THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR. PRIDAY, JUNE 18, 1869.

To undertake, even a brief description bling noise, announced the approach of the number we save this arrival the fact disclosed itself that it consisted of eight spacious coaches, filled with ladies and geotlemen. Alter a little time being

in shifting the train of the North Carolina Reilroad upon the Raleigh & Gaston Bail- crived by fine music discoursed by the celeroud and joining the two trains together, brated Old Point Band, and witnessed a the welcome cry of "all aboard" was heard dress parade of five companies of artillery, and greeted with loud cheers, and in a Gen. Barry, commanding. Everybody was acat more the train moved slowly off, struck with astonishment with the differbearing away something over nine hundred ent military evolutions of the companies, hearts all filed with the highest anticipa- the rapidity with which they loaded and tion was called to the great and heretofore speing. unparalleled length of the train, and more especially to the truly grand and beautiful spectacle it presented when steaming slowly signal of departure. All were soon on

(who is not dead,) and most excellent and of the excursion. From these who were never had known or feared.

Board of Trade, the whole party was trans RALENIN Was recached about half past 8 o'clock, terned to the spiendid and spacinus steamers, the Lewissians and Gen. N. P. Banks, and in a tew moments were steaming out of the noble and teautiful barbar of Morfalk. So our way to Fortrass Mopros. It was the good fortuse of the writer of this, to get upon the Gen. Earsts, and never did a "man of the quill," fall into such good hands er ers, the Louisians and Ges. N. P. Banks, P. M., without accident, and everybody deof the quill," fail into such good hands or dent Smith responded in an appropriate readers the arguments of the other gent man who appeared as counsel for the inter-fare batter. Any endeavor to enterjinte a and neat little speech of about ten minutes. At any early day : At the conclusion of the speech of about ten minutes. At any early day : At the conclusion of the speech of about ten minutes. Mr. William H. Battle said that, as one the onsel to be seen would consume had only one thing to regret, that was, the consel tor Mr. Moore, he would purce time and space than we are able to give, therefore, we give, without any comments. Among the members of the press of this answer to the rule with had been streed upon him. "In the Supreme Court June Term 18 State the following accompanied the excuras we were speeding on our way to Old sion: Aloright & Boo, Patriot, Greens- Bragg and Ed. Graham Haywood. Polat ; Fort Norfolk Marine Hospital, Pin- boro'; J. O. H. Nutall, Examiner, Salis-

INSANITY-MEETING OF SUPER-INTENDENTS FOR ITS CURE:

STAUNTON, VA., June 15. The twenty third annual meeting of the Association of Medical Superintendents of American Institutions for the Iusane convened here to day, Dr. Kirkbride, of Philadelphia, president, in the chair, and Dr. Curwen, of Harrisburg, acting as socre-

tary. Nearly all the States and the Dominion of Canada were represented. The proceedings were highly interesting. Dr. Curwen, of Pennsylvania, read a re-

port upon the treatment of the insane in private institutions, in which he took ocea sion ta express his contempt for the con-taken as to his first ground of defen dect of certain leguisations in passing rules and regulations for the government and treatment of maladies of which they are ints of both an act and an intent must be to constitute a cfiminal o

Transportation of the deaboard it. It is a name and hearty welcome and ready to take the train to Portamouth. It being understood that the conclusion of the banquet the fall was decorated with American fags. At the conclusion of the banquet the factor the banquet the factor the conclusion of the banquet the factor the conclusion of the banquet the factor the determined by the conclusion of justice by the Conc

A REMARKABLE CAVE .- There is a cave in Russia, not far from Orenburg, which in this country. At the head of post cases the remarkable character of being James Kent, known throughout the state of th eiple to the explanation of the from well wards succeeded, and, hat Tompkins, who subsequently

continually. It is impossible, in the short the Vineyard, suddenly drew it in and with sing and small space, which we have at this a lock of unbounded autonishment, drew a long breath and and in undiple tone "Fill preparated at Bristol, England. A magine, we deliver any opinion, deabties, trate asked a prisoner if he were married, in diverse, which we that and and in undiple tone "Fill trate asked a prisoner if he were married of dovernor, is eppendition to Gov.

A contemporary says that transcendentimn is the spiritual co-ogical irrefragitulity, custant ademption of ial cognetions of psycholencolumnient spieitmality and e hard contention at sub-
