THE VOTE IN THE APRIL ELECTION.

We publish below, for the sake of reference, the official tabular statement of the vote in the April election in this State. The 29,774, who did not vote, were men who were registered, and entitled in vote, at the time of the election. In addition to this, it may be safely estimated, that 15,000 men in the State are now enfranchised, who could not vote before.

MY STOCK IS LARGER AND VERY COMPLETE. Allow me to say that you see some very strange advertisements. Some say they brought goods before the time when after the decline—some just in time—some in luck again—some say goods cheaper than anybody else—some selling goods at superlatively low prices—some contending the trade for, etc., etc., all such stuff. What a lucky set of individuals! Now just let me tell you, that there is more business than profit in all this. Don't every man, woman and child know that it is humanly large enough to be seen even with one eye shut? So let them talk, puff and blow, but never LOSE YOUR SENSES! and show your good judgment by
