DEFINITE CASH SURRENDER VALUES,

The BROOKLYN LIFE enters the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks—none which elements of administration the security of a Life Insurance Corporation depends upon. It calculates the Cash value of its Policies, each and every year, and a certain Cash amount of reserve and accumulation must be held by the Company to meet all its obligations. Insurers, in looking around for Companies in which to insure, should carefully seek for the most important guarantee. It will be found in the BROOKLYN LIFE.

Mr. J. L. KITCHIN:

Dear Sir—We certify that the "Balding Pump" put by you in the town of Scotland Neck was a perfect success. They pump very rapidly, and by attaching hose, will throw water from 50 to 80 feet and would prove invaluable in case of fire.

FOR REFRESHING COMINATION

WATERING FLUID

THE CHEAPEST BEST AND MOST ILLUMINATING AGENT IN THE WORLD!!

It is more Refreshing than any other Watering Fluid.

No more Smoke! No more Grease! No more Noise! No more Fuss! No more Heat! No more Trouble!

EVERYBODY USES IT AFTER GIVING IT A TRIAL.

It costs less—It lasts longer—It gives a more Brilliant Light—It may be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Oil and to be non-explosive!!

Workmen have ever happened with it. Protected by Copy right for 20 years from May 28th 1852.

The above Fluid has been in constant use for a period of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. It is not only considered to be superior to Kerosene or Coal Oil, it makes a better light and more of it, than any other illuminating compound. It is safe in use, and is a fair and impartial trial.

Among the numerous testimonials received read the following:

Philadelphia, March 19th, 1869.

The undersigned, having submitted to the experiments of Messrs. H. & Co., with their "Watering Fluid," find it superior to kerosene in all respects, and in commending it to the public. The reasons are in the highest degree satisfactory. We have on hand a quantity of it to be sold in a safe and brilliant illuminating oil. Its cheapness added to its other good qualities, would insure its introduction into every household in the country, where Kerosene Oil is used.
