#### BALEF AUTES.

it was a "ten strike" when the Lits: als and Democrate of Manuachusetts agrees unite on Charles Summer as their can didate for Governor. It appears to us to be a very judicious movement. Mr. Sum per is not popular with the South, bu as the greatest living man of his State, athe ablest exponent of the anti slavery of availting movement, he must have great strength among his people. We do not of course suppose he can be elected, but he will no doubt give impetus to the Reform movement, and aid Greeley no little i that State. The most eloquent and popu far man in Massachusetts is Gov Banks "Souswall" Jackson's commissary. He is a man of great power on the hustings and has never been beaten for office. He was regarded by all parties as an unsur passed Speaker of the House of Representatives, and there is no doubt that he will be re elected to Congress. Te is out

for treeley, and is making very vigoroand telling speeches. He and Summmated must exert a powerful influence 6 the Liberal movement in that section the Union.

The Democrats and Liberals of Penn stivatia seem tent on victory and the capect of success is encouraging. They hits second approximation known during the fate appleasaninels : the "War Governor," as delegate at large to the Constitutional Convention i researched with much favor and exciteatarm in radical circles. He is a mati-of more influence and personal popularity than any other in that State

Texas will have an impeachment trial when the Legislature meets. The Democrats have a large insportly and intend to impeach Gov. Davis, who was returned by fraud Mr. Bamilton was the choice of the people. Ah, if they had a Smellun gus in Fexas to go on the war path with Grant had hed. Wilson has recently his issues, the Legislature would not date been proved a har in regard to his Know att mpt to mpeach Davis or any one it Nothing record and his letter to the the would be donth at once, for the Terms Smellungus would "go for them" st either up to some speculations out. West, to "the point of the bay sort or with point which he paid a dolta or two, but get peands weight. But then, we remember, ] and tewarding his triends with a lat office Texans are not very couly scared, and they might take it monthem heads to "go too, with being concerned in the celebra for Smellungin, and then there would be to be made, like that taken by fling, canting Down-Easter, is charged " is " New Oilcans theatre the gentleuro who doubted uto "that climate, when garments, even for "bowie knife" was after our readers will remember the

lelp of even so astute a paper as the Ga RULE IN THE SOUTH. sette in the editorial conduct of our paper Col. Alex. McClure in a speech deliver When we do herd it, we will call upon ed at the stand Greeley and Brown den one of the really great papers of New onstration in Philadelphia, on Tuesday vening, referred as follows to the gene ratenuses of business depression in th

> A look at the South. Our capitalists ave hundreds of millions invested in State and other securities there, and our adustry should now be largely temployed

in repairing the waste of war is that Their railroads have been restored and equipped by Northern capital and la or, and prosperity must be given to those states to reunite the energy of our people. Already many millions have been los

depreciation of Southern State bonds and large investment made in railroad 1868 as 29,000. This is an error. We and other legitimate pursuits looking for have before us the vote for. President, as thrift, have been unremunerative. Not by their Southern enterprises, but the N ethern people have been compailed to Grant 70.433, Seymon 42.377 Grant's bear all the exactions of the Government adjority, 28,066 Which are right the because of the continual reign of desolation there. The States lately in rebaldes

non there. The scales many in fourthems should now be contributing largely to the expenses of the whole Union and also to the reduction of our national debt. Why is at that millions have been lost in their depreciated or almost valualess accurities Bon. S. S. Cox made a brilliant cam Why is it that the large investments made paign speech in New York on Tuesday night, in which he spoke as follows about the robbery of the South by Grant's carnight, in which he spoke as follows about the robbery of the South by Grant's car-pet baggers: Talk to those Southern men of Arkan-sa and South Carolina on the tariff and

as and South Carolina on the tarm and is it the tarm the tarm and in the tarm and the second when his house is on fig ? He will not merchants our manufacturers, our specula reason with you then." I was on the Ku tors and our tax payers soberly consider Klux Committee, 1 offered a resolution and answer these grave question ons in the with regard to the State debts and the light of reason and natriotism ! The monother sources of Southern improveriabment | umonts of withered waste and consuming and discontent. The majority voted it shame have been reared by the carpet bag down, but we finally got to the cause of ger; and he has been maintained in pow ail the trouble, and it was just bad Gov or, often at the sacrifice and decency, ernment, not the enormous taxation alone, the Grant Administration (Ap the maindministration of justice alone, but To save him from the just conden Grant Administration. (Apple We of the people, the civil authority has been fity suspended, bayonets have usurped the all the various causes combined. found that over two hundred and fifty mittions dollars of debis had been pried indict, and despotism has such imp into on the States of the South, and nothing the policy of the government. Can cap to show tor is not a poor-house, not a ital and connerce and tax payers consent to now her in the heapital start, a Pani, to four years more of hepeless debanchery Court house, not a heapital start, a Pani, to four years more of hepeless debanchery tentiary, although they were much needed and profigacy and desolation in the tentiary, although they were much needed there. (Laughter.): And there they South 1. B not, a change of our national stand in all the Southern States, asking rulers is an imperative accessity. (Ap that we give them relief from this becurse-ment and bedevelouent, and sny, the man plause.)

----HON. R. M. T. HUNTER.

We hope to be able to lay before our ion of his character." "He was clearly a libefore the Legislature. If the decision readers on to morrow, a part of the able men not destitute of real patriotism and N. Y. Tribune. And if Greeley is not elected by hi neach of this gentleman at the great New York gathering We will continue to have been ." a man prone to maleyo extracts from it from day to day until we lence, and prone to the error of mistaking have published the whole.

fire marks all of which ought to be i JUNIUS. They are all five found in FRAN cts." The reason for saying that these to ive marks "ought to be in JUNIUS," i loubtless this ; no one could have written the Letters unless he had been inti mately acquainted with the husiness trans acted in the State and War Offices. Th knowledge of these offices displayed i the Letters is minute and accurate Paga in unquestionably had this knowledge for he had been connected with both offices. Lord Macaulay continues : "W do not believe that more than two of them

can be found in any other person what ever If this argument does not settle the question there is an end of all reasonin on circumstantial evidence." The reade will see hereafter that thes argument of favor of Fauncia has been strengthenet greatly since Macaulay wrote.

> He next shows that the internal en dence points the same way. " The styl of PRANCE loars a strong rescublance f that of Justus, nor are we disposed t admit, what is generally taken for grant ed, that the acknowledged composition of FRANCIS are very decidedly infector to the amonymous letters." He then show that the " argument from inferiority " can be arged with equal force against every other claimant, save Edmund Burke, who distinctly denied the authorship, and who certilaly was not JUNIUS." H says, " every writer must produce his best work." He save that JUNIUS is not more decidedly superior to the acknowledged rorks of FRANCES than " three or four of Corneille's trauedues are to the test : than the Pilgrim's Poogress to the other works of Bunyan ; Don Quixote to the other works of Gervanies." He shows that JUNIUS imself " was a most unequal writer." and naturnees his Letters to the King, and those addressed to Home To k, temarking that they "have little in common except the separity." Upon a question of style there can be all more competent critic than Macaulay He says fire some " as perity was an ingrodient soldom wanting the writings or speeches of Faxsers." Lord Macaulay, having examined the internal evidence; next argues the identity of JUNET, and FRANCES from the "more

> resemblance between the two." He says from his letters "under various signs tures." known to be his, and "from hi dealings with Woodfall and others " a are able to form a tolerably correct opin

magnahimity," but his letters show him his malevolence for public virtue." He

DRAR SIR -1 am in receipt of tter of the 4th inst., extending to me by your Committee, a prossing invitation to attend the grand noise convention of vete in soldiers to be held in this rity of Pitt. burgh on the 17th inst. My desire to attend and meet avain a many old compatitions in arms is very great, but my judgment tells me to leave the celebration entirely to these whose motives cannot be mi-understood. now of no class of dilly us better ent led to meet in convention, and to have weight accorded their views than the eteran soldiers who risked their lives fo the honor and perjetuicy of their cour try. I not sure our connects will be a ked by a dom and partitions, and that the meeting of so man comrade will be a joyous and an advantageous me. I wish for you all that you experfrom your meeting of the 17th incl., and only regret that I cannot be with you or that occasion. With great respect, you obedient service, U. S. GRANT.

FRIGHTENING NORTH CAROLINA The Ers, published at R-leigh, N C. news its threats of retalisation and re tance invesse Judge Merrimon perm in his purpose to contest the atturn a Codwell as Governor of North Ca.olini says this Suppose it should turn out "that Cal-twell contests the Legis latare on the ground that it is not gally constituted Legislature -not having the requisite number of members-an that the apportionment under which the late election was held was p cunture, and so unconstitutional and wholly upauthor ized " and a threat is held out that the Governor may declare all the seats vacant and issue his proclamation for a new elec-

on. This is nothing but browbeating. It it were possible for the Governor to dia a Le the Legislature, or to resist by force of arms, as the Era proposed that h decision by the not duly elected should, a constitutional decision Legislature that he was not duly we have no doubt the Administration managers would insist up a his doing it Bat it is not possible. The American people would robe to such an Arrageous OCTALS. assurpation in language not to be mista-kee, and the North Carolina Grant party knows it very well. The truth is the people of the state have been so oppress-ed by carpet h g and bayonet rule that they dread more than anything else the inteleronce of the Federal G. verment. They will suffer injustice rather than pro-voke a containing thence the effort of the voke a contration: Hence the effort of the Southern States will be remanded to a Caldwell party to persuade them that is condition of abject servitude, dependent the Legislature award the enertion to Me rimon, Caldwell will resign and have the aid of trappa from Washington. Bather than incur the danger they hope the Democrats and Liberals will submit to the powers that be. We do not believe this intimidation

will be successful. Caldwell will not re sist, and the question whether he has been hone-tly elect-d will have a foir tri-

Mrs. Van Cott, the revivalist, is creating quite a religious excitement at Green Bay, Wiscopsin.

Buren and Case I the Opp the division. When Buchanan and uglas quarreled the Radical part varmed into existence. That fend (mere personal in itself.) by dividing us, ren under both the party and the nation aplit out poble organization and plunged the country into civi untry as that bloody conflic orthing has it been more disastron conflict than in fastening upon the people the oustries vampire monstrous vampire now eating out the intional vitals at the Federal capital. The uis under which we now suffer by the xistence of the present most corrupt Ad inistration may be properly charged to door of Democrats, who, from more dividual preferences or projudices, at used themselves to be drawn off from med the he main body of the organization the vere bound to adhere to by every consid ration of party fidelity and public duty Cunning indeed are the managers of th present regime. Not forgetting the mean by which they obtained power, they are or resorting to the same factics to main in power. They are industriously at ain power. tempting to now the meds of intestin division hamong us that they may carry off the spoils of victory, and hold on for an other period to their ill-gotton plunder.

EARNEST WORDS TO DEMOCRATS. I say, therefore to those valued fringe th whom and for whom I have to ought, stand fast to the faith. It is th ause for which we contend. Do not be frightened off by the senseless cry of in sistency-better be in line with th rest body of the party than to be charge with descrition to the common enemy the midst of a heated battle. If you we the midst of a nested ostile. If you were opposed to Grant four years ago, why should you support him now when has utter failure in civil administration is so pelpable to all [ If his incapacity and personal unfitness have been so plain as to disgust the ablest and purest men of his own party, why should Democrats descria noble principle to run after one so falles and so di est Surly to aid in prop ping up a man who is the exemple everything that is repugnant to our teachings and practices is poor work for Dum

Be warned in time. A little while late and reformation will be impossible. The tion of the Repúblican party, and this insures the continuation of the many evil-which now afflict the quartry. If taxa-tion is a great now it will be quadrupled and the official corruption existing new will become bold and audacious The our citizens in all metions of [Great applause.] upon the President's will military an thority will take the place of civil juris diction-all power will be concentrated and private rights made subservent to to Federal rule. The plain simplicity of republican institutions, as established by republican instantant propagation of the points and registia of imperial assumption. The royal family thus established fairly in pos-

scalin, will increase the distribution of emoluments and hotors among themseres fully justified by the apparent popular ap proval. The profligate and correct legis-izion which has characterized every its publican Congress will be encouraged and tempted to new schemes of public plun-der; and as bad as has hown the gassral

have thought of We have seen these mon who were engage against us, men who had been strippe d everything; their homes and property, the had seen their own slaves. government over them, as if by the judg people-these very mea who received this terrible calcult, have as one man att-mitted to this judgment, and have come forward and asked to be received with us forward and asked to be excelved with us in the government which we represent as self equila, our fellow existence, our broth-ers. It is the same here in the North. Here are the parties who have been con-tending against us for seventy-five years coming forward voluntarity, in a day, to iny down all the aspertities of their organi-tation, and the memories of these bitter zation, and the memories of these bitter contests, to join hand in h and with us to sopport anybody that we say will best support anybody that we may will best represent the people and best support the principles of the Government. [Applause] And they had a triumph, in North Caro-tins. It was a triumph, because in an un-expected degree the suffrage of the peo-ple were with as, when our opponents upposed they were to be defasted to pre-dict riot, bloodshed and murder as the result. But to this day not a single ta-stance has been amend where the routs of result. But to this day not a single to-stance has been named where the rights of say single individual were interfaced with. [Applause.] It was the spirit of our organization, then not three or four weeks old, which pervaded them, and siled the im-sphere and occupied the basets of very one of these men in the contest in that State. So in Vermont. The prople there cut down the majority of the present head of the Government more than 5.000 there cut down the majority of the p head of the Government more than yotes as compared with the yote he received in 1868. The result in I have referred to. It is all a mare Bustration of the principle of pear Even if I had doubtr the scales wou Even if I had doubte the analys would have failen from my eyes by the failing in my own town, where on Monday nigh hast an eloquent citizen of thin. A frican rac spoke for an hour to men hisherstroppose to his race, and was applanded as strong he had been one of the children o trin itself. We shall see as we g on the asperities of past history swep away as by a power granter that that of man and, and a prosperity, will that of man and, and a prosperity, will crown the industry of the peo-they are laft to labor in pance God has never given to the family or to any member of the family, forget everything for the moment to this cause, vindicate the pri-civil rights and the equality of m where, and also the rights of all
