Waskly Sentinel one year,

THE SENTINEL. VM, E. PELL, I SEATON GALES,

BATURDAY, NOVEMBER 9, 1867, CONSERVATIVE TICKET, FOR THE WAT CONVENTION IN WAKE.

most worthy critism, a man of fine intelli his party are tottering to their fall. .

The ticket, perhaps, has the most unex-

to fitness for she position to which they as to fix upon their constituents that negro they are kept until four years old, and are ples. If they are a samply of what the equality which they have so indignantly readical members in the Convention will be, pudiated ? t will be a reflection upon the State, which | The days of Hadicalism are numbered. has heretofore selected her ablest, wiscat Its doom is scaled. Its dissolution will

Mr. Joshos P. Andrews is a modest, unpresentation of the state of the Blue Bidge.

Well tend many surely to so desirable a control theorem is a modest, who has been in this City summation than an attempt to force negro equality upon the white people of the North, against their will, and in defiance of their who has lived two years in the place. His the late elections.

**Expectations, as to the number of sheep in the America produces as fine word in the late of the Blue Bidge.

**Wool growing does not receive its due to their summation than an attempt to force negro equality upon the white people of the North, against their will, and in defiance of their protest, so grandly attered as the polls in the late elections.

**They deay that Catawba County belongs, "politically, to a few individuals, protesting against the assumption of right on the share of capital hrre. It has been proven against the assumption of right on the county in the way it has been."

**Mool growing does not receive its due share of capital hrre. It has been proven against the assumption of right on the county in the way it has been."

**Mool growing does not receive its due to the number of sheep in the deay that Catawba County belongs, when the politically, to a few individuals, protesting against the assumption of right on the again.

**They deay that Catawba County belongs, the deay that Catawba County belongs, and the politically to a few individuals, protesting against the assumption of right on the again.

**They deay that Catawba County belongs, the deay that Catawba County belongs, as to the number of sheep in the politically. They deay that Catawba County belongs, as to the number of sheep in the political p

Snung total preacher in the Methodist Church, of very moderate intelligence or

resistand that Mr. Williams' conversations, for years, have made the impression upon the people that he is an include the impression upon the people that he is an include the impression upon the underlieved in every precinct with cheers for woman's rights. Female suffrage is deleased by a large majority, but its inther stated that rumor charges is deleased by a large majority, but its will being an Atheist, as made up, than we get for the cotton we prove the same of people that he is an include the impression upon the song and were received in every precinct with cheers for woman's rights. Female suffrage is deleased by a large majority, but its include that rumor charges is deleased by a large majority, but its received a mark larger vote of forty-five thousand. Governor Bullock is as popular now, personally, as songs and were received in every precinct with cheers for woman's rights. Female suffrage is deleased by a large majority, but its near this would the heavy this old figure 1 literates of the interior of a finite interior of a finite interior of the cotton we precinct with the state of the state of the serve at this arrange. He is an 1865, when he carried the State of the serve at this arrange in the suffrage is deleased by a large majority, but it needs to the serve at this arrange in the suffrage is deleased by a large majority, but it is not a finite in the serve at this arrange in the suffrage is deleased by a large majority, but it is not a finite in the serve at this arrange in the suffrage is deleased by a large majority, but it is said to yield one thousand. He state by torty-mine thousand, or in 1866, when it received in the serve at this arrange is now made a large that the serve at this arrange is now made a large that the serve at the serve at the serve at the serve at this arrange is now made a large that the country of the state of the serve at this arrange is a deleased by the serve at the serve at compelled to oppose his election with noncontrolled to oppose his election with the respective of distance, and it responses to the controlled of the second of the seco

not seem to confide fully in him. The prejudice of colors are confidently and fairely charged upon the white people of the South, is twenty times as shough in the colored race as in the white; hence, we conclude, that whatever the colored people may say signing.

Havis, this prejudice of color will lead them is very generally to vote for him. If numbers could entitle voters to say who should repaire them, if appears to us that simple people in the south of the special entitle voters to say who should repaire them, if appears to us that simple position of the first of this region, for this followers. Even the frivers, creeks and lakes are as clear as gloss. These of the Broad comes neares to grateful the blacks to three colored position of the first of this region, for this followers. Even the frivers, creeks and lakes are as clear as gloss. The vote for him the possibility of two first in the first the possibility of two first in the south of the south. In the control of the most deprayed and reckless white of things, and sell them in the raw state, but they greatly stream, west of the Broad comes neares to grateful the blacks to three colored controlled the blacks to three colored controlled the blacks, but the control of military of the south. In the result of things, and sell them in the raw state, but they greatly as a long as we raise only certain kinds and but y first kindled articles to every two men in the South. In the event of trouble between the negroes and the white possibility of two dellars to strenger the fieldings of the wines, which can handle of the special states of the south of the south of the south of the south of the most deprayed and reckless white of this gap and the south of the scept udicr of color, so strongly and fainly charged spon the white people of the South, is 2,0 twenty times as strong in the colored race

first make mad," This old maxim has

monntains, and is sunset here perusp an horizontal between the two, is their ability and fitness for the important. We expect now to hear him throw a similar position for which they have been selected.

In consultative famorogram.

It is seldom that a ticket has ever been selected in Wake County, composed of gentlemes better fitted, in all respects, than the broken down in biddy, but boiling over with the country, for a Rail Road by which the produce of the reconsultation as a sound jurial and gendlemen of ability and worth is as wide as the States of the Related in the produce of the reconsultation of the related in the produce of the reconsultation of the related in the related in the states of the related in the produce of the reconsultation of the related in the related in the related in the relation of the related in th terse, sound judgment and shijity, and his that the Howard amendment has been not get a wagon price for corn, whilst others are able to put down their corn at a Raij grant and amiable spirit, commend him to adouted by a sufficient number of States to Road price. every man. All parties, both white and secure its incorporation as a part of the colored, can rely upon him for a faithful, honorst and able discharge of the duties imposed upon him, and may expect from him full justice.

P. H. Mangum, For, of Wake Porest is "weed" at the specific contract of the property of the specific contract of the property of the specific contract of the country.

The specific contract of the property of of P. H. Mangum, Esq., of Wake Porest, is "mad,"-the surest evidence that he and everywhere.

nce and sound judgment, honest and ca- We hope that Mr. Stevens will attempt to puble, and devoted to farming and the carry his threat into execution. It has been these western country. It is early abandant, from the quiet of home, to serve the people, of the New York Times, that unqualified the mountains, extending several miles. A negro suffrage never has received the sano pen is made at some central point, contain-Dr. Jolin A. McLean is a most popular tion of any Republican caucus which has ing a number of salt boxes, in which the salt intended for the cattle is placed. The and worthy gentleman and physician in his been held, but that it was only under the sall intended to the cattle is placed. The listrict - a man of sterling sense, with an pressure of extraordinary dircumstances, that they learn the intention of the peo. After homes fection face and an irrepresentable the views of the minority on that question that, they come up regularly every evening, and spend the night there. Early next morning the recent and Havnett, but for some years he has been a practicing physician in the Congress, that the extreme views of the military morning the range over several miles. The recent elections are full of warning the range over several miles. The wolves rarely attack cattle day, who walled through the bonor and her leave to the wolves rarely attack cattle day, and by he wall and by h the Radicule are abborrent to the feelings, and by being in the pen at night, and a temper and judgment of the American peoceptionable record of any ever brought before the people. With the exception of
Judge Fowle, none of those on it have ever
been is political life, and he but little. It
is an honest, working, Conservative Union
ticket, and one above reproach or assault
from any quarter. Let every Conservative
feature, as in the past, by the white and surdetermine to elect the entire ticket.

THE RADICAL TICKET.

It would seem that the Radical ticket in
this County was a force jest. Not one of
the candidates can pretend to lay any claim
to fix upon their constituents that negro
to fix upon their constituents that negro
the great variety
of natural growth, among them the wild
pea, which grows extensively in our western
counties.

If these mountain sides were cleared,
plowed and put is clover and other grasses,
as is the case in Western Virginia, as is the case in Western Virginia, and our flate would become as noted to
cattle raining as Virginia tiself. As it is, a
great many head of cattle are driven from
North Carolina while young, say two years
old, to the richer pastures of Virginia, where
they are kept until four years old, and are

For the Sentinel. CATAWBA COUNTY.

him we know but little, but, being a very small potato, little is required. His father's family moved to this county in 1863, while poor William was in the army, and was supposed to have left High Point, because (without paying tax) against the express orders of his radical friends would not pay. William seems to have interited the patriotism of his father, for he joined the U. L. A. immediately upon its organization, and holds to it with a terrible tenseity, because, in that society, he finds fit associates.

The third and last of this Committee

"kindly protests against the bitterness of party prejudices which have characterized your persons in this county for past years."
Yory good advice. "Physician, heal thymeli!" Every one why Every one who knows him, knows full well that there never was a man, (not district, to ground arms like Longstreet, poor fellow.
who waded through the blood of thousands REDUCTION IN PRICES! of brave men to office and honor, and has since sold it for less than a "mess of pottage" for Radical" office.

We are sorry to say that there are men in this county, like Longstreet, who are willing to bow at the feet of the political "Moloch of compation, and link the feet of the op pressor for a few crumbs, as the cheap bought Br. Pritchard, editor of the Union Sices, has done, -ready, at all times, o denounce Conservative meetings and Con-servative journals for trying to save the counserVative journals for trying to save the country, in the vain hope of reaping favor from Kelly Ashley, Butler, Boutwell, Thaddeus & Co. Poor fellow! he groped in the dark a long time, trying to find the current, and has, at last, (as he supposes,) found which way the popular breeze is blewing, but, ere another two years roll round, near P's seeming! they are kept until four years old, and are then taken to market for beef. Thus maintaining our old reputation for being forders of other people!

Wood.
