## LIFE INSURANCE.

ALL CASH PLAN OF THE

**AETNA**  
LIFE INSURANCE COMPANY,  
OF HARTFORD, CONN.  
W. H. CROW, General Agent for North  
Carolina and Virginia, South of the  
James.  
Accumulated Capital,  
over \$10,000,000  
Annual Income, 6,000,000  
Surplus, above Liabil-  
ities, 2,000,000  
**THE AETNA**  
Has \$136 Assets for every \$100 Li-  
abilities.  
ALL POLICIES STRICTLY NON-FORFEITING.  
CASH RATES!  
CASH POLICIES!  
CASH DIVIDENDS!  
DIVIDENDS PAID ANNUALLY, COMMENCING  
AT THE END OF THE YEAR.  
Dividends may be used to reduce the annual  
Premium or increase the Cash value of the  
Policy.  
**NON-FORFEITING CASH PLAN.**  
The Aetna issues Policies on the  
various forms of whole life and  
endowment insurance, with divi-  
dends on the contribution plan,  
which may be applied to the re-  
duction of each annual premium  
after the first, or the full premium,  
may be paid each year and the  
dividends applied to reduce the  
number of annual premiums,  
together with the period fixed for  
the maturity of the insurance, so  
that endowments can be paid to  
the insured before the time origi-  
nally specified, and life policies  
before death.  
By this plan of applying the dividends to less-  
en the cost of the insurance on the original pay-  
ment, instead of increasing the amount of insur-  
ance, and of course its total cost, and the policy-  
holder will become a saving man, and  
in other payments, give a larger paid-up-  
policy.  
When paying the dividends to the Cash  
Value, the accumulations in any Policy shall have  
become sufficient to keep the same in force for  
its full amount, without further payments, the  
assured may, at his option, either continue pay-  
ment of premiums and enlarge thereby the ac-  
tual additions to its Cash Value—or discontinue  
them; and in either case, when the accumula-  
tions shall have become equal to the sum in-  
sured, the annual dividends on the Policy will be  
declared as a per centage of said sum, and paid  
in cash, and upon surrender of said Policy the  
sum assured thereby will be paid in full, without  
regard to the time fixed therein for its payment.  
The system of applying the dividends is pecu-  
liarly advantageous to the assured, securing, at  
an increased age, not only relief from further  
payment of premiums, but, at the same time, an  
annual income until death, unless he shall have  
previously received full payment of the sum in-  
sured. The New York Insurance Monitor says of the  
Aetna:  
"No Life Insurance Company ever achieved so  
complete a success as this popular institution."  
It is particularly so, when we are reminded that  
the symbols of commercial enterprise in this country."
