SCHOOLS IN NORTH AND SOUTH CAROLINA,
FOR THE
Orphans of Confederate Soldiers.
REFERENCES:
"COLUMBIA, Oct. 19, 1865.

MISS M. A. BUIE, SO FAVORABLY KNOWN during the war as the "Soldier's Friend," is engaged in the attempt to found a School for the orphan children of Southern Soldiers. She proposes that contributions for this purpose should be placed in the hands of some gentlemen of this State, to be appointed by the Governor, and that the School shall be located in some desirable portion of the South. I commend this laudable undertaking to all charitable persons, and I wish that the amplest success may reward the patriotic efforts of Miss Buie.

WADE HAMPTON."

"I concur with Gen. Hampton in commending the benevolent enterprise of Miss Buie to the favor and patronage of the generous, liberal and philanthropic. Her life thus far has been devoted to acts of kindness and charity, and she merits success in her undertaking.

OBJECTION 1.

I'M TOO POOR; I CAN'T AFFORD IT.

ANSWER.

If you are too poor to save less than half a dollar per week, at from 20 to 35 years of age, or proportionately at other ages, and find it so difficult to do so—should you be taken away by death, how bitterly poverty will strike home to your widow and children, or those dependent on you? Is it not worth a struggle to avoid this, and give them at least $1,000 by paying so small a sum? *It costs just $2,00 per month to insure $1,000 at the age of 32 years.*

OBJECTION 2.

I've talked to several of my friends, and they all advise me to have nothing to do with it.

ANSWER.

Will your friends undertake to provide for those you leave behind, in case you do not live long enough to save money? Ask them, and be guided by their answer.

OBJECTION 3.

I can't make up my mind; call again.

ANSWER.

Your other objections have been answered. I appeal to your own common sense to answer this for yourself, aided by

THREE PRACTICAL REFLECTIONS.

SECOND.—No provision is perfect that is contingent upon the duration of your Life, which is not immediate.

The Fall Session of this Institution closed 23rd. day of December. The Spring Session opened the 1st. Wednesday in January, and will continue 20 weeks.

The success of this school has been without a parallel. A new building has just been completed, by which a large additional number can be accommodated. We are determined to make our pupils as comfortable as they can be made anywhere, and to afford them all the advantages for a thorough and extensive education, that can be found at any First class Female College, North or South.

The location is a most delightful one. The Mineral Water is too well known to this whole country to need a remark. Even invalid young ladies may secure a thorough education, and at the same time the restoration of their health. Reference is made to many intelligent Physician in the State, as well as to the hundreds who have found relief here.

The young ladies all worship in the College Chapel, and hence no extra clothing is required. *In the single item of dress parents can save 25 per cent. of the entire expense incurred by sending to Boarding Schools located in cities or villages.* The Institution is certainly one of the cheapest and most easy of access in the Southern States. Besides, it offers the most superior advantages in every respect.

A PROPOSITION.

IN WHICH YOU ARE INTERESTED.

I PROPOSE for the protection of the citizens of Raleigh and surrounding country, against the imposition of those so-called Cost Stores, to furnish each and every person, the New York Cost of any goods they may want to buy; by this means they can tell whether they are buying goods at Cost or paying a profit on them.

Call before going to any of those Cost Stores so-called, and let me give you a memorandum of Cost prices.

Most of my large stock I will sell at cost but I have goods that I will not sell in that way, and neither will those merchants who make such a flourish about selling at Cost.

No merchant in this place has purchased his Goods any cheaper than I bought mine. Any assertion to the contrary is *false*; and I will guarantee to sell Goods as low as any Cost House. All I ask is an opportunity to prove the truthfulness of this assertion.

AN INVALUABLE DISCOVERY,
BY WHICH
Water can be Turned into Money.

Truly has it been said, "That the riches of this world, lie buried in the bowels of the earth." The precious metals that are daily taken from thence, readily procure all the luxuries and comforts—save, the great boon to the sick, Health—without which life is a burden, and the millions of the Rothchilds' would fail to secure.

To females suffering from Leucorrhœa, (or Whites, as it is commonly called,) I, as a Physician of many years experience, would say, that you need not longer endure a miserable life of pains, aches and general debility, or weakness, the consequence of this deplorable disease.

All Physicians, of modern teaching, will admit the great difficulties in arresting this destroyer of health, for various reasons unnecessary to mention. Patients suffering therefrom will as readily agree, that medicines, however carefully prepared and used fail, in most instances, to afford relief; and in many, from long continuance, produce debility, thereby increasing the malady they were expected to relieve.

Deeming it a great privilege to be a public benefactor, and add to the comforts of the afflicted, by placing before them means of relief, I here give the history of a few cases of great interest that have fallen under my professional care.

Mrs. ——, a lady of the highest standing in the city of Charlotte, N. C., had been an incessant sufferer from Leucorrhœa for three years. Her cheeks were blanched, her skin always cold and almost transparent—in fact she seemed not to have a red corpuscle in her body. So weak was she, that it was with great difficulty she could ascend a flight of stairs, without feeling faint and exhausted. Palpitation of the heart, head-ache, and a dizziness in the head, besides excruciating pains in the back, together with a bearing-down sensation in the region of the womb, were constant and alarming. Notwithstanding they were but symptoms of extreme debility, induced or kept up by the never ceasing drain from her system. In this condition, every means at my command was used for her relief. Remedy after remedy was tried. Every means recommended by our modern authors proved worthless in her case. Hearing of the case of a servant, whom I had formerly treated, (belonging to Mr. Cross,) having been very much benefitted by this mineral water, I resolved, (without further inquiry,) as the last resort, to recommend to her its use. Anxious to be restored once more to health, she readily acceded to my proposition, and visited this well daily. Soon improvement was visible, and in the short space of three months her health was entirely restored. A living monument to the great curative virtues of this water.

The next case of great interest is that of the servant woman already spoken of. Seven years previous to the discovery of this well, Mr. Cross engaged my services in the cure of this woman. I made most careful examination and searched out all of the particulars of her history. She had suffered for 18 years with Leucorrhœa, and being sorely afflicted therefrom, it was universally known in our community, that she was the martyr of the town. I found her with all of the distressing symptoms attending this malady, and could only afford her temporary relief. Time passed on, and still her afflictions did not abate. She abandoned all hope of recovery, and resolved to take no medicines, but to resign herself to the fate which seemed to await her. Her master just then having discovered this well, advised that she should drink freely of the water, as it might be of some benefit to her. Like a drowning man catching at straw, she tried it, and improvement was soon perceptible. Perseverance was crowned with success, and this day she is a strong and healthy woman, and can be seen at the residence of her former master, and will take great pleasure in relating, in detail, to any visitors, the history of her case.

Many other cases known to us, of equal interest, have been cured, and others are being daily benefitted.

It is to be regretted that the pecuniary embarrassments incident to the late war precludes the idea of Mr. Cross' fitting up this valuable property, as a resort for invalids. Under these circumstances, the owner (Mr. George Cross, of Charlotte, N. C.,) is willing to dispose of his property at the very reasonable price of $10,000 in U. S. currency, and will communicate with any one either by letter or personally.

The plantation of 100 acres of fine and productive land is situated within one and a half miles of the city of Charlotte, N. C., immediately on the Wilmington, Charlotte and Rutherford Railroad. A fine residence, with modern improvements and conveniences, together with all necessary buildings attached, have just been completed, and to capitalists seeking investments no finer inducements could be offered.

FOR THE CURE OF DYSPEPSIA, DISORDERED Digestion, Flatulency, Sluggish Circulation of the Blood, Bilious Complaints arising from a morbid condition of the Stomach and Bowels. An Elegant Tonic in debilitated states of the Digestive Organs, or of the system generally. For the loss of appetite it is the most wholesome and effectual Tonic in the world. It strengthens nature and enables the system to triumph over disease. In wakefulness attended with tremors and general nervous derangement, it is peculiarly adapted, giving strength and tone to the nerves. To delicate Ladies and Children it is invaluable—and in fact whenever a pleasant and agreeable Tonic is wanted, this should be used.

Dr. Johnston H. Jones, one of the most scientific and well known Physicians in the Southern States, testifies to its great value, besides many others who have been greatly benefited by the use of these Bitters.
