We have beard, within a day or two post, of an instance of official promptitude, which elegeryes to be mentioned. The Court allourned on Saturday last, at 12, M., and by no chock of the same certific, the veteran and efficient Clerk, Edmind B. Preeman, Req., had deposited in the Postoffice all of his certificates, fully and with acrupulous exactales prepared. When the age of the present incumbent is considered, this is remarkable; but it will surprise no one who knows Mr. Freeman's energy, capacity and fidelity. He is a model Clerk, and a good copy for all younger officials.

EX-PRESIDENT PIEROS ON THE SITUATION.

CONCORD, Feb. 25th,, 1968, Ex-President Pierce, who is munifesting a deep interest in the progress of political affairs at Washington, expresses it as his opinion that the Democratic party in New carried off horses and killed poultry,—insulted the female members of households and maltreated the old men,—in many cases took the last pound of meat and the last dust of meal, and left the little children crying with hunger. Neither whites NOR BLACKS escaped.

Some of these "bummers" will, in April, 1838, without doubt, be candidates for the suffrages of the very people who were thus outraged. Was ever such impudence heard of below? A full for these treatures expect are more glorious and promising ampaign.
