## THE SENTINEL.

WM. E. PELL, PROPRIETOR.

### IMPORTANT ORDER BY GENERAL SICKLES.

HEADQUARTERS, SECOND MILITARY DISTRICT, CHARLOTTE, S. C., April 11, 1867.

The general destitution prevailing among the population of this military district cannot be relieved without affording means for the development of their industrial resources. The nature and extent of the destitution demand extraordinary measures. The people are borne down by a heavy burden of debt; the crops of grain and garden produce failed last year; many families have been deprived of shelter; many more need food and clothing; needful implements and auxiliaries of husbandry are very scarce; the laboring population in numerous localities are threatened with starvation unless supplied with food by the government of the United States; the inability of a large portion of the people to pay taxes leaves the local authorities without adequate means of relief, and the gravity of the situation is increased by the general disposition shown by creditors to enforce upon an impoverished people the immediate collection of all claims. To suffer all this to go on without restraint or remedy is to sacrifice the general good. The rights of creditors shall be respected, but the appeal of want and suffering must be heeded. Moved by these considerations, the following regulations are announced, and they will continue in force, with such modifications as the occasion may require, until the civil government of the respective States shall be established in accordance with the requirements of the government of the United States. The Commanding General earnestly desires and confidently believes that the observance of these regulations, and the co-operation of all persons concerned in enforcing fairly and justly the advantages still remaining to them, will mitigate the distress now existing, and that the venues of industry, enterprise and organization thus opened, will contribute to the permanent welfare and future happiness of the people.

**First**—Imprisonment for debt is prohibited, unless the defendant in execution shall be convicted of a fraudulent concealment or disposition of his property with intent to defraud his creditor, or to prevent the recovery of his debt or demand; and the proceedings now established in North and South Carolina respectively for the trial and determining of such questions may be adopted.

**Second**—Judgment or decrees for the payment of money on causes of action arising between the 10th of December, 1860, and the 15th of May, 1865, shall not be enforced by execution against the property or the person of the defendant, except in such cases of action now pending shall be stayed, and no suit or process shall be hereinafter instituted or commenced for any such cause of action.

**Third**—Sheriffs, coroners and constables are hereby directed to suspend for twelve calendar months the sale of all property upon execution or process on liabilities contracted prior to the 10th of December, 1860, unless upon the written consent of the defendant, except in cases where the plaintiff, or in his absence his agent or attorney, shall upon oath, with corroborative testimony, allege and prove that the defendant is moving or intends fraudulently to remove his property beyond the territorial jurisdiction of the court. The sale of real or personal property by foreclosure of mortgages is likewise suspended for twelve calendar months, except in cases where the payment of interest money accruing since the 15th day of May, 1865, shall not have been made before the day of sale.

**Fourth**—Judgments or decrees entered or enrolled on causes of action arising subsequent to the 15th of May, 1865, may be enforced by execution against the property of the defendant, and in the application of the money arising under such executions regard shall be had to the priority of liens, and in cases where the good faith of any lien shall be drawn in question. In such cases, the usual mode of proceeding adopted in North and South Carolina respectively to determine that question, shall be adopted.

**Fifth**—All proceedings for the recovery of money under contracts, whether under seal or by parol, the consideration of which was the purchase of negroes, are suspended. Judgments or decrees entered or enrolled for such causes of action shall not be enforced.

**Sixth**—All advances of money, subsistence, implements and fertilizers loaned, used, employed or required for the purpose of aiding the agricultural pursuits of the people shall be protected, and the existing liens which have provided the most efficient remedy in such cases for the lender, will be supported and enforced. Wages for labor performed in the production of the crops shall be a lien on the crop; and payment of the amount due for such wages shall be enforced by the like remedies provided to secure advances of money and other means for the cultivation of the soil.

### MISCELLANEOUS.

**WISCONSIN**—In suits to recover ordinary debts known as actions or contracts, bail, as heretofore authorized, shall not be demanded by the debtor or taken by the sheriff or other officer serving the process; in suits for trespass, libel, wrongful conversion of property and other cases, known as actions or torts, bail, as heretofore authorized, may be demanded and taken. The prohibition of bail in cases of contracts shall not extend to suits to leave the State; but the fact of intention must be clearly established by proof.

**Eleventh**—In criminal proceedings the usual recognizances shall be required and taken by the proper civil officers heretofore authorized by law to take the same, provided that upon complaint being made to any magistrate or other person authorized by law to issue a warrant for breach of the peace or any criminal offense, it shall be the duty of such magistrate or officer to issue his warrant on the recognition of the complainant to prosecute without requiring him to give security on such recognition.

**Twelfth**—The practice of carrying deadly weapons, except by officers and soldiers in the military service of the United States, is prohibited. The concealment of such weapons on the person shall be deemed an aggravation of the offense. A violation of this order will render the offender amenable to trial and punishment by military commission. Whenever wounding or killing shall result from the use of such weapons, proof of the party carrying or concealing a deadly weapon shall be deemed evidence of a felonious intent to take the life of the injured person.

**Thirteenth**—The order heretofore issued in this military department prohibiting the punishment of crimes and offenses by whipping, maiming, branding, stocks, pillory or other corporal punishment, is in force and will be obeyed by all persons.

**Fourteenth**—The punishment of death in certain cases of burglary and larceny, imposed by the existing laws of the jurisdiction, is abolished. Any person convicted of burglary or larceny, when the property stolen is of the value of \$25, of assault and battery with intent to kill, or of any assault with a deadly weapon, shall be deemed guilty of felony, and shall be punished by imprisonment at hard labor for a term not exceeding ten years nor less than two years, in the discretion of the court having jurisdiction thereof. Larceny, when the value thereof is less than \$25, shall be punished by imprisonment at hard labor for a term not exceeding one year in the discretion of the court.

**Fifteenth**—The Governor of North and South Carolina shall have authority within their jurisdiction respectively to reprieve or pardon any person convicted and sentenced by a civil court and to remit fines and penalties.

**Sixteenth**—Nothing in this order shall be construed to restrain or prevent the operation of proceedings in bankruptcy in accordance with the acts of Congress in such cases made and provided for, with the collection of any tax, impost, excise or charge levied by the authority of the United States or of the provincial governments of North and South Carolina; but no imprisonment for over due taxes shall be allowed, nor shall this order or any law of the provincial governments of North and South Carolina operate to deny to minor children coming of age, or their legal representatives, nor to suspend as to them, any right of action, remedy or proceeding against executors, administrators, trustees, guardians, masters or clerks of equity courts, or other officers or persons holding a fiduciary relation to the parties or the subject matter of the action or proceeding.

**Seventeenth**—Any law or ordinance heretofore in force in North or South Carolina inconsistent with the provisions of this General Order is hereby suspended and declared inoperative.
