## LIFE INSURANCE.

### THE KNICKERBOCKER

#### MUTUAL LIFE INSURANCE COMPANY.

OF NEW YORK.

Southern Branch, SAVANNAH, Ga.

A. WILBUR, Manager.

R. D. ARNOLD, Consulting Physician.

THE ONLY BRANCH OFFICE OF LIFE INSURANCE IN THIS SECTION WHERE POLICIES ARE ISSUED AND LOSSES PAID.

ASSETS NEARLY

\$5,000,000.

ANNUAL INCOME NEARLY

\$3,000,000.

Annual Dividends nearly 50 per cent.

\$73,500 LOSSES PAID BY THE SOUTHERN BRANCH IN TWO YEARS.

THE "KNICKERBOCKER" IS AN OLD, RELIABLE COMPANY, and offers as great inducements to insure as any solvent Company can. Issues Policies on every desirable plan. Loans one-third of Premiums to Policy-Holders.

All Policies non-forfeitable, as the insured can at any time, on demand, get its surrender value. NO RESTRICTIONS ON RESIDENCE OR TRAVEL.

NO EXTRA CHARGE FOR OFFICERS OF THE ARMY OR NAVY, Officers of first-class Steam or Mail Vessels, or Railroad Conductors, &c.

The "KNICKERBOCKER" is ONE OF THE TWO Northern Companies whose Policies in the South were kept intact during the entire Rebellion, whose Dividends were accredited to Policy Holders as though Premiums were paid.

And it is THE Company that paid all losses after the war, that occurred during the war, thus proving its integrity, the honorable method of conducting its business, and its indisputable solvency.

The KNICKERBOCKER still pays all losses, never disputes a just claim, and is as liberal and SAFE as any Company in America.

W. S. BELLDEN, General Agent for N. C.

Geo. H. Snow, Agent, Raleigh.

### Importance of Life Insurance.

Read the following illustration of how the CONNECTICUT MUTUAL LIFE INSURANCE COMPANY pays its losses:

"Received, at Raleigh, N. C., Jan. 23rd, 1869, of S. D. Wall, General Agent of the Conn. Mutual Life Ins. Co., two checks for \$1000.00 and \$500.00, in full payment of Policy No. 1000, and I hereby surrender all my rights, title and interest in the same to said Company."

"I refrain from publishing the names of the parties, because we do not think it advisable to publish our private business, but will state, although the party had not been insured quite five months, yet received a \$500.00 dividend of \$50 on the premium paid. The dividends of this Company have been larger than those of any other, averaging over 50 per cent. annually, from the beginning and the present dividend (Feb. 10th, 1869) exceeds the average. On the 10th inst. almost all the Directors have received notices of a 40 per cent. dividend upon the premium paid, declared a per centage dividend on the surplus funds existing from losses. Which increases the policy holder's dividend annually, and on some policies average 70 per cent. this year. They have also adopted a reduced rate of interest on the policy, and have \$100,000.00 securely invested for every \$100 of the liability, so the policy holder is completely safe in the hands of the insurance company."

S. D. WALL, Gen. Agent, Raleigh, N. C.

### ETNA

#### LIFE INSURANCE COMPANY.

Hon. R. A. BULLOCK, President,

AUSTIN DUNHAM, Vice

T. O. ENDERS, Secretary,

H. W. SJOHN, Actuary.

SUMMARY OF BUSINESS FOR 1867

Total Assets, over \$10,000,000

Policies Insured in '67, 15,251

Am't Insured, nearly \$45,000,000

Policies Average " 3,000

Receipts for 1867, 5,129,447

Surplus for Dividends, 2,000,000

Dividend Fifty per cent.

Receipts for Interest Nearly Paid

Its Losses.

It has \$130 Assets for every \$100 Liabilities.

Its premium receipts at the present time are nearly HALF A MILLION DOLLARS per month and are rapidly increasing.

The growth of the Etna has never been equaled by any other Company whatsoever, in Europe or America.

Particular attention is called to the fact that while its business is increasing unprecedentedly, its rate of expenses is comparatively small.

ECONOMY of management, CARE in the selection of risks, promptness in the payment of death claims, and security in the investment of its immense Trust Funds, are rigidly adhered to, and have ever characterized this Company.

The Etna issues all the favorite kinds of Policies on the most favorable rates.

The Etna issued last year more Endowment Insurances than any other Company.

The Etna's ratio of expenses, or cost of new business is less than any other Company whatsoever, and less than two-thirds of the average.

The Etna is as liberal in permits to travel, in all parts of the world, as a sound discretion will warrant, and is more liberal than any other prominent Company.

ANNUAL INCOME over \$6,000,000.

The only Company that has the Low Participating Non-forfeitable Term Insurance with privilege of renewal. Ex. of rate at age 30 \$14.71, which is nearly 40 per cent. lower than any other leading Company. Also

Non-forfeitable cash rates with dividends on contribution plan and payable at the end of the first year.

### Description of Policies.

First—Whole Life Policies.

Second—Endowment Policies; for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term, or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the rates published hereunder, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied on the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made the dividends will be added to the Cash Value.

When, by adding the dividends to the Cash Value, the accumulation on any Policy shall have become sufficient to keep the same in force for its full amount, without further payments, the assured may, at his option, either continue payment, or in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be deducted as a per centage of said sum, and paid as cash, and upon surrender of said Policy the sum insured thereby will be paid in full, without regard to the time that it has been in payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, as an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on part-pay Policies—that is, Policies which require no further payment of premium to keep them in force for the original amount of insurance—will be paid in cash upon demand.

### NON-FORFEITURE RULES.

No whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payment as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase, taken as a single act premium, upon the "Actuarial" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

W. H. CROW, General Agent

And Manager for Virginia, Southern the James, and the State of North Carolina.

Office, Raleigh, N. C.
