A. BALDING'S

PATENT GLASS SUBMERGED

DOUBLE-ACTING FORCE PUMP.

THIS Pump will pump 20 gallons of water per minute, will never rot out the packing, has no fixtures, so water ever stands in its pipes to freeze, and is less liable to get out of order than any pump now in use. It may be set up in a few minutes by any person.

These pumps will be sold at from $10 to $20, according to capacity of cylinder, the latter throwing 20 gallons of water per minute. The price of No. 1 for family use, throwing 10 gallons of water per minute, will be given upon application.

Having the exclusive right to this pump for the States of North and South Carolina, I am now prepared to contract for the manufacture of them in Wilson, N. C., and will receive orders for them in Wilson, and will ship them by Express C. O. D., if the money is sent me, by the purchaser himself. The number of feet in the drop pipe will be given in all cases.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

It Makes the CHEAPEST interlocking, as well as the BEST, since it is nearly TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement, never before accomplished by human ingenuity,) making either the lock stitch, or double chain stitch at pleasure, as may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and, as such, combines with these ADVANTAGES EXCLUSIVELY ITS OWN THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. Townsend's Hooping Skirt Rooms, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Bale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

A PROCLAMATION.

STATE OF NORTH CAROLINA,

Executive Department,

Raleigh June 6, 1870.

WHEREAS, In January or February, 1869, the house of Daniel Blue, colored in the county of Moore was entered at night by a band of disguised men, known as the Ku Klux Klan, and the wife of the said Blue, who was pregnant, and five of the children were murdered, and the house with the bodies of the murdered persons aforesaid was burned;

And Whereas, on the 20th of February, 1870, Wyatt Outlaw, colored, a citizen of Alamance, was taken from his house in the town of Graham by a band of disguised persons known as the Ku Klux Klan, and hanged by the neck until he was dead, on a tree near the Court House;

And Whereas, on Saturday the 21st day of May, 1870, John W. Stephens, white, State Senator from the county of Caswell, was murdered in open day-light in the Court House in the village of Yanceyville, by persons unknown, supposed to belong to the Ku Klux Klan aforesaid;

And Whereas on the 13th of May, 1870, Robin Jacobs, colored, living near Leasburg, Caswell county, was murdered at night by a band of the Ku Klux Klan aforesaid;

And Whereas from the 2nd of April, 1870, to the 15th of May, 1870, not less than twenty-one persons, white and colored, in the aforesaid county of Caswell, were cruelly whipped and scourged by a band or bands of the aforesaid Ku Klux Klan;

And Whereas, during the week ending the 14th of May, 1870, a colored man in the county of Lincoln was taken from his bed at night and tied to a tree by a band of disguised persons known as the Ku Klux Klan, while fifteen of these demons in succession committed a rape on his wife;

And Whereas, about the same time, in said county, a band of these men disguised, known as the Ku Klux Klan, met a colored woman in the dusk of the evening and committed a rape on her body, and afterwards stuck their knives in various parts of her body;

And Whereas, about the same time a band of men disguised known as the Ku Klux Klan, in said county, shot a colored man on the public highway, and then told him they had shot him through mistake for another colored man, but laid him on a pile of fence rails and told him to cry for help;

And Whereas, recently, a colored man named Pinkham, of the county of Alamance supposed to be half-witted, having followed two of the disguised murderers of Wyatt Outlaw to their homes, and having spoken of the fact publicly, suddenly disappeared, and was found drowned in a mill pond with a twenty pound rock to his foot;

And Whereas, T. M. Brotherton, one of the Senators in the General Assembly of this State, from the counties of Alamance and Guilford, has been compelled to sacrifice his property, and, to save his life, to make his escape from said county on account of his opposition to the Ku Klux Klan, aforesaid, and his devotion to the government of the United States;

And Whereas on the 25th of May, 1870, a most atrocious murder was committed by three disguised men on Neill McLeod and Daniel McLeod, white, of the county of Cumberland, and three others of the family were wounded by these assassins;

And Whereas, in divers other localities peaceable citizens have been insulted in their houses, put in fear for their lives, whipped, scourged, maltreated, mutilated and murdered by persons disguised, and known as the Ku Klux Klan:

And Whereas, retaliation has commenced by the burning of barns, stables, and mills; And Whereas, all these evils are to be traced to the Ku Klux Klan aforesaid, though no apology can be offered for the retaliation referred to, for it is equally to be deplored and reprehended as a wicked violation of the law; and upon due information laid before me, (which information has not been furnished,) that barns or stables, or mills, or dwelling houses, have been burned by incendiaries, mentioning the localities, and the persons to whom the said barns, or stables, or mills, or dwelling houses belonged, rewards will also be offered for the arrest and conviction of the incendiaries aforesaid.

Now, Therefore, I, William W. Holden, Governor of the State of North Carolina, do issue this my proclamation, offering a reward of FIVE HUNDRED DOLLARS for the arrest of each of the murderers of the wife and children of Daniel Blue, of each of the murderers of Wyatt Outlaw, of each of the murderers of John W. Stephens, of each of the murderers of Robin Jacobs, of each of the persons who committed rape on the bodies of the aforesaid woman referred to, of each of the persons who murdered Purgear, and of each of the persons who murdered Neill McLeod and Daniel McLeod, and rendered the family of the said Neil McLeod, together with such evidence as will lead to the conviction of the persons thus arrested; those who planned, advised or counselled the commission of the act; those who participated in the act or acts; or those who endeavored to conceal the bodies of the murdered or aided in the concealment and escape of the felons.

And I enjoin upon all officers, civil and military, to aid in bringing these and all other offenders to justice; and especially to discountenance, discourage, and repress all organizations of men who ride or walk in disguise, and who arm themselves in their hands. It is a misdemeanor thus to go disguised, and it is the duty of the disguised persons against or injure peaceable citizens in their persons or property.

Done at our city of Raleigh, this 6th day [o. s.] of June A. D. 1870, and in the 94th year of our Independence.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

The BROOKLYN LIFE enjoys the highest reputation for *judgment of investments, economy of management, and skill and care in the selection of risks*, upon which elements or qualities of the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to maintain the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation is required to be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully note this important safeguard. It will be found in the Brooklyn Life.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash without deduction.
