But I know what my purp se was. I was in the days of slave-ry an enemy of slavery because I thought slavery inconsistent with the rights, the dignity, the highest well being of free la-

upon us I was anxious first of all for ha

atrie States' Rights doctrines, and the remark is very significant ; "Now, I tear, my felhew citizens, that the pendium has swuo too far in the other direction. | Appiause people. And while we had just reason to com-plan of the insidious doctrine of States Rights, we have also a just right to complain that there is too much centraliza on of government just now, overlooking the just rights of the States."

We are glad to read such thought comin g from a man who was known as the "Great War Governor" during the great struggle. We have been long sat isticd that there is no safety to out goveroment except in a strict construction of the constitution, and that when you ob literate the rights of States, you destroy genuine republicanism and set up in its stead a centralized despotism Every man, we believe, who votes understand ingly for Grant, votes for the destruction of the government, under which as a na tion we have, flourished so wonderfully, and which has been the envy and admitation of the world.

DELIGHTFUL DELANO.

Our readers will remember that this biasphemous mountebank made a vulgar harangue to a few office-holders and two s three hundred negroes in this place during the State campaign. His record in Washington was exhibited in the SEN-TINEL by Mr, Woods, Woods was desucced by the Bread and Butter paper of this town. We are glad to be able to ay before our readers something further concerning the biasphemer. Delano, be it remembered, is a member of Grant's Cabinet. The Cincinnati Enquirer shows that he was at the bottom of the wild cat banks in Indiana, in 1853.

"He scems, in fact to have been the brains of head and front, the lungs and these thieving institutions. The "Central Bank of Indianopolia," was a mother cat in those days. Its three kittens made their appearance at Jasper, New Coryden and Newville. These fraudulent concerns were organized and brought into being by Columbus Delano, Charies T. Sherman and Ozias Bowen. The stock purporting to be paid of the "Central," the moth r al, was \$100,000. The three kitten lived on the old oat's milk. They had no stock, really, and their offices, as we re-

member, statty, and their offices, as we re-member, like that brood generally, were kept in by-places, not easily found by the victims who held their paper. Deiano subscribed \$40,000; Sherman

and Bowen, \$30,000 each. Bowen de Delano and Sherman, after frequent inter views at Delano's house. Wm. Stargiwas made one of the parties, and got a The . good share of the pla nder. Freasury was depicted to the amount of hundreds of thousands of dollars by the wiroit machinations of Delano & Company
