NATIONAL DEMOCRATIC TICKET!

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

ELECTORAL TICKET.

FOR THE STATE AT LARGE.

HON. JAMES W. OSBORNE, OF MECKLENBURG.
JOSEPH J. DAVIS, OF FRANKLIN.

DISTRICTS.

1st—THOMAS J. JARVIS, OF TYRRELL.
2nd—JNO. HUGHES, OF CRAVEN.
3rd—.....
4th—.....
5th—M. S. ROBBINS, OF RANDOLPH.
6th—W. M. ROBBINS, OF ROWAN.
7th—L. M. McAFEE, OF CLEAVELAND.

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It falters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating the power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such states, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

BROWNLOW-HOLDEN'S STATE MILITIA.

We understand that five Justices of the Peace in the counties of Rowan, New Hanover and Rockingham have requested Holden to organize the "Detailed Militia" in those counties, and that he has determined to comply with the request. We understand that the best legal authority in the State pronounces the law, under which the "Detailed Militia" is organized, *unconstitutional*. B. F. Moore, Esq., has shown conclusively, that it is so, in his letter to Col. Sinclair. His letter was based upon the proposed "Police Force Bill," but the principles laid down are equally applicable to this bill.

Have the *citizens* of New Hanover, Rowan and Rockingham, who have to pay the expense, been consulted in this matter?—Have they estimated the costs, to say nothing of the danger, of such a proceeding. The official exhibits of the National Treasury show that the expenditures of the War Department are costing the government a sum equal to $2000 per year for *each soldier* in the service. The rank and file, the men who do the work, it is true, get very little of it themselves, but it is paid out by the government, nevertheless. We believe there is mischief and blood in this scheme. It is perfectly plain that no such expensive force should be called out, unless it is called for by the citizens of the County, generally.—We hope, therefore, the voters of those Counties will not fail to let "the Governor" know their wishes, and, if not heeded, that they will speak out at the ballot box against this infamous Radical war scheme. We again call the attention of the President and Secretary of War to this Executive usurpation and defiance of the Act of Congress.

REMEMBER that the present National debt is upwards of two THOUSAND SIX HUNDRED millions, and that the Radicals have increased it, *in time of Peace*, over *one hundred and fifty millions*, since the close of the War. The part which North Carolina has to pay will be upwards of SEVENTY MILLIONS. And this for the Freedman's Bureau, for bayonets, and for the steelings of corrupt Radical office-holders and government Radical swindlers!

REMEMBER, colored men, that the Radicals of Georgia, after promising you political equality for your votes, deliberately framed a Constitution which excludes men of your race from holding office, that a Radical Congress accepted that Constitution, and that Radical voters applied to carry it into effect. Remember these things, colored voters, when you are asked to vote for any of your number.

EXECUTIVE USURPATION.

We understand that a man from Halifax county, named John Everett, son of Haldon's Justices of the Peace, has been in this city, within a few days, representing that he has been assaulted, mistreated, and shot at "seventeen times," by "Ku Klux" or others opposed to him politically. We are told that he exhibits holes in his hat and clothes, says they were made by bullets and declares that he killed one of his assailants He called upon the "Governor" for protection, &c.

Now, no one will deny that, *if* this man has been badly treated, he has a right to the protection of the law. If he has been unjustly assailed, the jury is open to him, and his prosecutors, if there be any, ought to be punished. We have conversed with several gentlemen, however, who know Everett, and who are acquainted with the neighborhood of Gaston, where he says these things occurred. We have conversed with one gentleman, who has been in that vicinity, and who has talked with the people there, since these occurrences are alleged by Everett to have taken place, and he states that no one there had *even* heard of them, and that no one believes a word of the story. John Everett is represented to us as a very bad man,—some say one of the worst men in the State,—one who will not be believed, where he is known. "Gov." Holden must know his character. He is the man who committed the atrocious act of attempting to kill Holden's *old friend*, Mr. Patrick McGowan, some years ago. It is believed, that Everett would not hesitate to shoot at his own hat and clothes to get up a sensation. The Radicals are spoiling for a sensation. They are ready to manufacture one out of the merest trifle, or out of the whole cloth.

Here is a plain case: A man alleges that he is set upon, abused, shot at and mistreated by a band of ruffians, or Ku Klux, or somebody else. What is his remedy?—Why, all he has to do, is to go before a Magistrate, in the County where the alleged offence occurred, or, if the Magistrates are incompetent to do business, as is the case in Halifax, before a Judge of the Superior Court, and make oath that certain *known* or *suspected* parties have been guilty of the crime charged, and the Justice of the Peace or Judge at once issues a writ, to be executed upon the parties, ordering their arrest, and that they shall be brought before him, or some other Magistrate or Judge, that the case may be investigated. The law knows *no other remedy*, and this is remedy enough for any honest man.

But how does Holden act in the premises? Judge Watts is holding his Court in Franklin county. Jurors, witnesses and lawyers are assembled, and busily engaged in the trial of important cases. Suddenly, Judge Watts adjourns his Court, on Wednesday morning, until the following Monday, and jurors, witnesses and lawyers are told to go home and appear at that time, subjecting them to great expense and trouble—no matter how great the sacrifice,—because, as the Judge says, he is ordered or requested, by the "Governor," to go down to Halifax, in company with the "Attorney General," Coleman, to investigate the "cock and bull" story of this man Everett, whose tale the respectable people of the section, where it is said to have occurred, have not heard of, nor do they believe.—Judge Watts, upon the affidavit of Everett, could have issued his writ ordering the arrest of all parties concerned, and their appearance before him, at a given time, for investigation, without *adjourning his Court*, in the midst of important business.

Did "Gov." Holden *order* him to do this thing? What authority had he for so doing? Where is the law for it? Can Judge Watts justify himself, in obeying any such order? The like has never been known before in this State. The Judiciary we regard as a coordinate branch of the State government, whose powers and duties are prescribed by law. So it is with the Executive. But there is no law which empowers the Governor to order a Judge to hold a Court of Investigation at any time, much less to order him to adjourn a Court for that purpose. Is this another of the Attorney General's blunders? The "Governor" would do well to consult Attorneys who know the law.

The whole affair is regarded as a political manœuvre, to get up a sensation to affect the election. We beg that our friends in Halifax will *investigate* this investigating Court of "Judge" Watts. Let the truth and the whole truth be known and established.

THE LEGISLATIVE ADDRESS—MORE OF IT'S FRUITS.

We learn, from the Wilmington *Star*, that a body of negroes banded themselves together, in Fayetteville, a few days since, with the avowed intention of assaulting and beating two colored delegates who had arrived there for the purpose of attending the Convention. They would not only have carried out their designs, but most probably have proceeded to severer measures, but for the timely interference of the citizens, who, determined to protect their colored friends in the exercise of their just rights, promptly placed them under the protection of a party of white persons. The Radical negroes were no doubt instigated and incited by some scoundrel carpet-bagger or scalawag, who, at the expense of personal injury to them, would manufacture capital for political purposes.

These miscreants seem determined to provoke strife and bloodshed. The ignorant and easily inflamed blacks are urged to turn and kill and convulse society, from a combined desire, on the part of their instigators, (who will take good care to try to get out of the way of harm, themselves,) to manufacture party capital and gist their malignant hatred of the true white men and women of the State. If their infamous schemes shall ever culminate,—which may God forefend!—we tell them that the cry will be, "*the instigators first!*"

KEEP IT BEFORE THE PEOPLE that the Radical organ in this City recommends the County Commissioners to build more jails and to TAX THE LANDS of the people for the support of a lazy and thriftless population!

THE RADICAL ARGUMENT BOILED DOWN.

Our correspondent, "Roanoke," a day or two ago, put the Radical argument in a nutshell—boiled it down to its real substance, thus:

"The whole letter can be boiled down into one sentence: We must tolerate a set of rascals in power, who will bring on war, if we put honest men in their places. That is the simple proposition which Judge Pearson quits his retirement to inculcate on freemen. Judge Pearson does not support Grant and Colfax, of choice. On the contrary, he plainly intimates that honest men ought to give way and let villainy abound for a few years, and then things will take a turn, and "all will be well!" Did you ever?

The simple question, which scatters Judge Pearson's partisan effusion, is this: *Is Judge Pearson, and are the s allawags and carpet-baggers, whose cause he excuses, willing to let a majority of the American people rule?* I do not think they are. For he says, and they echo the cry, that *there will be a war, if a majority of the American people vote Seymour and Blair into office.* Pray who will begin this war? No one can begin it, but Judge Pearson's party."

The Radical party professes to estimate highly the voice of the people. Gen. Grant, their candidate, declares that he has no policy in opposition to the will of the people. If this be so, how can Radicals, with any face, pretend that the election of Seymour and Blair will bring war?

The friends of Seymour and Blair do not hesitate to declare, that if Grant and Colfax are *fairly* elected by the vote of the people of the United States, they will *submit*, without a murmur. They will abide by and defend the Constitution and all its requirements. They will obey the voice of the people, as the Constitution demands. *Will the Radicals do the same?*

The pretence that some of our timid, weak kneed men make, that they are afraid of Blair, because he is a war man, is so shallow, that even blind men must see it. Mr. Blair stands upon the Constitution and will abide the voice of the majority of the people. He nor the Democratic party make any threats, if Grant and Colfax are elected, about objecting or raising a clamor. If Seymour and Blair are elected, no Democrat proposes to do any thing to provoke a war. Far from it. They will simply demand that the voice of the majority of the people and of the Constitution shall be carried out. It war comes, when that is done, *whence will it come?* The Democrats threaten no war—they will provoke no war—they seek no war. Where is it to COME FROM?

Why, the threat comes from the Radical party! The negroes, who are instructed by the Radicals, do not hesitate to say, that the *Radical party will make WAR*, if Seymour and Blair are elected. They, that is the worst of them, make bold to say, that they are ready for it,—say, that they will *provoke* it. Poor, deluded creatures! They have been led and led by their Radical deceivers almost to the precipice. Will they heed their real friends and learn some sense? We hope it is not too late.

Why make war? *What for?* To keep in power men, who, to fill their own pockets, are stealing from the government and the State and the people? Are they determined to make war, if the people determine to put in *honest* men, according to the forms of the Constitution? Tush! The people will speak on the third of November, AND THEIR VOICES WILL AND SHALL BE OBEYED!

Resolved, That the members of this Club pledge themselves not to employ in the future any man, be he black or white, who shall be a member of any League or secret, political society, or any of the so called militia companies now being formed throughout the county.

Resolved, That the President of this Club appoint a Committee whose duty it shall be to attend the registration of the voters of this precinct, in October next, and challenge all persons who may offer to register, who are not legally entitled so to do.

The foregoing excellent resolutions were adopted at a recent meeting of the Weldon Seymour and Blair Club. We commend them to universal adoption throughout the State. Let no man be given employment or patronage, of any kind, white or black, who is known to be a member of any League. The man who gives either is nursing a viper that will sting him before he is aware of it. Those who belong to these Leagues are *sworn* to do you harm, and it is the height of criminal folly to invite them to do so.

The other resolution cannot be too highly commended. It suggests an important duty, which must be attended to in every precinct in North Carolina, if we would have a fair election. The Radicals will employ every cheat and dishonesty, and they must be prevented. Attend to the registration!

THE RADICAL PARTY

IS THE SPOILS PARTY;
IS THE WAR PARTY;
IS THE ENEMY OF THE CONSTITUTION;
IS THE ENEMY OF THE GOVERNMENT.—

Proof: Read the Radical platform at Chicago and Gen. Grant's and Mr. Colfax's letters of acceptance. There is not a word in either about the *Constitution*. It is the party that is *outside* the Constitution—its acts are declared by Judge Pearson to be *extra-constitutional*,—therefore, it is the *usurping, unconstitutional, revolutionary, war party!*

TERRIBLY SCARED.—The Radical journals are evidently beginning to see the "handwriting on the wall." The Ohio *State Journal*, a violent Radical sheet, frantically exclaims:

"For Heaven's sake, friends, work! Work from this day until election, or we are beaten in Ohio, in Indiana, in Pennsylvania, in New York, and in the whole country!"

We have no doubt the Radicals *will* be terribly beaten, but we hope *our* friends will also work.

REMEMBER that no man in North Carolina can distill *one gallon* of brandy, from the fruits now rotting in his orchard, without paying a RADICAL TAX of FOUR HUNDRED DOLLARS!

SEYMOUR AND BLAIR!

The Fires of Patriotism Ablaze!!

NORTH CAROLINA MOVING!!!

"One Country" we will be once more,
"No rights of States denied"—
"One Flag," as 'twas in days of yore—
The Patriot's hope and pride.
Fling out the Banner, glittering bright,
And let it float in air,
And shout aloud, "Defend the Right!"
For "Seymour and for Blair!"

OVER THREE THOUSAND of the good and true Democrats and Conservatives of Craven cast adjoining Counties, as we learn from the *Journal of Commerce*, were present in Newbern, on Tuesday, on occasion of the Flag Presentation.

The home and since of the County and District were there, all fired with enthusiasm and inspired, with the hope and almost certainty of the triumphant election of our candidates.

The procession was formed in front of the Masonic Hall, at 4 o'clock, P. M., and between two and three thousand citizens were in it. The most noticeable feature was the truck of the Atlantic Fire Company, completely covered with the national colors, arranged in the most tasteful array. On it was erected a beautiful canopy and seats for thirty seven young ladies. These young ladies, among them the most lovely maidens of the city, were placed on the triumphal car by numbers of patriotic young men, vieing who should occupy the post of honor.

Following this magnificent pageant was the streamer, carried by about two hundred young Misses. The little ones entered into the spirit evinced by their more mature companions, and manifested their delight by hearty cheering, and other demonstrations.

Then came hundreds of the matrons and young ladies of the city, and after them the different Clubs with their banners and mottoes, making the longest and largest procession ever seen in Newbern. Flags were flying from the windows of the houses on the line of march, handkerchiefs waving, cheers upon cheer pealing forth, and the utmost delight evidenced.

On arriving at the Club House, the beautiful flag was presented by Miss Mary Guion, in a graceful and charming address, which was eloquently responded to by Mr. M. De W. Stevenson.

After the conclusion of Mr. Stevenson's remarks the flag was run up to the mast head amid the greatest excitement, enthusiasm and joy.

ON SATURDAY evening last, the fine companies of Fayetteville assembled for the purpose of hoisting a large and beautiful Seymour and Blair flag on a pole previously raised for the purpose. The banner was a handsome specimen, was neatly decorated and had inscribed upon it, in large letters, the names of the people's choice; Seymour and Blair. It had been made for the companies by the ladies of the town. The enthusiasm on the occasion surpassed anything ever witnessed in Fayetteville.

THE NEW HANOVER Delegation for the Cumberland Mass-Meeting left Wilmington on Monday afternoon. We learn, from the *Journal*, that the Steamer "Gov. Worth," which was chartered for the occasion, was gaily decked with Seymour and Blair flags, and a large one floating from the pole over the pilot house. A fine band of music was in attendance, and patriotic airs were played to add to the enthusiasm, which was already very high. The delegates, visitors and the Howard Fire Company, which attended the Convention in a body by invitation, made in all about one hundred and fifty passengers. The little gun "Brick Pomeroy" took quite a prominent position in the bow of the boat, with Capt. McIlhenny in command. Mr. Blossom had furnished rockets from his Fire Works Manufactory, which were discharged as the Steamer got under way. Admiral Hunter of the Steamer Fairbanks honored the delegation with a salute from his port gun. Old New Hanover, as usual, was well represented, and will maintain the position she has so long held as one of the leading counties in the glorious cause which the Democracy of the State have espoused.

ENTHUSIASTIC MASS MEETING IN GRANVILLE.—The Seymour and Blair Mass Meeting in Oxford, on Tuesday last, was a grand affair. A tremendous crowd was in attendance and speeches were made, during the day and night, by Col. Jenkins, of Warren, Hon. Jo. Turner, of Orange, Capt. S. T. Williams and Hon. A. W. Venable. Attempts by the Radicals, who also had a meeting in town, to get off the colored men, who were eager to hear the Democratic speakers, failed most signally. A good number remained throughout and seemed greatly benefitted, and highly pleased with our orators.

It was a most enthusiastic meeting and had a splendid effect.

SEYMOUR AND BLAIR IN WAYNE.

WAYNE CO., (FORK DISTRICT)
September 8, 1868.

Messrs. Editors:—Having been informed that you would be pleased to receive intelligence from the different Seymour and Blair Conservative or Democratic Clubs, throughout the State, I venture to give you an insight to one formed in this District.

At the first meeting, the Club organized under the "name and style" of "The Fork District Democratic Club of Wayne County, N. C." For its Constitution and By-Laws it unanimously adopted those recommended by the *Sentinel* and other Democratic papers in the State, in the beginning of the campaign. The following gentlemen were, according to the Constitution, chosen as its officers, to wit: Colonel M. K. Crawford, President; Messrs. N. H. Gurley, Benjamin Rose and E. R. Cox, Vice Presidents; Dr. E. H. Hornady, Recording Secretary; M. D. Raiford, Corresponding Secretary; S. B. Sasser, Treasurer; and, for its Executive Board, the following, to wit: Dr. E. H. Goelet, Maj. R. F. Hooks, Col. J. T. Kennedy, Capt. A. J. Sasser, and Ishabod Pearson, Esq.

At this meeting the weather being unfavorable, not many of the citizens were present, and therefore only a few joined the Club, but at its second meeting, they turned out en masse to join the Club, and, also, they had heard that Messrs. W. G. Morrisey and William Robinson, of Goldsboro, had been invited and would favor them with addresses. Messrs. Morrissey and Robinson were present and entertained the meeting for three or four hours with spirited, able and eloquent speeches. They thoroughly explained the great issues at stake in the approaching Presidential election, and made many "happy hits" at "carpet-baggers," scallawags and *id genus omne*, who figure so hugely in the Radical party, which not unfrequently brought down the house.

I am sorry to say that only a few of the colored voters of this District have attended our Club meetings, though they have been solicited to do so, and, save one, Elic Bryan, (who voted the Conservative ticket last Spring and who came near being beaten to death by two of his race of the Radical party for having spoken *his sentiments*,) none have joined the Club; and it was thought till the past day or two, that they were "*joined to their idols*," the Union League and the Radical party, but it is not so; for some of them have "cussed and quit" them and say if they don't vote with us, they will not vote against us.

It may not be apropos, but it does me good, to add, that *this* District contains but a precious few *white black* men. It votes quite a hundred white polls—not more than half dozen of whom will be cast for the "scallawag" party this Fall. Of this half a dozen, three, (our County Trustee, our county Surveyor and one of our members of the House of Commons,) were fortunate enough to be among the *favored few* (?) who were elected by their party in April last,—and *one* of these will possibly "come over." He is a good man, but "*darn the company he keeps.*" I hear he says his "party makes bad laws," and, being a *distiller*, he thinks the *brandy tax* "a mess," and I tell you, Messrs. Editors, *it sticks him to the* (COOK) *core*.

If every District in the good old North State will but acquit itself as well as this one in the coming election, she will send up an overwhelming majority for Seymour and Blair! Have we any cause to doubt the issue, if we will only do our duties and meet it with brave hearts and without fear? With Seymour and Blair bearing our country's banner and the "Constitution and the Union" for our motto, we can see indications of the speedy dissipation of the clouds of revolution, which threaten our common country, and, in their stead, the blessed beams of National joy, peace and prosperity!!

A DEMOCRAT.

SEYMOUR AND BLAIR IN FRANKLIN.

Pursuant to previous notice, the Conservatives of Foster's District, Franklin Co., met at Haywood's Church, on Thursday, the 3rd. inst., for the purpose of organizing a Seymour and Blair Club.

On motion, Maj. D. S. Hill was appointed Chairman, and Augustus Connell Secretary.

The Chairman, in a very forcible manner, with well timed remarks, explained the object of the meeting.

On motion, the Chairman appointed a Committee of five to recommend permanent officers and a Constitution and by laws for the government of the Club, who, after a short consultation, recommended the following for permanent officers viz:

For President, Gen. J. B. Littlejohn; Vice Presidents, E. Green, Esq., Dr. P. S. Foster and G. W. Macon; Recording Secretary, E. S. Foster; Corresponding Secretary, Augustus Connell; Treasurer, Sebastian Macon; Directors, J. J. Hayes, Robt. Rodwell, Jas. J. Wilson, Henry Best and A. W. Wilson; who were unanimously elected by the Club.

The Committee reported a Constitution similar to that recommended by the *Sentinel*, and, through their Chairman, Gen. J. B. Littlejohn, the following resolutions, which were unanimously adopted:

Resolved, That we freely and heartily endorse the platform and principles adopted by the National Democratic Convention held in the city of New York, on the fourth of July last, and that we will zealously support Hon. Horatio Seymour and General Frank P. Blair, for the Presidency and Vice Presidency of the United States, at the ensuing election.

Resolved, As a protective and defensive measure—forced on us by the proscriptive policy of the Radical party—that we hereby pledge ourselves (as far as it lies within our power) to aid, encourage, employ and patronize members of our own house hold, Democrats and Conservatives, in preference to all others, and to protect and defend each other in the rightful exercise and enjoyment of all our constitutional and legal rights.

Resolved, That we highly approve of the action of the Democratic and Conservative Convention at their meeting in Raleigh, Aug. 12th, and we regard the great outpouring of the people on that occasion as an indication that our good old State is determined to hurl from power (obtained by military fraud and power) the present Radical, Carpet-bag, Scalawag Government.

Resolved, That we cordially invite every friend of his country, white or colored, in this District—irrespective of his past political status,—to unite with us in the formation of this Seymour and Blair Club, which is neither proscriptive, secret, or oath bound, but simply an association of the true and reliable men of this District, pledged to exert their influence in the coming canvass for the election of our noble champions, Seymour and Blair, and thereby restore our country to the proud position she once occupied.

D. S. HILL, Chairman.
AUGUSTUS CONNELL, Secretary.

MESSRS. EDITORS:—Your correspondent, who wrote of "the costly insurance" at the University, made no insinuation against Mr. Harris, who has charge of the buildings there. In spite of anything in these articles, he may be a very worthy man—"gentlemanly, quiet, unassuming, and attentive to business." Your correspondent has neither expressed nor felt a doubt of it. Nor did he make any charge against the "honesty" of the "citizens of Orange county," who serve there. There may be other reasons that might control a prudent man in selecting the guardians of his property. Only the folly of the agents of the Trustees, in putting so large a force there, was challenged, and legitimately challenged, and that even *Vindicator* will not find it easy to vindicate. With all his horror at the appearance of such things, he even can insinuate that the Conservative people of Chapel Hill are all dishonest. But his pen has been already so steeped in slanders of the innocent, that no one will care to contend with him, even in the defence of those whom he should have been the foremost to defend.

HON. HENRY STANBERY.—A correspondent writing from Ohio says: The Hon. Henry Stanbery, late Attorney-General of the United States, although in feeble health, has signified his intention of taking the stump for the candidates of the New York Convention. The State Central Committee have already announced him for an address at Lancaster, on Saturday, September 26th.—*Nat. Intel.*, 8th.

The latest Radical joke has been perpetrated by Horace Greeley, who has written of "Gen. Grant as a statesman." Not many months since the philosopher wrote of him, in earnest, as the "epauletted sphinx."

THE EXCELSIOR OINTMENT.

THIS OINTMENT IS PREPARED BY A Lady who has had much experience, as well as observation, in the sick room.

The ingredients are simple, and such as nature has furnished readily to our hand.

It has been used by a good number of persons, and has proven in every instance a success in the cure of

PILES AND VARIOUS ERUPTIONS OF THE SKIN.

At the suggestion and solicitation of friends, it is given to the public in the hope of alleviating human suffering. Those who are afflicted are earnestly invited to give it a trial.

DIRECTIONS.—Bathe the affected parts freely in cold water, and apply the ointment twice or thrice each day, until a cure is effected after which, should there be any indication of a return, repeat the treatment.

For sale at the Drug Stores.

Price of single box $ 50
