THE SENTINEL.

LOCAL DEPARTMENT.

TUESDAY, FEBRUARY 18, 1868.

STATE EXECUTIVE COMMITTEE.

The gentlemen composing the State Executive Committee are respectfully requested to meet in this City, on Friday, the 28th. inst., at 11 o'clock, A. M. A full attendance is much desired. By order of the CHAIRMAN.

Raleigh, Feb. 17th, 1868.

COUNTY CONSERVATIVE MEETING.

The Conservative meeting announced for 1 o'clock, on yesterday, at the Court House, was necessarily postponed, on account of the Court's remaining in session until a late hour of the afternoon.

We are requested to state that it will be held at 1 o'clock, to day, and it is hoped that the Court, as usual on such occasions, will take a short recess, in order to allow the citizens to occupy the Court House.

WAKE COUNTY COURT.—This Tribunal is in session the present week. On yesterday, C. B. Root, Esq., of this City, was elected Chairman of the Court for the ensuing year, vice W. H. High, Esq., resigned.

THE FREEDMEN'S BUREAU.—The order discontinuing the Freedmen's Bureau in Maryland, Tennessee and Kentucky went into effect on Saturday. Happy States!—so far.

ACCEPTABLE PRESENT.—We thank our friend Capt. J. B. Hunter, of Portsmouth, for two pairs of canvass back ducks,—a pair for each Editor. Captain H. is as liberal as he is enterprising and energetic.—That is saying a great deal.

YOUNG MEN'S CHRISTIAN ASSOCIATION.—Rev. Thos. H. Pritchard, Pastor of the Baptist Church in this City, delivered on Sabbath evening last, at the request of the Young Men's Christian Association, a Sermon to Young Men.

The large and handsome auditory was filled to its utmost capacity, and the most profound attention was paid by the vast congregation. The text was in Paul's defence of himself, before the Corinthians, 2nd. Epistle, 5th. Chapter and 14th. verse, "For the Love of Christ constraineth us." The sermon was chaste and elegant in style, forcible and vigorous in thought, and delivered with great earnestness and deep solemnity. The reverend speaker's delineation of the strength of Christ's love, as compared with any exhibitions of human devotion; of its legitimate result, as illustrated in the life of the great Apostle; and of its service, as a motive for young men, was well drawn and clearly presented. His concluding appeal to young men, (with an exceedingly appropriate and eloquent allusion to the devotion of the honored dead, who had fallen in defence of their country's liberty,) was tender, solemn and powerful.

This is the first of a series of sermons to be delivered to young men, at the request of the Young Men's Christian Association, by the different Pastors and Ministers of the City. We were glad to notice the seal of approval in the willing service of ministers of different denominations and the large and attentive congregation.

X. P. G.—The Wilmington *Journal* and Newbern *Republican*, both edited by Yankee Radicals, hoist the name of the X. P. G. as the Radical candidate for Governor. Delighted to see it.

RUMOR.—It is rumored that a *select* caucus was held at the office of the "black and tan" paper, in this city, on last Saturday night week, at which were present the X. P. G., Col. Dowries, Col. Rodman, McDonald, of Chatham, Jim Harris, (negro,) and probably others. The programme, as arranged, it said to have been that Col. Rodman shall be the Radical candidate for Governor, and *Jim Harris (negro)* for Lieutenant Governor. The X. P. G. is to go to the Senate, &c., and McDonald and Dowries both wish to be candidates for Congress. Their conflicting claims are not yet reconcilable!

CRAVEN.—The following extract from a private letter to the Editors conveys cheering intelligence from this County:

"I am gratified to believe that the *white* spirit in this County is fully aroused. We had a fine meeting, in the Court House, on Tuesday last. Committees were appointed to canvass every District. The members of the Leagues (whites) are pouring out, declaring their purpose to go, in the contest of races, with their own color."

The same letter says:

"I hear we have a negro candidate to this Militia district for the position of Captain in the Militia. The whites don't like the prospect of having to answer before negro Courts Martial."

WILMINGTON JOURNAL.—This staunch and able Conservative paper has entered upon the twenty fourth year of its existence. Long may it continue to flourish! We extend to the worthy Editors our warmest congratulations upon the evidences of patronage and popularity, which the Journal exhibits.

MR. MACRAE'S READINGS.—Pleasanter evenings have not been spent in this community, for years, than have been afforded by Mr. Macrae's two readings,—in the Senate Chamber, on Saturday night, and at Tucker Hall, last night. On both occasions, there were present select and appreciative audiences, which were charmed and delighted.

Mr. Macrae's elocution is really of a splendid order. With a voice of remarkable flexibleness and compass, he has it under perfect control,—varying it, to suit the expression of his reading, from the most sonorous utterances to the most winning and gentle modulations. But even a greater attraction is his wonderful *facial* adaptability and eloquence. We have never seen a man who could more successfully portray, by the countenance, sentiment, feeling and passion,—whether of the tragic, fierce, tender or humorous character. Alternately, he had his auditory affected to tears, moved to indignation and overwhelmed with mirth.

His specimens of "After Dinner Oratory" were rendered in a manner that was irresistibly comic, while the sad and touching history of "Little Tiz" was almost equal in pathos to Dickens' "Little Nell." "Leap Year Wooing" kept the house in roars of laughter by its naturalness and humor, and was given with a vivacity and drollery that could not have been excelled.

Mr. Macrae deserves the thanks of the community, not only for the gratification he has afforded us, but for the generous donation of the entire proceeds of his entertainments to the charitable objects of the Young Men's Christian Association. As we have heretofore stated, his sole object, in visiting the South, is to acquaint himself with its people, with a view, probably, to a book from his graphic pen. We commend him, wherever he may go, to the courtesies of our people.

Sumner presented a petition from citizens of Massachusetts, praying the abolition of the Presidential office, as dangerous to the Republic.

Trumbull's bill, introduced to-day, defining the Jurisdiction of the Courts of the United States, is, in effect, as follows:

All Courts of the United States shall be bound by the acts of Congress on political questions; and that it rests with Congress to determine what government is the established one in any State; and it is declared that no civil State governments exist in the excluded States of the South, and no so-called civil government shall be recognized by either the Executive or Judicial power of the U. S., until Congress shall so provide, or until such State is represented in the Congress of the U. S.

The Reconstruction acts are declared political in their character, the propriety or validity of which no Judicial tribunal is competent to question; and the Supreme Court of the U. S. is hereby prohibited from taking jurisdiction of any case growing out of the execution of said acts, in either of the said States, until such State shall be represented, etc. And such cases now pending before that Court shall be dismissed, and all acts authorizing any appeal, writ of error, habeas corpus, or other proceedings, to bring before said Court, for review, any case, civil or criminal, arising out of the execution of said Reconstruction acts, are hereby repealed.

A PLAN OF ORGANIZATION.

STATE ORGANIZATION.

A State Committee, to consist of a Chairman and thirty members,—six of whom shall reside in Raleigh, and three in each judicial district—to be appointed by the State Convention.

The Committee shall have power to maintain its organization, by filling vacancies, &c., and shall take charge of all matters relating to organization, registration, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organizations, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and, when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

Resolved, That the President of the Convention appoint five or more persons, in each County, to make a thorough canvass of the same, and disseminate proper political information.

DECLARATION OF PRINCIPLES.

The Conservative people of North Carolina having, by their delegates, assembled in Convention at Raleigh, on the 5th. of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial departments are equal and co ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people of the Reconstruction Acts and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal affairs.

3. *Resolved* That it is the opinion of this Convention, that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether here after in North Carolina and the South, the white man is to be placed politically, and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper means within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we will have no unjust prejudices against that race; that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder, in the last resort, of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact, as established by law in the earlier and better days of the Republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States and the restoration of the Southern States to their rights in the Union on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates, for the State at large, to represent the Conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the Conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, which has been appointed by this Convention, be instructed, if the time shall be sufficient, to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered; and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said offices.
