SEYMOUR AND BLAIR RATIFICATION MEETING.

MOUR AND BLAIR CLUB.

Pursuant to a call, published in the North Carolina Argus, a large audience of the Conservative citizens of Anson met at the Baptist Church, in Wadesboro,' on Monday, the 13th, inst., for the purpose of organizing a Democratic Club for the Presidential campaign. S. V. Smith, Esq., was called to the Chair, and W. P. Kendall, jr., and Capt. J. M. Little appointed Secretaries.

The object of the meeting having been explained by Col. R. T. Bennett, a committee, composed of two from each precinct, as follows, was appointed to report permanent officers and resolutions:

Dr E F Ashe and J M Little, Wadesboro; Vincent Parsons and Maj W E Smith, Morven; J P Ratliff and Elijah Huntly, Gulledge's; J W Huntley and Eli Barrett, White's Store; R B Gaddy and Alex Allen, Poplar Hill; L L Polk and D B Bennett, Lanesboro; P N Smith and G W Threadgill, Cedar Hill; B K Ponds and Wiley Bowers, Diamond Hill; John McGregor and J B Ingram, Smith's; John Knotts and M C Long, Lilesville; W M Parker and Robert Broadway, Burnsville; H W Ledbetter and J B Lake, Beverly.

The Committee retired, and Colonel R. T. Bennett addressed the meeting in his usual earnest manner upon the important issues before the people to be settled in the Presidential election, and, at the close of his speech, the Committee reported the following list of officers for permanent organization, which was unanimously adopted:

For Presidents—Hon. T. S. Ashe.

Vice Presidents—Col. R. T. Bennett, Col. L. L. Polk, B. K. Ponds, Esq., W. N. Parker, Esq., Gen. W. G. Smith, Col. H. W. Ledbetter, Col. E. R. Liles, Capt. Rowland Crump, Vincent Parsons, Esq., J. P. Ratliff, Esq., Dr. J. A. Mellis, Capt. R. P. Gaddy.

Secretaries—H. T. Hall and J. M. Little.

Treasurer—W. P. Kendall, Sr.

The following resolutions, reported by the Committee, were also adopted:

Resolved, That this club shall be called the Anson County Seymour and Blair Presidential Campaign Club.

Resolved, That this club meet once every two weeks, in the town of Wadesboro', on Saturday, at 12 o'clock, beginning Saturday, the 25th inst.

On motion, the President elect—Hon. T. S. Ashe—was requested to take the Chair, and a Committee, consisting of Messrs. H. A. Crawford, R. T. Bennett and R. B. Gaddy, was appointed to take the names of all persons who desired to become members of the club.

Mr. Ashe took the chair and the Committee discharged their duty, returning one hundred and twenty-four names in addition to the officers.

The following resolution, also reported by the Committee, was unanimously adopted:

Resolved, That we unreservedly take the platform adopted as the National Democratic Convention as embodying the principles upon which we will conduct the pending Presidential campaign; and we earnestly call upon any friend of civil liberty to co-operate with us.

Upon motion of Col. R. T. Bennett it was resolved that the voters, white and colored, be requested to form clubs in each district, and that when either the whites or colored are so few in number as to render a separate formation impracticable they are recommended to combine.

The Vice Presidents were requested to take the names of all those in their precincts who wish to become members of the Club, and to return the names to the Secretaries.

After listening with the strictest attention to a few happy and effective remarks from the worthy President—Hon. T. S. Ashe—the meeting adjourned till Saturday, the 25th inst., with a request to the North Carolina *Argus* and other Conservative papers in the State to publish these proceedings.

THOS. S. ASHE, President.

H. T. HALL and J. M. LITTLE, Secretaries.

A LOYAL WISCONSIN CARPET-BAGGER.—Down in Florida, the negroes, Negro Bureau officials and Yankee carpet-baggers, after disfranchising all the white men of the State, have elected one W. H. Gleason to the office of Lieutenant Governor. This Gleason was a resident of Jane Chase, in this State, not long since, [illegible] laid the foundation for [illegible] locality that has distinguished him since he became a carpet-bagger.

In 1856 he was engaged in the [illegible] pation of returning the votes of [illegible] in Eau Claire county, where he [illegible] for Alt, and was then engaged in [illegible] bank speculations that did not add much to his reputation for honesty.

After Gleason left Wisconsin, he bought an interest in the Crawford County Bank, located at Meadville, Pa., but not successful in his attempts to swindle the public to any great extent, and, after the failure of the bank, he engaged in various enterprises, among others in obtaining money upon worthless checks, for which loyal display he was arrested, and the records of the Eldridge Street jail, in New York, show that he was an inmate of that institution for some time. We have no knowledge of the manner in which he obtained his release, but at the breaking out of the war he turned up in Washington, and engaged in the participation of supplying the Confederates with articles which the Lincoln dynasty had declared contraband. He was arrested, and for some time kept in prison, but finally, through the influence of Beast Butler, he was released.

Then he went to Norfolk, where Butler was in command, and was engaged in speculating for a couple of years, and his loyalty having become thoroughly indisputable by this time, Gleason went to Florida, and by constant association with the negroes has become proficient (?) in the art of lying.

He makes a good loyal carpet-bagger. He would be fit for nothing else.—*Exchange.*

A WORD TO SUMNER.—Since Mr. Sumner's extraordinary and [illegible] speech before the Massachusetts [illegible], we understand that several [illegible] negroes of Boston are preparing to contest with him for the vacancy which will occur in a few months in the Massachusetts Senatorship.—*N. Y. Tribune.* (Rep.)

SARCASM.—Black Republicans and Radicals are highly pleased at Grant's nomination, the Radicals seriously [illegible] for Sergeant. Why don't they reciprocate our pickerels and their nomination [illegible] Chicago Times.

DONATIONS FOR GENERAL BUTLER.

We learn that for some months past that most callous and impudent of thieves, B. F. Butler, has been made to roar like a pricked bull calf, by the diverting perambulations of a countless number of spoons.

From all sections of the country—from the North, the South, the East and the West—worthless old spoons have been sent to the Beast by express and by mail. Spoons of wood, bone, horn, pewter, tin, iron and brass, pour in upon him at all hours. The plague of spoons is becoming more unendurable to Butler than a plague of frogs. Baskets of spoons are brought to him from the post-office, and the express carts are constantly delivering them at his door. And the donor of each spoon accompanies his present with remarks by no means flattering to Butler's personality. And as the spoons are utterly worthless, they are said to drive the Beast almost mad with rage. It was once a custom for a lord to hang a rogue at some street crossing, where every passer-by might hurl a rotten egg or a bit of mud, or abusive words. Let the people of this country keep up this wholesome custom of sending Butler spoons. Let him be reminded every hour and day of his life that he is everywhere remembered as a robber of plate chests. Let every family make annually the votive offering of a trunk of battered old spoon to "B. F."—*Richmond Enquirer.*

CHEERING.—The Missouri *Republican* says cheering accounts reach it from all quarters in regard to the success of the Seymour and Blair ticket. It says:

"Everywhere it appears to be felt that unless Radicalism is defeated in the present Presidential contest there will never be another Presidential election, but that the Republic will have been lost forever, and given over to military despotism. The purpose of the people is evidently deep and resolute to step forward in this crisis and literally save the country. Hundreds of changes have already come to our own knowledge among those who have been heretofore acting with the Republican party, supposing it to be loyal, as honest and a decent party, but who have become disgusted with its false pretenses, its corruption, its recklessness and its prodigacy. The defection in the Republican or Radical ranks is really amazing, and it is that breaking a rout and a panic.

"Most of the Generals now on police duty in the South are embarking because it appears that military rule there is drawing to a close. If so, how comes it that the Paymaster General has just submitted the following estimate of the amounts required for the expenses of the reconstruction acts in those States for the year ending June 30, 1869:

"In the First Military District (States of Virginia) to June 30, 1869, $1,000,000.

"In the Second Military District (States of North Carolina and South Carolina) to June 30, 1869, $284,000.

"In the Third Military District (States of Georgia, Alabama and Florida) to June 30, 1869, $1,150,000.

"In the Fourth Military District (States of Mississippi and Arkansas) to June 30, 1869, $108,400.

"In the Fifth Military District (States of Louisiana and Texas) to June 30, 1869, $80,000.

The New York *Tribune*, in giving its reasons why Missouri will not be carried by Seymour and Blair, says: "The Republicans hold the Registers," so, having the Registers, effrontery to advise us an argument of fact that Missouri will not be carried by the Radicals stuff the ballot boxes and make false returns.

The Rev. CHAS. Beecher says of Schuyler Colfax: "His face is a bragging book." With an adding house, his face is a fact and a drinking saloon for Grant's, the Radical leader, mouth would say, ought to have a fountain playing out of it.—*Tribune.*
