A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!

WITHOUT SEDIMENT!!

OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to three applications, according to the depth of shade required. Sold by all druggists.

PUFF OF SATISFACTION.—Nothing answers more grateful than the solace of a good cigar and free-smoking cigar. Such are Mohegan's Bankers, the best cigars for their price in the country. They have become so universally popular in North Carolina, in Raleigh particularly, that all the inveterate smokers are breaking their pipes.

We honestly think two boxes of Mohegan's Bankers might be induced to influence Gen. Grant to compassion in regard to the missing Ontario.

We recommend the Bankers, and know whereof we affirm, for as we write we are consoling with the grand satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th *Company* in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THE FIRST ONCE BEGUN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of one year, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents, are invited to communicate with its General Agents.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks,—upon which elements of assurance the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and to maintain legal standards of reserve and accountability, held by the Companies to meet all their liabilities.

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

CASH ASSETS - - - - - - - $500,000.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

Devised by its talented and distinguished Actuary CHAS. R. HOSMAR, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate, and demand the most UNQUESTIONABLE SECURITY, (at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The EXCELSIOR ISSUES Policies on all the plans of Mutual or Stock Companies, exhibiting in addition, all their really desirable advantages. Its policies being non-forfeiture, the insured has the privilege to live and travel where they please in any healthy part of the world, the usual days of grace, are allowed, 30 days grace, for payment of renewal of premium, a cash surrender value of policy, and a privilege which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

Mr. Hibbert, I have been restricted to the very popular Company which I had the honor to represent in North Carolina since, which most of the Mutual, and stock Companies have followed. This disadvantage, together with the multiplication of many new Companies, in the field, has obliged to practice what I consider, together with the questionable methods of some Companies, to accept the management of this Company, whose plan combines the popular features of other Companies, and in addition, the Excelsior offers to the insured the additional privilege of using their policies, which the holder can not afford to keep in force, as collateral security, whether he chooses to call for money or not, or for any other purpose, to discontinue payment of the premiums for whose benefit the policy was issued, without forfeiture or reference to cash payments, or to surrender the policy for its cash value, without any other formalities, and to any other Company, or to any other person, without the consent of the Company.

The next Annual Statement, will be made with great care and forwarded to the Old State Agency, to that position which we have held for the past two years.
