COLLEGES AND SCHOOLS.

**Louisburg Female College,**

**FRANKLIN CO., N. C.**

THE FALL SESSION OF 1868 will begin on the 18th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:

Board (exclusive of washing and lights) $60
Tuition in the regular English courses and ancient Languages, $100. Extra Studies according to rate bill. $50 in advance, remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to

T. M. JONES, President.

June 15-tf

**Wake Forest College, N. C.**

THE FALL TERM OF THIS INSTITUTION will open on the first day of August 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages the hope that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $3,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College, in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men sing God in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

EXPENSES IN CURRENCY:

Tuition for Preparatory School (per Session) $20.00
" " Collegiate Course, " " 35.00
Board per week in private families (table fare) 2.50 to 3.00
Board, per week, with lodging, 2.0 to 2.75
Room rent (to those lodging in College Building) per session 2.00
Servants' hire 2.00
Washing, per month 1.50

W. T. BROOKS, Sec. Board of Trustees.

**A CARD.**

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name and style to Branson & Jones,—advertising myself as Proprietor, and Mr. Branson as Agent for the N. C. Business Directory. But as some persons seem, erroneously, to consider it a partnership, or to blend the interest of the former firm with my own, I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.
