CONTEMPT OF COURT. HI. Walton, colored, was brought up before Chief Justice Dr. T. L. Banks, of Panther Branch Ditriet, for strallog a hog from Bunkel, the Dutchman. Stunkel calls his hogy in sea county from having his teeth plugged Dutch, and they will come to no English with a poisoners fell or compound. We hear of several others being sick from the call. Walton had six hogs, which number about the time Stunkel missed two. Stunkel claimed two of the eight that were in Walton's pen, Walton denied that they wors his. Stuckel proposed that Walte should go a distance in one direction as he, Stunkel, should go in another direction. ship. Walton agreed, but on arriving at the pen, flow the track. Afterward Styre kel went to Walton's and, with Mc Wm. Rand's permission, bried the "call" experi ment. Rand turned the bogs out of the m. htunkel went a distance and gave his th Dutch call, when lo! sway went two of the the cider got spilled."

hous-the two he had claimed-to him. He moved off to a distance and called again when away they ran to him again. Walton was arrested on a charge of stealing the Ham lost a giu house from the same cause, hogs and tried before His Honor, Chief stane eight years since. Justice Banks, of Panther Branch District. Good SEASONS.—The papers from Stuckel swore the hogs were his; the above parts of State, speak of refreshing rains for facts in regard to the call was proved; but the Court dismissed the case at Pia'ntiff's cost, because he did not consider the evidence sufficient to convict Walton, although he believed the bogs were really

and proposes to give them up to Stunkel turned with the empty bag and received without any other charge than that Stunkel Dues'r Stron.—Mr. Williams, who was to shall pay him for what they have eaten brought there. The young a cal had eviat the Commons Half, last night, did not ground that he knows they are Stunker's received pay for doing it. Wid. Journal. at see Source the Governor would not let hogs, and be thinks Stunkel ought to have TEX RAISING IN THE SOUTH. - We learn

We admire thus generous trait in Solc men Rand, and think that the neighbors past. Mr. Harris has now several plants ought not to let the whole loss fall on him; growing finely. This is the first instance

The Concert will come off to night at the of the wants of the deserving poor, and county, N. C., who at once wrote to Mr. Court House, and we hope the audience especially of widows and orphans, whose Helper and ourself informing us that for to House, and we hope the addition natural provider has been lost to them, is a many years tea had been grawn on the partiest the extra expense his last subject which has been forced upon the partial of the partiest the extra expense his last subject which has been forced upon the partial of the partial o the extra expense his last subject which has been forced upon the pantation sisj. Barry, her brother in-law, in that county. When it was first brough attention of communities, and individuals there and by whom, is in doubt. Thirty gears ago, Miss Peake informs us, it was much in favor there and used as a beverage, but Great good has been done by the aid thus given to those unable to help themselves; but, after all, charity is not the best way in the best way in the cond help cond help themselves; but, after all, charity is not the best way in the cond help con which such help can be secured. To accept she has leared within a few years. It is a dispited night b fore last of sims involver, in some degree, a loss of perrinsial plant and grows without cultivaself-respect and independence. What is wanted is some system by which, at small gradual cost, every laboring mas may make opinion that an acre cultivated in it would the wolf from the chor. Such a plan is us, is the species known as the "Bob the family of Mr. James A. Moore, dereside, will receive between twenty and of the National Life Insurance Company in fuller description she refers to the Enthirty thousand fioliars from the Insurance snother column.
