### INTIMIDATION

There is no power on earth to interfere with the people of North Carolina in the amendment, alteration and improvement of their organic law.

There is no power on earth to interfere with the people of North Carolina in the amendment, alteration and improvement of their organic law.

There is no power on earth to interfere with the people of North Carolina in the amendment, alteration and improvement of their organic law.

### NOT ABLE TO GO

We are compelled to decline the invitation to attend the convention of the 29th inst. in Raleigh. We are unable to do so on account of the illness of our wife.

### REGISTER AND VOTE

The register of deeds of the county shall, under his hand, transmit by mail, by the 10th of August, to the office of the attorney general, one of the certified statements filed by him, and shall give to the person elected delegate a certificate of election.

### GO AND VOTE

We call on the people of Wake to go and vote without regard to Phillips or any other man.

### RAILROAD NEWS

We are informed that a letter was received here from New York by the last mail to the effect that Messrs. Hopkins, Littlefield & Co. now refuse to pay a dollar on the Florida bond transaction.

### DEPRAVED TASTE

Hon. Saml' P. Phillips is a candidate for convention and professes James Harris, negro, one of the penitentiary loafers on Deep River, as a colleague, rather than Judge Merrimon, Gov. Bragg, Hon. D. M. Barringer or Green H. Alfred, Esq.

### WOMAN ALWAYS RIGHT

The women of the state are urging their husbands, brothers and sons to go for convention. Indistinctly woman is ever right. Besides this, the women of North Carolina and the children of North Carolina are too deeply interested in this contest to remain silent in this contest.

### INFORMATION AND INSTRUCTIONS RELATIVE TO THE REGISTRATION OF THE VOTERS

It has been industriously circulated in the State that Gov. Vance was opposed to a convention and was "barren" with Gov. Holden. Gov. Vance was down the miserable falsehoods. Will the stand-bearers of Gov. Vance do him the justice of publishing the following card?

CHARLES N. C., July 25, 1871.

Hon. Josiah Turner, Jr.

DEAR SIR: In view of the fact that open enemies or pretended friends will continue to misrepresent my position in several respects, I am compelled to ask you to publish this card.

### ANOTHER "TRIM" NAILED

It is industriously reported that I am opposed to the convention, though it is known that I have not only earnestly and honestly supported it, but have also been appointed by the authority of the Washington commandant of a Baltimore (Gov. Fisher) by virtue of which I was admitted to my seat in the senate, and have since that time North Carolina (most honest) as a member.

### THE CONVENTION LATER FROM

From the Wilmington Journal to the effect that the convention will be held in Raleigh on the 29th inst. The paper says that the convention will be held in Raleigh on the 29th inst. The paper says that the convention will be held in Raleigh on the 29th inst.

### A GREAT OUTRAGE AGAINST FREEDOM

The Attorney General of the United States, Mr. Sherman, visited Weldon, N. C., week before last, in company with V. C. Barringer, Esq., and others from Washington city, to engage in speaking making against calling a convention in North Carolina.

### POOL-PIDDLES!

An intelligent citizen of Orange, residing near Chapel Hill, recently, in conversation with the writer, remarked that he had just returned from a visit to the State Pool at the University for the purpose of entering college, and was introduced to the old Phillips, as "Mr. Pool."

### A CARD FROM HON. JEFFERSON DAVIS

The following will appear in tomorrow's Sentinel: "MEMPHIS, July 21. I have been and since my arrival in Memphis, this day, my attention has been called to sundry articles in certain local papers, which attack my private character and insinuate that I am a traitor."

### KEEP IT BEFORE THE PEOPLE

A presidential campaign paper in the interest of southern republicans and in support of the administration is shortly to be started here. Ex-Gov. Holden, it is rumored, is to manage it. A new "democratic evening paper" is promised for the same time. — Wash. Cor. Balt. Sun.

### WHAT NORTH CAROLINA WISHES TO DO

A correspondent of the New York Tribune has interviewed Mr. Merrimon, one of the foremost men in North Carolina, and gives the following account of what was said. It does not look very ominous. The people of North Carolina wish by changing their constitution, to get rid of some of the enormous machinery of the present system, which they regard as a weighty burden upon the people.

### FROM THE WILMINGTON JOURNAL

The judges and clerks shall transmit by mail, under their hands, a correct statement of the polls, and it is the duty of the commissioners of their county by 12 o'clock on Saturday after the election, to deposit the same in the office of the register of deeds.

### FROM THE WILMINGTON JOURNAL

The people of North Carolina are thoroughly aroused in the campaign. The last number of the Raleigh Standard, gave quite an interesting account of the public speaking in the State. At both of which places the conservatives won a splendid victory.

### FROM THE WILMINGTON JOURNAL

The candidates for delegate to the convention were present at the meeting of the party which was held at the residence of Mr. W. W. Fleming, Esq., Senator from McDowell county, by Capt. S. T. Williams, B. H. Bonn and Donny Battle, Esq., were among the speakers. We were glad to hear that Mr. Battle who for the past year has been acting with the republican party, is doing many good services for convention and we do not believe that the affairs of the state would be in such a bad condition if the republican party were to be elected.
