STATE NEWS

DISCOUNT - Brother Waring of the Cape Fear River...

One source of information has been made known to the great majority of the members of the County Commissioners...

They report great demoralization in the ranks of the D. M., and state that many have deserted and are working their way homeward as best they can...

They state further that their fare in camp was intolerable, consisting of corn bread and fat bacon, and not even enough of these.

The unpaid balance of the Government bill is not all paid, yet...

We expect to hear, before long, of Courts Martial, and trials for desertion, and perhaps a dozen of the poor fellows may be shot.

If Governor Holden is not subdued at this whole militia business, it is hard to conjecture what could make him ashamed.

There was no necessity for the thing at all, as the result has shown. It has only cost a useless expense upon the people, and given employment to some of his hungry hangers on.

The people will remember all these things.

"INCIDENTS IN THE LIFE OF A BLIND GIRL." - This is the title of a neatly printed and well-bound volume of over two hundred pages, a copy of which has been sent out at our table by the publishers, Miss Mary L. Day...

Miss Day visited our city for the purpose of selling her books, from the proceeds of which she is enabled to travel for the benefit of her health, which has been declining.

The book itself is worth the money asked for it - not only from any other consideration, to induce persons to purchase it. It is written in a plain and interesting style, giving the experience of the writer who, at an early age, was suddenly stricken out from the glorious sunlight and the beauties of nature.

The various Committees will meet at the Council Hall on Friday night next and report progress, and also to make final arrangements for the occasion.

The Finance Committee will meet upon Friday evening next at the Council Hall.
