THE AMNESTY PROCLAMATION—MESSAGE OF THE PRESIDENT.

The President transmitted the following message to the Senate on the 18th:

To the Senate of the United States:

The resolution adopted on the 5th instant, requesting the President to transmit to the Senate a copy of any proclamation of amnesty made by him since the last adjournment of Congress, and also to communicate to the Senate by what authority of law the same was made," has been received.

I accordingly transmit herewith a copy of a proclamation dated the 25th day of December last. The authority of law by which it was made is set forth in the proclamation itself, which expressly affirms, that it was issued "by virtue of the power and authority in me vested by the Constitution, and in the name of the sovereign people of the United States," and proclaims and declares "unconditionally, and without reservation, to all and to every person who directly or indirectly participated in the late insurrection or rebellion, a full pardon and amnesty for the offence of treason against the United States, or of adhering to their enemies during the late civil war, with restoration of all rights, privileges, and immunities under the Constitution, and the laws which have been made in pursuance thereof."

The Federal Constitution is understood to be, and is regarded by the Executive, as the supreme law of the land. The second section of article second of that instrument provides that the President "shall have power to grant reprieves and pardons for offences against the United States, except in cases of impeachment." The proclamation of the 25th ultimo is in strict accordance with the judicial expositions of the authority thus conferred upon the Executive, and, as will be seen by reference to the accompanying papers, is in conformity with the precedent established by Washington in 1795, and followed by Presidents Adams, in 1800, Madison in 1815, and Lincoln in 1863, and by the present Executive in 1865, 1867, and 1868. ANDREW JOHNSON.

WASHINGTON, D. C., January 18, 1869.

The copies accompanying the President's answer to the Senate are as follows:

1. Proclamation of General Washington, dated tenth day of July, seventeen hundred and ninety five, granting to citizens who had been engaged in insurrection (resisting collection revenue on distilled spirits and stills) in the western counties of Pennsylvania, excepting certain classes described in proclamation, a general pardon of all treasons and other indictable offences.

2. Proclamation of John Adams, dated twenty first day of May, eighteen hundred, granting full pardon to all and every person (including some excepted in Washington's proclamation) engaged in said insurrection; whereby remedying and releasing unto all such persons all pains and penalties incurred, or supposed to be incurred, for or account of the premises.

3. Proclamation of James Madison, dated sixth day of February, eighteen hundred and fifteen.

Certain foreigners, flying from the dangers of their homes, and some citizens of New Orleans, "forgetful of their duty," had co operated in forming an establishment on the island of Barrataria, near the mouth of the Mississippi, for the purpose of a clandestine and lawless trade. The government of the United States caused the establishment to be broken up, and proceeded to prosecute the offenders by indictment, etc.

For reasons set forth in the proclamation, President Madison grants to the offenders a full pardon of all offences committed against the laws, or touching intercourse and commerce of the United States with foreign nations; and the President directs all suits, indictments, and prosecutions for fines, penalties, forfeitures, etc., to be discontinued and released.

4. Proclamation of President Lincoln, dated eighth day of December, eighteen hundred and sixty-three, familiar to the public, granting to all persons (certain classes excepted) who had participated in the rebellion, full pardon and restoration of all rights of property, except as to slaves, and in property cases where rights of third parties shall have intervened.

In this proclamation Mr. Lincoln begins by citing the provision in the Constitution empowering the President to grant reprieves and pardons. The law of Congress declaring forfeitures, etc., and authorizing the President to issue proclamation of pardon and amnesty, with such exceptions as the Executive may deem proper, is then cited. Mr. Lincoln, referring to this act, adds:

Whereas the Congressional declaration for limited and conditional pardon accords with well established judicial exposition of the pardoning power; Therefore, etc.

5. Proclamation of President Lincoln, dated 26th of March, 1854, defining cases in which persons are entitled to benefits of the preceding proclamation.

6. Proclamation of President Johnson, dated 29th May, 1865, similar to the Lincoln proclamation of December 8, 1863, granting pardon and amnesty, except in cases therein named.

7. Proclamation of President Johnson, dated September 7, 1867, extending full pardon to certain persons who were engaged in the rebellion. This proclamation extends pardon to classes mentioned who were not pardoned by preceding proclamations.

8. Proclamation of President Johnson, of July 4, 1868, granting general pardon and amnesty to persons engaged in the late rebellion, with certain exceptions and reservations.

SLAVERY IN WEST VIRGINIA.—Human slavery has been revived in West Virginia, notwithstanding its dedication to freedom. A pauper was sold to the lowest bidder at Wirt Court House on the 31st ult. The Elizabeth *Gazette* mildly alludes to the transaction as follows:

The sale was public and held in front of the Court House. We denounce the act as iniquitous and barbarous, for the reason that there is no warrant of law for it, but only a custom engendered by that spirit of slavery which has stamped the Code of Virginia all over with its own iniquity.—The only authority which this custom is predicated upon is section 12, chapter 51, Code of 1860, which is as follows:

"Any person to be provided for or assisted by an overseer or overseers, may either be kept at the place of general reception, or be supported or assisted elsewhere, as he or they may deem best."

There is no authority here or elsewhere in the entire code by which a free State may be disgraced by those scenes common among the slave pens of Virginia before the war annihilated the auction block. The person sold was a woman, and stone blind, and who formerly was the owner of a good farm in this county. She was struck off at $2,00 per week for her maintenance until next June.

As the woman is probably white, we don't see the sense of making a fuss about it.

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universal! recommended. It can be used on any Stove or Range, in any boiler, and its low price of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat, are driven up through tubes poured upon the clothes, and forced through the fabric with astonishing rapidity, cleansing all articles, from the finest laces to the bed-blanket. For Flannels it is invaluable, as it does not full them as in the old process of rubbing and pre sing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling suds are forced through the fabric thoroughly loosening and eradicating the dirt WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be repaid in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, &c.

We mention as to quality—it is for sale and given such satisfaction. Call at LOUGEE & BROTHERS, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State.

All orders must be addressed to J. B. HUNTER & CO., Raleigh, N. C.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BUCK.....President.
ABRAM D. POLHEMUS.....Vice President.
WILLIAM W. COLE.....Secretary.
D. P. FACKLER.....Consulting Actuary.
DANIEL AYRES, M. D. LL.D., Med. Examiner.

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guarantees a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued. Should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly evince the determination of the officers to make it the MOST LIBERAL Life Insurance Company in the United States, are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose, the world over, without extra premium or special permit.

2d. A LOAN of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which Accommodate their assured with loans.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. P. Fackler, now Actuary of this Company and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

SUMMARY OF BUSINESS FOR 1867

Total Assets, over	$10,000,000
Polices Insured in '67,	15,251
Am'nt insured, nearly	$45,000,000
Policies Average "	3,000
Receipts for 1867,	5,129,447
Surplus for Dividends,	2,000,000

Dividend Fifty per cent.

Receipts for Interest Nearly Paid Its Losses.

It has $130 Assets for every $100 Liabilities.

Its premium receipts at the present time are nearly HALF A MILLION DOLLARS per month and are rapidly increasing.

The growth of the Ætna has never been equaled by any other Company whatsoever, in Europe or America.

Particular attention is called to the fact that while its business is increasing unprecedentedly, its ratio of expenses is comparatively small.

ECONOMY of management, CARE in the selection of risks, *promptness* in the payment of death claims, and *security* in the investment of its immense Trust Funds, are rigidly adhered to, and have ever characterized this Company.

The ÆTNA issues all the favorite kinds of Policies at the most favorable rates.

The ÆTNA issued last year more Endowment Insurances than any other Company.

The ÆTNA'S ratio of expenses, or cost of new business is less than any other Company whatsoever, and less than *two-thirds* of the average.

The ÆTNA is as liberal in permits to travel, in all parts of the world, as a sound discretion will warrant, and is much more liberal than any other prominent Company.

ANNUAL INCOME over $6,000,000.

The only Company that has the Low Participating Non-forfeitable Term Insurance with privilege of renewal. Ex. of rate at age 30 $14 67, which is nearly 40 per cent. lower than any other leading Company. Also

Non-forfeiting cash rates with dividends on contribution plan and payable at the end of the first year.

Description of Policies.

First—Whole Life Policies,

Second—Endowment Policies, for terms of ten fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term, or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the rates published herewith, will participate in the surplus from the date of issue,

The dividends will be declared and paid annually upon the contribution plan and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made the dividends will be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid as cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON-FORFEITURE RULES.

No whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payment as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase, taken as a single net premium, upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

The "Southern" combines the advantage of both note and cash system, stock and mutual—such as choose to pay cash may do so and secure a non-forfeitable policy and all the advantages of a Cash Company. The privilege of a permanent loan for one-third is granted to all who desire it.

It makes investments at home in good and reliable securities, thereby tending to make money more plenty in our midst, and to aid in developing the resources of our section—and to stop the annual drain of over six Million dollars, which are being sent North for Life Insurance.
