Convention in North Carolina, and in order to prove that the powers of a Convention may be effect of 1835, and closed with a glowing tribute to the members of the Convention which assembled during that year.

A committee of five were appointed to draft resolutions expressive of the sense of

W. A. Montgomery, R. E. Bobbitt, Thomas E. Green, H. A. Foote, Thomas E. Green, H. A. F. John Buxton Williams.

During the absence of the committee Hon. D. R. tioodlos was called out, who delivered a clear and forcible argument upon the questions involved, warmly ading and tendering his earnest support and

solunited the following resolutions which ere adopted unanimously:

Resided that, in the opinion of this meeting the present Constitution of North Carolina is not adapted to the condition and circumstances of our people; that it has been tried and has been found to work the badly in practice; that it is burdenessine.

That the payment of the interest on up public debt at this time, as required by the Constitution, would involve at all by the Constitutions, would involve at all the tried upon all good and true.

The we call upon all good and true were not all the best interest of our people of the state of the st

spendily as possible

Resolved that in order to accomish this purpose, a Convention should be exited with the testrictions imposed in the Act which was ratified on the 3d day

communate two candidates for the Conven-ion in Warren county, in behalf of the edy ocates for Constitutional reform.
