CLINTON MALE ACADEMY.

THE TRUSTEES OF THE INSTITUTION are desirous to establish permanently a School of the highest character. They have secured the services of Professor E. P. GRANT, A. M., late of Wake Forest College, N. C., and now offer to the public a necessary worthy of their patronage. Where the Principals are known, no words of commendation need be said in their favor. Long experience in teaching, united with those qualities indispensably requisite to the proper training of the youthful mind, render their services highly valued for the office of friend and instructor.

The location is remarkably healthy; the community is universally regarded as uncommonly moral, intelligent and pleasant, and offers, therefore, many and superior advantages to parents and students, which cannot be found where the education of their sons or wards is others.

Any information that may be desired in regard to terms, &c., will be furnished with pleasure by either of the Teachers, or by the Trustees.

By order of the Board of Trustees.

A. A. McKOY,
June 27-1aw3w Secretary.

TREATS DISEASES OF THE THROAT, WINDPIPE AND LUNGS,

By a modification of the plan of the late Dr. Green, of New York, with a success beyond any other treatment ever discovered.

Norfolk is one of the best retreats for patients of either class on the American Continent.
