THE VOTE IN THE APRIL ELECTION

WE publish below, for the use of reference, the official tabular statement of the vote in the April election in this State. The 29,774 who did not vote, were men who were registered, and entitled to vote, at the time of the election. In addition to this it may be safely estimated that 15,000 men in the State are not enfranchised, who could not vote before.
