INVESTMENT OF SCHOOL FUNDS.
The State realized for the purpose of education from the "land scrip" donated by the United States, \$125,000. This money passed into the hands of Gov. Holden and his associates in administering the State government. What did he do with this money? They took it to New York and invested it in the hands of the State when they were hearing a nominal price and daily becoming more inflated. They got for this money 50 old State bonds and 100 new State bonds of \$1,000 each and 100 gold bonds, making in all 250 bonds worth about \$1,200,000.

RESIST IF YOU DARE.
We started a day or two ago, that when Judge Foster spoke the Constitution and laws would be executed, and would resist Holden and Kirk.

The Governor makes a great hullabaloo over the sentence, writing it in his usual style, and saying that we are going to resist. Now, God, we expect the Constitution and the law to execute you and Kirk, and resist you without the law.

It is not necessary to resist the law, but to resist the unconstitutional acts of the Governor.
