NEW METHOD OF WASHING CLOTHES

WITHOUT LABOR.

THE AUTOMATIC

CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, rapid and universally recommended. It can be used on any stove or range, in any house, and the Low Price of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and does away with labor and the wear of the clothes.

The hot fluid and steam, by the action of heat, are driven up through tubes, poured upon the clothes, and forced through the fabric with astonishing rapidity, cleansing as it does, from the finest fibre to the coarsest, the dirt. For flannels it is invaluable, as it does not full them as in the old process of rubbing and pressing.

The time required for washing a boiler full of clothes is twenty to forty minutes, and usually three washings suffice to bring white clothes through the tubes, thoroughly cleansed, and effecting the dirt WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day has no longer to be a terror and dread to housekeepers. The cost of the Boiler will soon be realized in the SAVING OF FUEL AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, &c.

As invention has met with such ready sale and given such satisfaction, that at LOUDES & BROTHER'S, 309 and 311 Broadway, New York, they have the exclusive right to sell and manufacture in the State.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you can save very strange to gentlemen. Some buy their bought goods before the rise—some after the decline—some just in time—some in hard times—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some misleading the fair sex, and all such stuff. What a motley set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen over with one eye shut? so let them talk, puff and blow, but study LOOK OUT! HANDS OFF! and show your good judgment by
