DUNN'S PATENT COTTON TIE.

WE BEG TO ANNOUNCE that we have appointed Sole Agents for the sale of the above Patent Tie in Virginia and North Carolina. The satisfaction it gave last season wherever used, warrants us in recommending it as the best we yet introduced. It combines the advantages of great strength, great simplicity and ease in manipulation. Besides the difficulty of taking up the slack of the rope during the operation of baling, is entirely obviated.

We shall have our supply direct from the manufacturer in England before the 1st of July or August, and it leaves ample time for delivery in all parts of the State.
