THE VOTE IN THE APRIL ELECTION.

We publish below, for the sake of reference, the official tabular statement of the vote in the April election in this State. The 29,774, who did not vote, were men who were registered, and entitled to vote at the time of the election. In addition to this, it may be safely estimated that 15,000 men in the State are now enfranchised, who could not vote before.
