Was organized in 1846. Its success has not been equalled by any other Company. It is organized upon the purely mutual system; it has no proprietary or Stock Capital; and the preeminent satisfaction, therefore, in the contemplation of the vast figures, is, that they denote not the enrichment of a Corporation, but present and coming blessing to *Thousands of Homes!*

All policies non-forfeitable by their terms.
No extra charge made on policy holders, except only where the risk is extra hazardous.
The undersigned will take pleasure in explaining and proving any of his statements.

THE NORTH AMERICA
LIFE
INSURANCE COMPANY.
New Features and Advantages Which are Known as Belonging to no Other Company in the United States.

THE MANAGEMENT OF THIS COMPANY IS upon the Mutual Benefit System—the accumulated profits going to the assured.

This company makes a special deposit with the Insurance Department of the State, for which Registered policies are issued if desired, countersigned by the Superintendent of the Insurance Department of the State of New York, certifying that such policies are secured by pledge of public stocks.

No other Company gives the assured a guarantee of this character or anything equivalent.

Thirty days' of grace are allowed on all renewed premiums, and the policy remains valid and in full force during that time.

No restrictions as to travel or residence abroad at any season of the year, outside the tropics, which gives a nearly world-wide and unconditional policy.

No higher rate of premium charged for stationary Engineers, Conductors, Baggage Masters, Mail Agents, nor in consequence of change of employment after the policy is issued.

Notes are not required by this Company, but a loan may be obtained on the policy for one third of the annual premium, which is cancelled, by the profits applied as dividends.

Joint policies, including man and wife, are issued by this Company, and the amount insured is payable to the survivor on the death of either.

Our dividend, January 1st, 1866, was 45 per cent.

Dividends are declared annually, and paid on settlement of 4th. Annual Premium, on all our plans upon the full amount of premiums received.

Premiums may be paid annually, semi-annually or quarterly.

All policies issued by this Company are non-forfeiting, after two, in some instances, and three annual payments in others.

The per centage of persistent receipts in 1865, over 1864, was 251 per cent; which is nearly double that of any other New York company.

Policies incontestable from any cause except on account of fraud.
