WM. E. PELL, PROPRIETOR.

AN ACT.

TO PROVIDE FOR THE REGISTRATION OF VOTERS.

The General Assembly of North Carolina do enact:

Section 1. That the Commissioners of Counties shall have power, (a majority of such Commissioners who are duly qualified being present,) to establish, alter, discontinue or create such separate places of elections in their respective counties as from time to time they may deem expedient, giving thirty days notice thereof, by advertisement in some public journal, if there be one in their county, in three public places and at the Court House in their county.

Sec. 2. The Secretary of State shall, prior to the tenth day of September next, provide for and forward to the Commissioners of Counties, suitable registration books for each election precinct as established for the last previous election, and a suitable number of the blank forms of oaths, prescribed by Article VI. section 4, of the Constitution.

Sec. 3. In case the Commissioners of Counties shall not receive, on or before the first day of October next, a sufficient number of registration books and blank forms of oaths, as above prescribed, they shall provide themselves with the same at the expense of the State.

Sec. 4. The Commissioners of Counties, or, in case no Commissioners shall have qualified, the Governor, shall, on or before the fifth day of October next, select one Justice of the Peace for each election precinct in their counties, who shall act as Registrar of voters for such precinct. He shall be furnished with a registration book and blank forms of oath, and shall at all times, from the fifteenth day of October next until the day of the next Presidential election, receive and register such qualified voters as may offer, administering the oath provided by the fourth section of the sixth article of the Constitution, to which oath he shall require each elector to subscribe previous to registering his name in the registration book. He shall receive a fee of five cents for each voter registered, to be paid out of the County Treasury.

Sec. 5. The County Commissioners, or, in case no Commissioners shall have qualified for their respective precincts, (counties,) the Governor, shall, on or before the twentieth day of October next, appoint two electors in each precinct, who shall, with the Registrar, be judges of elections at the next ensuing Presidential election, and shall, fifteen days previous thereto, appoint one Justice of the Peace and two electors in each precinct as judges of elections for every ensuing State, county and Municipal election. The judges of election shall attend at the places for which they are severally appointed, on the day of election, and shall be sworn by the sheriff, or, in his absence, by some Justice of the Peace or other officer authorized to administer an oath, to conduct the election fairly and impartially, according to the Constitution and laws of the State; and in default of acting, shall be guilty of a misdemeanor. Such judges, in addition to the powers conferred upon them by this act, shall have all the powers and duties heretofore vested in inspectors of elections, not inconsistent therewith, and be subject to the same penalties.

Sec. 6. Every male person born in the United States, and any male person who has been naturalized, twenty-one years old or upwards, who shall have resided in the State twelve months next preceding the election, and thirty days in the county in which he offers to vote, shall be deemed an elector and shall be entitled to registration upon application.

Sec. 7. Except in cases provided for in section eleven, of this act, no person shall be allowed to vote at any election unless his name shall be found upon the registration books of the precinct in which he offers to vote, unless he shall take and subscribe the following oath: "I, ——, (to solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina not inconsistent therewith; that I have been a resident in the State of North Carolina for twelve months, and in the county of —— for thirty days, and that I have neither registered nor voted during this election in any other precinct." Such person having taken this oath shall thereupon be registered.

Sec. 8. It shall be the duty of the judges of elections to keep the registration books for their precinct at the place of holding the election during the day of such election, and to register therein the name of any legal voter, first administering the oath as provided in the last section, before receiving the vote of any elector not previously registered.

Sec. 9. Immediately after any election, the judges of election shall deposit the registration books for their respective precincts with the Register of Deeds of their counties.

Sec. 10. It shall be the duty of the Register of Deeds, previous to any election to be held after November next, to furnish the judges of election for each precinct with the registry books for their precinct.

Sec. 11. The Registrar of voters shall, at the request of any legal registered voter in his precinct, furnish to such voter, under his signature, a certificate of registration, stating the county and precinct in which such voter shall be registered, and shall make an entry of such certificate against the name of such voter on the registration book. Upon such certificate of registration such elector may vote in any precinct in his county, without further registration.

Sec. 12. Upon receiving such vote, the judges of elections shall fold such certificate of registration with the ballot of the elector offering to vote thereupon and deposit it in the ballot box.

Sec. 13. All acts and sections of acts, ordinances and sections of ordinances, in conflict herewith are hereby repealed.

Sec. 14. This act shall be in force from and after its ratification.

Ratified the 24th day of August, A. D., 1868.

AN ACT

To amend an Act entitled "An act to provide for the Registration of Voters."

The General Assembly do enact:

Section 1. That the Justice of the Peace appointed by the Commissioners or by the Governor to act as Registrar of voters in each election precinct, as provided in the fourth section of an act entitled "An Act to provide for the Registration of Voters," shall make out two copies of the original registration book for the purpose hereinafter mentioned; which said copies, when certified to be correct by the Registrar, shall have all the legal force and effect of the original registration book.

Sec. 2. That the County Commissioners, or, in case no Commissioner shall have qualified, the Governor, shall, on or before the 20th of October next, appoint six collectors at each precinct who shall, with the Registrar, be judges of election at the next ensuing Presidential election; and these six electors shall take the place of the electors provided for in the fifth section of the said act and shall perform all the duties which have been conferred upon them.

Sec. 3. It shall be the duty of the judges provided for in the preceding section to provide at least three separate ballot boxes on the day of the election at their precincts for the convenience of voters, and as many more boxes as they may think necessary. Two judges shall preside at each of the three ballot boxes, and if a majority of the judges think more boxes necessary, they shall appoint two additional judges for each additional box. The Registrar shall assist at all the boxes.

Sec. 4. The Registrar of voters shall furnish the original registration book and the two copies hereinafter provided for, to the judges of the election in the precinct for which he is appointed; he shall furnish one copy to the judges of each of the three boxes, and if there be more than three boxes, he shall furnish one additional copy for each additional box.

Sec. 5. The Registrar shall receive one cent for each name copied from the original registration book.

Sec. 6. Any person who shall, with intent to commit a fraud, vote at more than one time, shall be guilty of a misdemeanor, and, on conviction, shall be imprisoned not less than six nor more than twelve months, or fined not less than one hundred nor more than five hundred dollars at the discretion of the Court; and any registrar of voters or any clerk or copyist who shall make any entry or copy with intent to commit a fraud shall be liable to the same penalty.

Sec. 7. No registered voter shall be challenged on the day of election, but those offering to register on the day of election may be challenged, and every person applying for registration before the election may be challenged at that time in like manner.

Sec. 8. All acts inconsistent with the provisions of this act are hereby repealed.

Sec. 9. The Secretary of State shall furnish a printed copy of this act to the Commissioners of each county.

Sec. 10. This act shall be in force from and after its passage.

Ratified the 24th day of August, A. D., 1868.

(Signed,) JOS. W. HOLDEN,
Speaker House of Representatives.
(Signed,) TOD. R. CALDWELL,
