-- The Salisbury Old North State says The Chathum Relicoad Company was chartered in the year 1861. By an ordinance of the State Convention, passed the prospect is every where promising

and the corporate bodies making such subscriptions had the option of redeeming their bonds to the State at any time before maturity, in the currency of the State. By a subsequent ordinance, hooks were allowed to be opened for further subscription for stock in the said Company.

Under the first ordinance, the city of Raicign subscribed \$10,000 paying, about the time, \$1,000 in cash, and executing to the State 48 bonds, each for \$1,000—dated lat. January, 1863. One of these bonds to the State, as appears by the books of the Public Treasurer, was paid off by the city, leaving

Raieigh, whose 48 bonds were held by the State, and the city might be required to pay the full amount.

After several attempts to adjust the finatter among the several companies and individuals had failed, I was appointed to set as the agent and attorney of the city.

The brief of finary notice in the Tisse of this morning is complimentary, but premature.

After several attempts to adjust the finate of anomalies may be several companies and individuals had failed, I was appointed to set as the agent and attorney of the city. Upon a meeting of all the parties consense, it was finally agreed that the Chiatham B. R. Company, Juich had the Public Treasurer's obligation to deliver \$45,4000 or Naile borrels, (part of those obtained by the same to the rise and cancel the city's subscription for their mount, of stock, presided the city and the results, would agree to have the bailed of the city of the company, at the langer were approached as a subscription for their mount, of stock, presided the city would agree to have the bailed of the city of the city of the company at the langer were approached any assistance in the premise of the city of the company at the langer were approached any assistance in the premise of the city of
