

Mr. Editor:—On the 25th of this month I was at an arbitration and Justice Court held at the Court House of Township No. 4 of the county of Cleveland...

THE DEAF AND DUMB.—The Institution for the education of the Deaf, Dumb and Blind, in this city has now in charge 177 inmates, including both the white and colored, namely, 136 white, 41 colored.

THE HEALTH AND GENERAL PROSPERITY of the institution, under the superintendence of Mr. Palmer, has since the commencement of the present session, been gratifying.

OFF FOR THE "BIG NORTH"—Mr. R. Gibson, Merchant Tailor, opposite the Market House on Fayetteville street, left the city last night for the North, to lay in his Spring and Summer supply of goods in his line.

REASONING.—The Senate passed a resolution, yesterday, discharging the "Beagle" committee. We are not surprised at this. Ever since the effort was made to enlarge the powers of the committee, so as to enable it to investigate the charges of bribery and corruption, there has been a deadly, persistent and determined effort to get rid of the committee altogether.

DAVENPORT FEMALE COLLEGE.—A letter from a friend in Caswell county, informs us that the Spring session of this flourishing Institution is opening with prospects of success beyond the most sanguine hopes of its friends.

THE PRESIDENT OF THE COLLEGE and his associates, we cannot say too much in commendation. The writer of this has long known them, had opportunities of seeing and judging of the qualifications of Rev. Mr. Lander for the position he occupies, and of Mrs. Lander as a helpmate in every way worthy of him.

CRIMINALS.—Mr. Lindsey is trying to crawl out of his speech about "contracting the wives and daughters" of Gov. Vance and others, and "expelling them from respectable society," having arisen to a "question of privilege" in the Senate yesterday, and denied it. His Senatorial Oath of solemnity and Sweet of Christ, two of his braves Bards, declared in open Senate that Mr. Lindsey used the language imputed to him in the report of his speech, and several other gentlemen bear the same testimony.

AUSTRALIAN INDEPENDENCE.—Among the other political movements and national splendorings which mark the history of the South, the movement for Australian Independence is the most recent and the most audacious.
