Notice! Notice! Notice! Notice!

HAVING seen by the Standard and Sentinel of 5th, that the Yarborough House is advertised as the only first class Hotel, we wish to call the attention of the travelling public to two or three facts:

It is well known that the National Hotel is new and was furnished by J. M. Blair, (who gave us this notice extraordinary of the Yarborough House,) regardless of expense, only this past Fall, but it was done when he expected to be the Proprietor, and retain this, as he expressed it, for his first class boarders, and send his second class to the Yarborough. The trouble was he had to go there himself.

To do justice to the owners of this property, my customers and myself, I will say that let the public simply give the house a trial, and they will say no better, cleaner, better kept house can be found in the South or North.
