Kittrell's Springs Female College.

GRANVILLE COUNTY, N. C.

THE NEXT SESSION of this Institution will open the second Wednesday in February, 1868.

The location is unsurpassed for health and accessibility.

During the past session, in a family of nearly two hundred, there has scarcely been a case of sickness. The health of many invalid young ladies has been thoroughly restored by the celebrated mineral water found here and they have prosecuted their studies with entire success.

We are immediately on the Raleigh & Gaston Railroad, within less than a half mile of Kittrell's Depot, and in telegraphic communication with all parts of the country.

Every facility is afforded for the most thorough and extensive education.

The Faculty is composed of five male Professors and seven lady Teachers.

Everything is new. Our musical instruments, including Piano Organ, Harp and Guitar, are of the finest quality.

Special attention paid to thoroughness in the English Course.

Terms MODERATE and ACCOMMODATING.

The young ladies all worship in the College Chapel, and hence no extra clothing is required. Millinery is in no demand at Kittrell's. Parents tell us that their daughters cost them less here, in this respect, than even at home. Taking into consideration the items of dress and medical attendance, there is no cheaper school in the South. Besides, we are determined to accommodate our patrons as far as we can, as to time of payment, and to put female education within the reach of the people, in the present depressed condition of the country. OUR DAUGHTERS MUST BE EDUCATED.

North Carolina Land Agency.

HAVING ASSOCIATED MYSELF WITH GEN. J. D. IMBODEN, of the City of Richmond, Va., to whose card below I refer the public,

FOR THE SALE OF LANDS, MINES, &c., in North Carolina, I invite those persons in the State, having such property for sale, to address me at Goldsboro, N. C., and steps will be taken at once to call the attention of Northern capitalists to all such property.

D. W. COURTS.
Jan. 9-3t, 1868.

Virginia Central Land Agency.

I HAVE VERY RECENTLY PERFECTED THE organization necessary to conduct, on the largest scale, the business of selling

Lands, Mills, Mines, Furnaces, Water-Powers, &c.

My partner, Colonel R. J. PAGE, is in charge of our office in New York. In Philadelphia and Baltimore, I have Associates of the highest respectability and responsibility.

And for the sale of Lands, Mines, &c., in North Carolina, I am associated with R. W. COURTS, Esq., of Fayetteville, for many years State Treasurer of N. C.

The facilities this Agency offers for the sale of Lands are not surpassed in the South. In regard to Mines of all kinds, I have made contracts with parties in the cities North of this, who make that branch of the business a specialty, both in this country and Europe, according to me the widest possible field of operations, and to this city I have the aid and services of that accomplished chemist and Assayer, Col. WILLIAM GILHAM, for the prompt analysis of all minerals that may be sent to me, either determining the value of mines, before they are offered for sale.

TERMS:—For existing lands, five per cent commission on all sales actually made, but no charge whatever, unless a sale is effected. For Mines, an additional contingent fee, the subject of contract in each case, and payable out of proceeds of sale.

Reference is made to public men generally throughout the State, with most of whom I have the pleasure of being personally acquainted.
