As a Stimulant, curing diseases of the Kidneys and Bladder it is a great and valuable remedy, giving an appetite and invigorating the system. As a Sudorific, causing perspiration and allaying fever. As an Expectorant, allaying all Coughs, and good in all Pulmonic and Lung diseases.

There is not a pain or ache, no matter of inflammatory, but that the King of all Pain will relieve, and in most instances entirely cure. It should always be used before any other remedy is tried, for it is almost certain in every case to be the only thing needed.

W. J. LAWTON, President. R. J. LIGHTFOOT, Secretary.
The Georgia Mutual
IS A HOME COMPANY.

Owned and conducted by Southern men. It employs its funds at home for the benefit of Southern enterprises.

IT IS THE PIONEER COMPANY OF THE SOUTH, in all the new and liberal features of Life Insurance, presenting advantages not offered by any other Company, note the following points.

1st. Low Rates of Insurance, with a credit of one third, the Premium as a perpetual Loan.
2d. THIRTY DAYS GRACE for the payment of all premiums, and the Policy held good for that length of time.
3d. Policies Non-forfeiting after the first payment.
4th. Policies Indisputable from any cause save fraud.
5th. No restrictions of Residence, Travel or occupation.
6th. It is a Mutual Insurance Company, ninety four per cent of the Profits are divided among the insured, on the contribution plan, and as money commands higher rates of Interest in the South than North or East, the probability is almost certain that the dividends will exceed those of Northern Companies, this reducing the premiums to their lowest actual cost.

7th. Under the Charter of this Company, Policies of insurance are not subject to the debts of the Insured. Policies in favor of a wife or children are payable to them or their guardians direct.

8th. This company issues policies guaranteeing six per cent. compound interest in addition to the insurance of the amount insured. Parties about to insure would do well to examine the tables and plans of this company before insuring in any other company. DR. R. BURKE HAYWOOD, Examining Physician.
Gen'l. S. B. BUCKNER, Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Fliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

JAMES P. LUCAS, President.

CAPITAL STOCK, (PAID UP,) $150,000.00

Stockholders bound for Double the Amount of Stock!
$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.
THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt itself over those of other good Companies, nor to impugn on the merits of other's laboring in the same fields, and for the same grand object. Conscious of its equal advantages with others, of its stable age or standing, it is willing to leave its stability for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES P. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience; men of probity and unblemished reputation. In the character of such a Directory, we confidently have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or canal-ion, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	[illegible]
EQUITABLE,	$10.84
NORTH AMERICA,	17.44
BROOKLYN,	21.16
UNIVERSAL,	21.06
JOHN HANCOCK,	27.34
THE NATIONAL,	18.27
THE ÆTNA,	63.45
	16.41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It insured more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

Has what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a wise-directed source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearts of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 508 policies, received an income of seventy-eight thousand dollars, and possessed assets amounting up to something over two hundred and eighty-two thousand dollars; but two years, in 1868, it granted 10,397 new policies, more than any other Company, except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and prudently invested assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And all this wonderful ratio of growth has been sustained in 1869."
