FACTS FOR THE PEOPLE. Just arrived and is now discharging her large and valuable cargo, at A. Creech's wholesale and retail dealer in

Staple and Fancy Dry Goods.

Where you will find for Men and Boys wear, a large and fine assortment of

LADIES DRESS GOODS,

embracing almost everything suitable for the season, styles good, and goods pretty, prices all right, be sure to come to Creech's before you buy.

HATS! HATS!!

SHOES! SHOES!!

A large assortment, come along, bring your G cents, Creech's is the place to buy your Shoes.

Bonnets, Spring styles, some small enough and some large enough. For Ladies, Misses and Children trimmed and untrimmed Hats. A beautiful assortment, come lay away your old hat, and always come to Creech's before you buy a new one &c., &c.

Enough before the people, that I told the people six months ago, that I intended to run through my campaign with my motto to give each and every individual value received, for their valuable support, give us the Ladies a fine opportunity to exercise their inalienable rights, as well as the gentlemen, and since that time thousands have shown their good judgment by coming and demonstrating the truth of my assertion. I tell you Creech's is the place. And permit me to return my sincere thanks for your very liberal and valuable patronage for the last twenty five years. I hope by strict attention to business and honest dealing, giving each and every one the worth of their money that I will continue to receive a liberal share of your patronage. The rest of my talking I shall do at my place of business which is Creech's corner Fayetteville Street Raleigh

THE KNICKERBOCKER IS AN OLD, RELIable Company, and offers as great inducements to insurers as any solvent Company can. Issues Policies on every desirable plan. Loans one-third of Premium to Policy-Holder.

LIFE INSURANCE.

ALL CASH PLAN OF THE

ÆTNA

LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

W. H. CROW, General Agent for North Carolina and Virginia, South of the James.

| | |
|---|---|
| Accumulated Capital, over | $10,000,00 |
| Annual Income, | 6,000,000 |
| Surplus, above Liabilities, | 2,000,000 |

THE ÆTNA

Has $136 Assets for every $100 Liabilities.

ALL POLICIES STRICTLY NON-FORFEITING.

CASH RATES!
CASH POLICIES!
CASH DIVIDENDS!

DIVIDENDS PAID ANNUALLY, COMMENCING AT THE END OF THE YEAR.

Dividends may be used to reduce the annual Premium or increase the Cash value of the Policy.

NON-FORFEITING CASH PLAN.

**The Ætna issues Policies on the various forms of whole life and endowment insurance, with dividends on the contribution plan, which may be applied to the reduction of each annual premium after the first, or the full premium, may be paid each year and the dividens applied to reduce the number of annual premiums, together with the period fixed for the maturity of the insurance, so that endowments can be paid to the insured before the time originally specified, and life policies before death.**

By this plan of applying the dividends to lessen the cost of the insurance on the original policy, instead of increasing the amount of insurance, and of course its total cost, and the policies will become self-sustaining much sooner than in other companies; and in case of inability to continue payments, give a larger paid-up-policy.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a portion of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

The New York *Insurance Monitor* says of the ÆTNA:

"No Life Insurance Company ever achieved so complete a success as this popular institution.—Its popularity is altogether unprecedented in the annals of commercial enterprise in this country."

BONE ASH.

THE ATTENTION OF FARMERS, FRUIT and Vegetable Gardeners, Vine Growers and all others engaged in planting is called to this SUPERIOR FERTILIZER. Now on sale, PURE SOUTH AMERICAN BONE ASH, the first and only direct importation ever received at this port.

This Ash is produced from the vast herds of horses and horned cattle which are slain for their hides, the remaining portion of their bodies being reduced to pure ANIMAL CHARCOAL and ASHES, producing the RICHEST MANURE ever used. I warrant this to be pure as metal, a genuine Bone Ash.

Wheat, Oats, Corn, Cotton, Tobacco, Vegetables, Fruit Trees and Vines, and all cultivated Crops, Orchards and Vineyards, require this powerful and enduring Fertilizer.

Price, $60 per ton of 2,000 lbs., in bags.
