# THE SENTINEL.

## CITY AND STATE ITEMS.

TUESDAY, MAY 3, 1870.

Rev. Thos. H. Haskell, as Trustee Chest, is authorized to receive subscriptions and give receipts, &c., &c.

WILMINGTON, N. C. LIFE INSURANCE COMPANY.—This is the name of a new Insurance Company recently organized in Wilmington, and as a home enterprise appeals to the people of the State for patronage. We trust that its appeals will not be unheeded, and that a proper State pride and an appreciation of energy and enterprise, will enlist the support and encouragement of our citizens.

Among its Directors and Stockholders, we see the names of some of the most highly respected and prominent gentlemen of our State.

We intended to speak of this company before, but inadvertently neglected to do so.

A reference to our advertising columns will furnish all necessary particulars to those interested in Insurance matters.

THE STANDARD.—The Editor of the SENTINEL and his Assistant, are both absent from the city and will not return in several days. The *locum tenens* therefore, will not notice the abusive and scurrilous article in reference to the Editor, in the *Standard's* issue of yesterday. Mr. TURNER will treat it as it deserves on his return.

I. O. O. F.—We are desired to state that there will be a meeting of the I. O. O. F. at their room this (Tuesday) evening at 8 o'clock. A full attendance is requested.

We are requested to announce that the "Tumleronican Band," will meet this evening at half past 7 o'clock at their usual place of meeting. Music may be expected by the entire band.

Positively the last day of Dr. Lindsman. If you have corns, bunions or bad nails, don't fail to give him a call. He cures without pain or drawing blood. Dr. Lindsman will positively leave Raleigh tonight. His room is 42, Yarbrough House. Ladies attended at their residences without extra charge.

CONVENTION WEEK.—Mr. A. J. Rutjes, proprietor of the National Hotel, Raleigh, N. C. respectfully informs his friends and the public in general, that he has made ample preparations for the accomodation of seven hundred guests during Convention week. Parties wishing to obtain rooms are requested to inform Mr. Rutjes, by telegraph or letter, a day or two in advance, so as to avoid all confusion. The dining room during that week will be conducted on the European plan; meals at all hours.—The proprietor has also opened a first-class bar for the accomodation of his guests, where the choicest liquors and finest brands of imported and domestic cigars can be obtained. d5t.

In Wilmington, on Friday night about 9 o'clock, a white infant, was discovered in the piazza of the residence of Mrs. Marks, on Second street. The little stranger was turned over to the proper authorities.

Bacchus Quince, charged with killing Sandy Sykes at the place of Mr. W. F. Foster, in New Hanover county, November last, was tried and acquitted by the Superior Court of that county on Friday last.

Mr. R. C. Cox, of Oxford, will accept our thanks for a couple of packages of that splendid "Excelsior" Durham Smoking Tobacco, which he manufactures.

It is a prime article, and we recommend it to all lovers of the weed. We know what we are talking about for we gave it a trial.

We are glad to see that our friends in the West are stripping for the fight in good earnest. From an exchange we clip the following:

"At Franklin, Macon County, on Thursday, during the recess of Court, Capt. Robinson, the Representative of the county, and Dr. Love, the Senator of the District, addressed a large and attentive audience of their fellow-citizens in the Court room.—Capt. R's address was confined principally to an explanation of his course in the Legislature, and we are glad to say his action was warmly and almost universally endorsed by his constituents. Should he desire it, he will no doubt be re-elected by a very large majority. At the conclusion of Capt. R's speech, Dr. Love, took the stand. After explaining his course on certain important measures before the late Legislature, he took up the party in power, and undressed the hideous concern, garment by garment, and showed it to be one of the most unsightly monsters ever seen in the South, but not content with this he took the finish off and revealed the fact that it is 'rotten to the core.' The Dr. is a gentleman of first rate ability, and this District should be proud of such a Senator. He will probably be the Candidate in the District during the coming Campaign and of course will be elected, as the vote will stand about three to one in favor of the Conservatives."

GREAT FORTUNES.—Great fortunes are not easily acquired in these days of sharp competition and hard treachery. Even when they are acquired, they too often ruin the possessor's mere wreck, having made a drudge and slave of himself in toiling incessantly for that which he is permitted to hold for a few brief months before he is laid away in the grave. We must confess that in this view of the case, the "GREAT HENDERSON COUNTY, KY. PRIZE SCHEME" has powerful attractions for even the most staid. Here are great fortunes, to be won without hazard or toil, and the whole secured by a legal charter, and in the hands of men of the most undoubted integrity. We are ready to all any of our friends who may command us, in securing tickets or information about this matter.

"Why do you call me Mr. Jones, my dear? I have told you a dozen times that I prefer to be called by my first name." "Yes, I know you do, but I always associate Mr. Jones with a bill."

## SUPREME COURT.

Supreme Court.—The annual gubernatorial election in this city on the first Monday in June next. We are authorized to state that the causes from the several Judicial Districts will be called in the following order:

1st week—1st and 2d Districts.
2nd week—4th and 5th Districts.
3rd week—3rd and 7th Districts.
4th week—8 h and 9 h Districts.
5th week—10th and 11th Districts.
6th week—12th and 6th Districts.

On Monday of the first week, applicants for license to practice law will be examined on the "Rights of Property." On Tuesday they will be examined on Pleading, Practice and the Code of Civil Procedure.

The causes from the 1st District will be taken up on Wednesday.

DAVIDSON COLLEGE.—We have received an invitation to attend the second annual Celebration of the "Ugly Club" of the above named institution, on the 30th of June next. We return our thanks to the young gentlemen for the compliment, and will certainly be on hand if our duties at that time will possibly admit of it.

The regular meeting of Hook & Ladder Company, No. 1, which occurs this Tuesday evening, is postponed until to morrow (Wednesday) evening, May 4th, at 8 o'clock, at the Court House. By order of the Foreman.

T. J. LOVE,
Secretary.

### THE RICHMOND TRAGEDY.

At the public meeting held on the Capitol Square in Richmond, on Thursday last, among other speakers, the venerable Ex-Gov. Wise addressed the crowd. The following is an extract from the closing portion of his speech, which does credit both to his head and heart:

What brought about this calamity?—Was itself has spared this Capitol, and wondrous strange it is that after all the ravages of war *the Capitol fell of itself!*—That astounding incident is itself a lesson which would fill a volume with commentary. This I will say: Strife since the war had brought together an anxious, eager crowd in heavy mass on the weak floor of an upper chamber of this building to hear the decision of a fatal controversy by a supreme court; that a strife precipitated that crowd and crushed the mass to agony and death! That alone is a teaching admonition.

The Capitol is old, it is of the past, passing away. Let it be built *anew* of the durable and solid granite of your rich river bank, laid deep in the solid soil of our country, and let its superstructure raise a lofty spire towards Heaven, a sign of Covenant with God! And let this be symbolic of a moral and political foundation, laid anew and deep, for a superstructure of love and brotherhood among men, which shall be approved and blessed on High.

And lessons come not alone from the dead, but from the living. From the unknown other world, to whose bourne the dead are gone, no sign can be given. The sign must be given rather from the living, who are spared and are here, and not from the dead, who are taken and who are gone, as I am a living witness and example.—Thanks be to my God and my Saviour that I am here a living example of his Merciful, Divine, special Providence. If there be an infidel in this assembly who lacks faith and needs proof, let him behold a poor sinner saved by the mercy of God's special Providence. I was counsel in this very case of strife and controversy; it was my duty and desire both to be present at the announcement of the opinion and the decision of the court in the case; my seat would have been at the very centre of the danger, where my brothers Nesson and Wells, and Meredith and Chandler, were sitting, and who, every one, have been seriously and severely, if not dangerously, wounded and mangled. They lost in the midst of danger and of death, and their fate would have been my fate, but I was snatched back and detained by a client me-senger from heaven, at the very moment when I was striving to be present in the court room. One and another conjuncture of circumstances held me back and delayed me to within ten minutes of the terrific theater. My brothers Daniel and myself, one on each side out of six counsel, alone were spared, and certainly for no worthiness of mine. I believe in no blind fate—there is no destiny of man but what God's Providence controls, and I am not ashamed to confess Him only before this multitude of people—and for myself and all I pray that we may devoutly praise Him, and Him only, for his infinite goodness and mercy.

For the Sentinel.

CURRITUCK C. H., N. C., April 18, 1870.

*Dear Sentinel:*—While the present age is laughing in its sleeve at the blunders and blockheads of radicalism, we Currituckians, are having our share of the sport.

One of the most amusing occurrences that has happened among us recently, was a political meeting held by the sons of Ham at this place on the 16th inst. I must tell you of it:

About 11 A. M. they commenced to gang up, one at a time, and by 2 P. M., the deformity of the new political element was pretty well represented.

Under the direction of two or three of their white bosses, they, after some trouble, made a genuine old shingle swamp hoe their chairman.

The old fellow seemed thunderstruck. There was no backdown, however, and he managed, with much difficulty, to keep above his tottering knees until fairly seated in front of this Africo-American council.

We are inclined to think they never pronounced the object of their meeting, if any of them knew; but they managed to scare up a Committee, and when the Committee returned from its consultation, and its chairman told the President of the meeting that, why his permission the report of the Committee will now be read," poor old Cuffee seemed struck with a fit of consternation; and, when he recovered himself sufficiently, stood with his shoepinkees that Radicals only can imitate, and lisped these, "Cot all heer di mostes."

A visitation of grand confusion and sublime disorder followed, and the next we heard like business, was a motion to have proceedings published in the *Standard* and *North Carolinian*. Well, our hero of Ethiopia's how came to put the question, saying to the admiring Northies—"You all heerd di stories to publish di proceedins at di *North Carlonian*." Of course he had his questioner answered with a sufficient amount of screaming and stuttering to cause to Dar the standard of "flour" eloquence, and draw forth another shower of magnificent disorder.

Then came a motion to adjourn, and a pistol from some white leader to aid Cuffee's hoe, he must put this motion. He arose, and a [illegible] his head and rolling his eyes, and bowing so low as to bring his nose in front of his shoe buckles, he hemmed out, "You all heers di motion now the question before de house, Mr. Chairman."

INVERNESS.

### REV. A. D. MARKLEY.

Mr. Earle is a New England man, and about fifty five years old. He is not remarkable in person or voice, and the sense of the graces of the orator, and yet he is the most remarkable evangelist of this age and century. He held a meeting in Richmond last spring, during which some two hundred persons made a profession of religion. As many were added to the church here during a meeting in Baltimore last fall. Recently three hundred professed conversion in a fifteen days meeting in Mobile, and similar results have attended his preaching in Galveston, New Orleans, Montgomery, Atlanta and Savannah. Next week he will begin a meeting in Charleston, and on the 15th of July he will commence preaching in Raleigh.

It gives me pleasure to unite all the praying people of our community to ask the blessing of God upon this proposed meeting, and to urge all, of every church and creed and condition to attend the preaching of this most extraordinary man.

T. H. PRITCHARD.

### THE BURNING OF THE RICHMOND THEATRE.

The burning of the Richmond Theatre in 1811, December 28th, is frequently alluded to in comparison with the terrific event of Wednesday. The first play for the night was "The Father; or, Family Feuds." The after piece was a pantomime called "Raymond and Agnes; or, The Bleeding Nun." The first play was ended without accident and the pantomime was brought on. Much comic effect was requisite, including fire, and in the very first act the fire coming in contact with a curtain set it in a blaze, and in a minute the flames were beyond control. An actor gave the alarm, and the audience, terrified, sought to escape from the house. There was nothing like order. The crowd pressed in the direction of the doors and closed them, and packed the human weight against them so that there was no egress except by leaping from the windows. The flames overtook many in the body of the house, and first suffocating them, afterwards burned them to ashes. Some were trampled to death and afterwards burned. Others were killed jumping from the windows and were burned.

Out of six hundred persons in the theatre seventy-three were burned, including the Governor of the State (Governor W. SMITH) and a number of the most prominent citizens, and many others were severely injured.

The harrowing scenes of this catastrophe may be in some degree imagined. It was one of the most fearful calamities by fire—that terrible agent—that we have read of; and very much exceeded the horrors of the crash in the Capitol on Wednesday.

The Monumental church, as most of our readers know, stands on the site of the theatre, and the monument in front of the church contains the names of those who perished in the fire.—*Dispatch.*

### Monday Night Dispatches.

WILMINGTON.

WILMINGTON, May 2.—A mist is needed sidewise falling gently nearly all day, arousing great rejoicing among the farmers and gardners, but seriously interfering with the 15th Amendment Celebration.

The procession formed at 9 A. M. and marched through the principal streets to Dudley's Grove where short addresses were made, by J. C. Abbott and G. H. Dockery, when on the account of the unpropitious weather they returned to the city, and took refuge in the City Hall, where Dockery spoke again and was followed by several others.

Delegations were present from several surrounding counties, but not more than 1 000 were in the procession, of which about 25 were white.

The festivities will wind up with a ball at the City Hall to-night.

The comparatively small number in the procession is accounted for by the fact that the negroes are now fully satisfied that their right of suffrage is fixed, and that no effort will be made by the northern people to deprive them of it.

Two years ago such an occasion would have brought out not less than 5,000 negroes, but they are now growing tired of parades.

No disturbance occurred, and good feeling exists between the races.

Hundreds of freedmen continued their daily work as usual, seeming to feel no interest in the celebration.

WASHINGTON.

WASHINGTON, May 2.—In the House the bill allowing $2,000 a year to the widow of President Lincoln, passed, yeas 74 nays 49.

A resolution declaring it the sentiment of the American people that an immediate reparation should be made by England for Vessels destroyed by the Alabama, and requesting the President to press the Alabama claims to an immediate settlement, was offered and referred to the Committee on Foreign affairs.

A joint resolution passed declaring the 19th of May as a public holiday to be observed by the people of the U. S. in decorating the graves of Union soldiers.

The tariff bill was taken up and progressed as far as the 16th page of the bill.

In the senate a bill was introduced to enforce the 14th amendment and prohibiting intimidation by refusing to employ, or by discharging, or by otherwise injuring any citizen with an intent to restrain him in the exercise of rights meant to be secured to him by the 15th Amendment. The bill makes such offences punishable by a fine not exceeding $10,000, and imprisonment not to exceed 10 years, and empowers the President to employ land and naval forces to enforce its provisions, and to disband all opposing combinations.

A bill to pay loyal citizens in the rebel States for taking the census in 1860, passed with an amendment to require proof of the loyalty of the person who performed the service, including the oath of the party, if living.

Gen. Canby has issued an order vacating Virginia, and orders his subordinates to report to Gen. McDowell, commanding the Department of the East.

The District Attorney Generalship is at the disposal of Gov. Wells.

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

*For Restoring to Gray Hair its Original Color.*

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is liquid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been restored with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

Dr. E. A. ANDERSON.....MEDICAL DIRECTOR.
Wm. A. WRIGHT AND C. M. STEDMAN.....ATTORNEYS.
Hon. ELIZUR WRIGHT.....CONSULTING ACTUARY.
Rev. B. F. MARABLE.....GENERAL SUPERINTENDENT AGENCIES.

THE PRINCIPAL OFFICE OF THE COMPANY IS LOCATED IN WILMINGTON, NORTH CAROLINA, No. 5, NORTH FRONT STREET.

THIS COMPANY WAS CHARTERED BY THE LEGISLATURE OF NORTH CAROLINA IN A. February, 1870. The Charter is perpetual, and in every respect in the provisions.

CAPITAL STOCK $300,000,

WITH PRIVILEGE TO INCREASE IT TO

$1,000,000.

The Board of Directors beg leave to say to the people of North Carolina, that this is emphatically A "HOME INSTITUTION." The stockholders are all North Carolinians; the members of the Board of Directors are all North Carolinians; the officers of the Company are ALL NORTH CAROLINIANS and the Agents of the Company are all North Carolinians.

Most of the States of the Union, in which Insurance Companies are located, require a heavy deposit from Companies located in other States before being allowed to do business in them, and the Board of Directors of this Company, believing that it was nothing more than EVEN HANDED JUSTICE" that the Legislature of North Carolina should pass a law requiring Companies located outside of this State to make a deposit with the Treasurer of the State before being allowed to do business in it, petitioned the Legislature at its late session for the passage of such a law; but that Honorable body turned a deaf ear to our humble petitions and refused to do so. Now, we humbly submit that if it is just and right that Insurance Companies located in NORTH CAROLINA should be required to make a deposit with the Treasurer of other States before being allowed to do business in them; then it is equally just and right that Insurance Companies located in such other States should be required to make a deposit with the Treasurer of North Carolina before being allowed to do business in this State. The Legislature of other States afford

PROTECTION TO THEIR INSURANCE COMPANIES,

and why in the name of common justice should not the Legislature of North Carolina do the same thing? Has the time not yet come when the "Big Yam Wrinkle of the South," of which we hear so much, is worse than a LIE? Are the people of the "Good Old North State" to remain forever behind their neighbors in the MARCH OF IMPROVEMENT? Why is it that we cannot establish Institutions of our own to protect and support them, and there by keep our money at home to benefit our own people, in the same manner that the citizens of other States do? Look at the hundreds of thousands of dollars which go out of the pockets of the people of North Carolina annually, to enrich the Insurance Companies and benefit the people of other States; and what is worse than all, to benefit the people of States which refuse to allow NORTH CAROLINA INSURANCE COMPANIES to do business in them without making a heavy deposit. We have not a single word to say against the Insurance Companies of other States; but as the Legislature of other States refuse reciprocate to their Insurance Companies, when such companies in this State are refused privileges by our own Legislature, we humbly submit that it is the duty of the people of the State to patronize

OUR OWN COMPANIES;

for by doing this they are but simply doing justice to themselves.

The Board of Directors and Officers of this Company assure the people of North Carolina that the Company commences its work of Life Insurance upon a SOUND AND REliable BASIS; and they hereby pledge their honor that the management of the affairs of the Company shall be such as will give perfect security and safety to all who may patronize it.

Our Table rates were calculated by the Hon. Elizur Wright, the world-renowned Actuary, and may be called upon as being correct.

This being a "HOME INSTITUTION," we have no long list of Directors and Stockholders, composed of distinguished gentlemen of other States to spread before you; but we have a respectable list of Stockholders, all of whom are North Carolinians, and a large portion of them will be recognized as being some of the BEST CITIZENS OF THE STATE. Nor have we a long list of names of eminent gentlemen abroad to refer to; but we respectfully refer to the good citizens generally of this community.
