Miss Anne Lovejoy's School will also commence at the same time.

Oliver Ditson & Co., Musical Publishers, announce a new Music Book for Grammar Schools.

The session of 1867, of the 'Bingham School,' whose reputation needs no endorsement at our hands, begins on the 6th. of March.

Mrs. V. C. Howell's Select School for Young Ladies, in this City, will be resumed on the 17th.

SALE OF THE OLD GUION HOTEL.—This property was sold, in this city, to-day, we learn, for the sum of $12,000. Dr. F. J. Haywood was the purchaser.

SEE FIRST and fourth pages.

NOTWITHSTANDING the inclemency of the weather, the freedmen were out in considerable numbers this morning, in celebration of the anniversary of emancipation. They marched in orderly and decorous procession through the streets, and were briefly addressed by Gov. Worth, Col. Bomford and others.

FINE HAM.—We are indebted to our friend Jordan Womble, Esq., for a fine ham for our New Year's dinner. It is a superb one, and they may be obtained at all times at Mr. Womble's grocery, with any other good article in his line. Mr. W. is a capital judge of good bacon.

PROPOSALS FOR MAILS.—The *Sentinel* has been selected by the Post Office Department of the United States as its advertising medium for North Carolina. This has been the result of no application on our part, or the part of any of our friends. The Proposals for conveying the Mails have been received and will appear in a few days.

THOS. H. ELLISON, Esq., of Washington, N C., died suddenly, of apoplexy, in his room at the National Hotel, New York, on the 17th. ult. His remains have been brought home for interment. Mr. Ellison was a high-toned gentleman, much respected by a large acquaintance.

Good for North Carolina.

We are heartily glad to see that our friends in the North Carolina Legislature have, as we suggested, taken the necessary steps to stamp some of the monstrous falsehoods recently promulgated by bad and designing men with official contradiction; it will be remembered that we have already published abstracts of several Munchausen-like letters which purported to give accounts of the persecutions of Union men in North Carolina, and the partial decisions of the Judiciary of that State, which consists of a body of as pure and upright Judges as adorn the bench in this country. We are glad to see that several of these epistolary Daniels, risen to judgement, have been summoned before a Committee of the Legislature and examined, in order to obtain the facts upon which their statements were based. When confronted with the committee Mr. Blythe and his companions of the Red String fraternity were unable to substantiate their base assertions, and stand before their fellow-citizens in the ignominious attitude of deliberate falsifiers and calumniators.

This action of the North Carolina Legislature deserves applause, and we trust every fellow who dares hereafter to assail either the people or Judiciary of any Southern State will be hunted up by Legislative action and examined as to the truth of his statements.

If grievances exist redress can be afforded, and if lies have been told their authors can be held up to public scorn.—*Norfolk Day Book.*

IS ALABAMA A STATE OR A TERRITORY?—The question of the status of the Southern States lately in rebellion is about to come before the United States Supreme Court for decision. A man named Jordan was recently brought before the Federal District Court sitting in Montgomery, Alabama, on a charge of felony, and having been found guilty was sentenced, by Judge Busteed, to twenty-one years imprisonment.—His counsel have determined to apply to the Supreme Court for a writ of *habeas corpus*, on the ground that Alabama is not a State, but a territory, and as such Judge Busteed's District Court had no legal status. The matter will thus be brought fairly and squarely before the learned judges of our highest judicial tribunal, and, if they will meet the question openly and render a plain decision, we may expect a solution of what is now a very complicated political subject.—*New York Herald.*

A Philadelphia Judge of one of the higher courts of that city has decided that negroes have no right to ride in the street cars, if the companies thinks proper to exclude them.

Ex-Senator C. C. Clay has returned home after a protracted absence, to find his property libelled for confiscation at the instance of the United States District Court for North Alabama.

A sister of a late Governor of Kentucky died a few days ago in a station-house in Cincinnatti, of congestion of the brain. She was a miserable drunkard.

Supreme Court—Decision relative to Military Tribunals.

WASHINGTON, Dec. 31.

The opinion of the minority delivered by Judge Chase, and that of the majority by Judge Davis, are published. It is impossible to telegraph it entire, and the arguments are so close that a synopsis would do injustice to the learned judges. The only point, in addition to those already telegraphed, is that Chase maintains that Congress can relieve members of the illegal tribunals from personal responsibility in damages at the hands of those whom they punished.

In Judge Davis' elaborate opinion, the following paragraph appears:

"It can never be, in this country of written constitutions and laws, with a judicial department to interpret them, that any Chief Magistrate would be so far forgetful of his duty as to order the execution of a man, who denies the jurisdiction that tried and convicted him, after his case was before Federal Judges with power to decide it; who, being unable to agree on the grave questions involved, had, according to known law, sent it to the Supreme Court of the United States for decision. But even the suggestion is injurious to the Executive and we dismiss its further consideration. There is, therefore, nothing to hinder this Court from an investigation of the merits in this controversy. And no graver questions were ever considered by this Court, nor one which more nearly concerns the rights of the whole people; for it is the birth right of every American citizen, when charged with crime, to be tried and punished *according to law, &c.*

A New and Grand Epoch in Medicine!

DR. MAGGIEL is the founder of a new Medical System. The quantitative, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant. There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is announced that **Maggiel's Billious, Dyspeptic and Diarrhœa Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 11 Pine St., New York, and all Druggists, at 25 cts. per box.

OPINIONS OF THE PRESS.

The Louisville *Journal* says: "The testimonials which Dr. Gardner presents to the public could never have been obtained, except by the display of great skill and learning in his profession. One thing especially commendable in the Doctor's practice is, that he will not attempt an incurable disease for the sake of a fee, but frankly tells the patient whether he can be cured or not. We cheerfully recommend Dr. Gardner to the attention of all our friends who may be suffering from diseases of the eye or ear.

The Richmond *Times* says: We have no hesitation in saying that Dr. Gardner is the most scientific and successful eye and ear Surgeon in this country.

"Dr. Gardner's treatment of the eye and ear is wonderful."—*Richmond Enquirer.*

"We feel justified in recommending Doctor Gardner to those suffering from diseases of the eye and ear."—*Richmond Whig.*

"We can safely and cordially recommend Dr. Gardner, who will faithfully undertake to perform."—*Baltimore Clipper.*

The New Orleans *True Delta* says: "We can safely recommend Dr. Gardner as a successful operator on the eye and ear. He will not undertake to treat a case unless a cure can be effected.

The Wheeling *Register* says: "Dr. Gardner is one of the most successful Oculists and Aurists in the country. We advise those suffering from the diseases of the eye and ear to consult him."

☞ Let the Suffering and Diseased read the following.

☞ Let all who have been given up by Doctor and broken of as incurable, read the following.

☞ Let all who can believe facts and can have faith in evidence, read the following:

Know all men by these presents, That on this, the Twentieth day of June, in the year of our Lord, One Thousand Eight Hundred and Sixty-Six, personally came Joseph Hoydock to me, known as such, and being duly sworn, deposed as follows: That he is the sole general agent for the United States, and dependencies thereof, for preparations or medicines known as MAGGIEL'S PILLS and SALVE, and that the following certificates are verbatim copies to the best of his knowledge and belief.

JAMES SMITTER,
Notary Public,
Wall Street, New York.

L. S.

June 1, 1866.

DR. MAGGIEL:—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your medicine. Oh, doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.

JAMES MYERS,
110 Avenue D.

This is to certify that I was discharged from the army with Chronic Diarrhœa, and have been cured by Dr. Maggiel's Pills.

WILSON HARVEY,
27 Pitt Street.

New York, April 7, 1865.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burnt dreadfully. The following certificate was given to him about eight weeks after the accident.

New York, Jan. 11, 1866.

My name is Jacob Hardy; I am an Iron Founder; I was badly burnt by hot iron in November last; I am burns healed, but I had a running sore on my leg that would not heal; I tried Maggiel's Salve, and it cured me in a few weeks. This is all true, and any body can now see me at Jackson's Iron Works, 2nd Avenue.

J. HARDY,
119 Gerrick Street.

Extract from Various Letters:

"I had no appetite; Maggiel's Pills gave me a hearty one."

"Your Pills are marvelous."

"I send for another box, and keep them in the house."

"Dr. Maggiel has cured my headache that was chronic."

"I gave half of one of your pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Maggiel's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears and the noise left."

"Send me two boxes; I want one for a poor family."

"I enclose a dollar; your priends twenty-five cents, but the medicine to me is worth a dollar."

"Send me five boxes of your pills."

"Let me have three boxes of your Salve by return mail."

I have over 200 such Testimonials.

As this, but want of space compels me to conclude
